

§ 4770. Limitations on availability of funds for cost sharing

Federal funds made available to State or local governments under other programs may not be used by the State or local government for cost-sharing purposes under grant provisions of this chapter, except that Federal funds of a program financed wholly by Federal funds may be used to pay a pro-rata share of such cost sharing. State or local government funds used for cost sharing on other federally assisted programs may not be used for cost sharing under grant provisions of this chapter.

SUBCHAPTER III—FEDERAL DEMONSTRATION AND RESEARCH PROGRAM: FEDERAL HOUSING ADMINISTRATION REQUIREMENTS

§ 4821. Development of program; consultation; nature of program; safe level of lead; report to Congress

(a) The Secretary of Housing and Urban Development, in consultation with the Secretary of Health and Human Services, shall develop and carry out a demonstration and research program to determine the nature and extent of the problem of lead based paint poisoning in the United States, particularly in urban areas, including the methods by which the lead based paint hazard can most effectively be removed from interior surfaces, porches, and exterior surfaces of residential housing to which children may be exposed.

(b) The Chairman of the Consumer Product Safety Commission shall conduct appropriate research on multiple layers of dried paint film, containing the various lead compounds commonly used, in order to ascertain the safe level of lead in residential paint products. No later than December 31, 1974, the Chairman shall submit to Congress a full and complete report of his findings and recommendations as developed pursuant to such programs, together with a statement of any legislation which should be enacted or any changes in existing law which should be made in order to carry out such recommendations.

AMENDMENTS

1973—Subsec. (a). Pub. L. 93-151 incorporated existing first sentence in provisions designated as subsec. (a).

Subsec. (b). Pub. L. 93-151 required the Chairman of the Consumer Product Safety Commission to conduct research to ascertain the safe level of lead in provisions designated as subsec. (b), incorporated existing second sentence as the second sentence of the subsection, substituting requirement of submission of report by the Chairman no later than Dec. 31, 1974, for former similar requirement for submission of a report by the Secretary within one year after Jan. 13, 1971.

Statutory Notes and Related Subsidiaries

CHANGE OF NAME

“Secretary of Health and Human Services” substituted for “Secretary of Health, Education, and Welfare” in subsec. (a) pursuant to section 509(b) of Pub. L. 96-88, which is classified to section 3508(b) of Title 20, Education.

§ 4822. Requirements for housing receiving Federal assistance

(a) General requirements

(1) Elimination of hazards

The Secretary of Housing and Urban Development (hereafter in this section referred to as the “Secretary”) shall establish procedures to eliminate as far as practicable the hazards

of lead based paint poisoning with respect to any existing housing which may present such hazards and which is covered by an application for mortgage insurance or housing assistance payments under a program administered by the Secretary or otherwise receives more than \$5,000 in project-based assistance under a Federal housing program. Beginning on January 1, 1995, such procedures shall apply to all such housing that constitutes target housing, as defined in section 4851b of this title, and shall provide for appropriate measures to conduct risk assessments, inspections, interim controls, and abatement of lead-based paint hazards. At a minimum, such procedures shall require—

(A) the provision of lead hazard information pamphlets, developed pursuant to section 2686 of title 15, to purchasers and tenants;

(B) periodic risk assessments and interim controls in accordance with a schedule determined by the Secretary, the initial risk assessment of each unit constructed prior to 1960 to be conducted not later than January 1, 1996, and, for units constructed between 1960 and 1978—

(i) not less than 25 percent shall be performed by January 1, 1998;

(ii) not less than 50 percent shall be performed by January 1, 2000; and

(iii) the remainder shall be performed by January 1, 2002;

(C) inspection for the presence of lead-based paint prior to federally-funded renovation or rehabilitation that is likely to disturb painted surfaces;

(D) reduction of lead-based paint hazards in the course of rehabilitation projects receiving less than \$25,000 per unit in Federal funds;

(E) abatement of lead-based paint hazards in the course of substantial rehabilitation projects receiving more than \$25,000 per unit in Federal funds;

(F) where risk assessment, inspection, or reduction activities have been undertaken, the provision of notice to occupants describing the nature and scope of such activities and the actual risk assessment or inspection reports (including available information on the location of any remaining lead-based paint on a surface-by-surface basis); and

(G) such other measures as the Secretary deems appropriate.

(2) Additional measures

The Secretary may establish such other procedures as may be appropriate to carry out the purposes of this section.

(3) Disposition of federally owned housing

(A) Pre-1960 target housing

Beginning on January 1, 1995, procedures established under paragraphs (1) and (2) shall require the inspection and abatement of lead-based paint hazards in all federally owned target housing constructed prior to 1960.
