

(9) evaluate the long-term cost-effectiveness of interim control and abatement strategies; and

(10) assess the effectiveness of hazard evaluation and reduction activities funded by this chapter.

(Pub. L. 102-550, title X, §1052, Oct. 28, 1992, 106 Stat. 3925.)

Editorial Notes

REFERENCES IN TEXT

This chapter, referred to in par. (10), was in the original “this Act”, meaning title X of Pub. L. 102-550, Oct. 28, 1992, 106 Stat. 3897, known as the Residential Lead-Based Paint Hazard Reduction Act of 1992. For complete classification of this Act to the Code, see Short Title note set out under section 4851 of this title and Tables.

§ 4854b. Authorization

Of the total amount approved in appropriation Acts under section 4852(o)¹ of this title, there shall be set aside to carry out this part \$5,000,000 for fiscal year 1993, and \$5,000,000 for fiscal year 1994.

(Pub. L. 102-550, title X, §1053, Oct. 28, 1992, 106 Stat. 3926.)

Editorial Notes

REFERENCES IN TEXT

Section 4852(o) of this title, referred to in text, was redesignated section 4852(p) of this title by Pub. L. 103-233, title III, §305(a)(1), Apr. 11, 1994, 108 Stat. 370.

PART 2—GAO REPORT

§ 4855. Federal implementation and insurance study

(a) Federal implementation study

The Comptroller General of the United States shall assess the effectiveness of Federal enforcement and compliance with lead safety laws and regulations, including any changes needed in annual inspection procedures to identify lead-based paint hazards in units receiving assistance under subsections (b) and (o) of section 1437f of this title.

(b) Insurance study

The Comptroller General of the United States shall assess the availability of liability insurance for owners of residential housing that contains lead-based paint and persons engaged in lead-based paint hazard evaluation and reduction activities. In carrying out the assessment, the Comptroller General shall—

(1) analyze any precedents in the insurance industry for the containment and abatement of environmental hazards, such as asbestos, in federally assisted housing;

(2) provide an assessment of the recent insurance experience in the public housing lead hazard identification and reduction program; and

(3) recommend measures for increasing the availability of liability insurance to owners and contractors engaged in federally supported work.

SUBCHAPTER IV—REPORTS

§ 4856. Reports of Secretary of Housing and Urban Development

(a) Annual report

The Secretary shall transmit to the Congress an annual report that—

(1) sets forth the Secretary’s assessment of the progress made in implementing the various programs authorized by this chapter;

(2) summarizes the most current health and environmental studies on childhood lead poisoning, including studies that analyze the relationship between interim control and abatement activities and the incidence of lead poisoning in resident children;

(3) recommends legislative and administrative initiatives that may improve the performance by the Department of Housing and Urban Development in combating lead hazards through the expansion of lead hazard evaluation and reduction activities;

(4) describes the results of research carried out in accordance with subchapter III; and

(5) estimates the amount of Federal assistance annually expended on lead hazard evaluation and reduction activities.

(b) Biennial report

(1) In general

24 months after October 28, 1992, and at the end of every 24-month period thereafter, the Secretary shall report to the Congress on the progress of the Department of Housing and Urban Development in implementing expanded lead-based paint hazard evaluation and reduction activities.

(2) Contents

The report shall—

(A) assess the effectiveness of section 4852d of this title in making the public aware of lead-based paint hazards;

(B) estimate the extent to which lead-based paint hazard evaluation and reduction activities are being conducted in the various categories of housing;

(C) monitor and report expenditures for lead-based paint hazard evaluation and reduction for programs within the jurisdiction of the Department of Housing and Urban Development;

(D) identify the infrastructure needed to eliminate lead-based paint hazards in all housing as expeditiously as possible, including cost-effective technology, standards and regulations, trained and certified contractors, certified laboratories, liability insurance, private financing techniques, and appropriate Government subsidies;

(E) assess the extent to which the infrastructure described in subparagraph (D) exists, make recommendations to correct shortcomings, and provide estimates of the costs of measures needed to build an adequate infrastructure; and

(F) include any additional information that the Secretary deems appropriate.
