

**(h) Promulgation of procedures**

The Administrator shall promulgate the procedures required to implement this section within one hundred and eighty days after October 27, 1972.

(Pub. L. 92-574, §15, Oct. 27, 1972, 86 Stat. 1245; Pub. L. 94-301, §1, May 31, 1976, 90 Stat. 590; Pub. L. 100-418, title V, §5115(c), Aug. 23, 1988, 102 Stat. 1433.)

**Editorial Notes****AMENDMENTS**

1988—Subsec. (b)(3). Pub. L. 100-418 substituted “National Institute of Standards and Technology” for “National Bureau of Standards”.

1976—Subsec. (g). Pub. L. 94-301 inserted authorization of appropriations for fiscal year ending June 30, 1976, the transition period, and fiscal year ending September 30, 1977.

**Statutory Notes and Related Subsidiaries****TERMINATION OF ADVISORY COMMITTEES**

Advisory committees in existence on Jan. 5, 1973, to terminate not later than the expiration of the 2-year period following Jan. 5, 1973, unless, in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a committee established by the Congress, its duration is otherwise provided by law. A committee established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year period beginning on the date of its establishment unless in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to the end of such period, or in the case of a committee established by the Congress, its duration is otherwise provided by law. See section 1013 of Title 5, Government Organization and Employees.

**REFERENCES IN OTHER LAWS TO GS-16, 17, OR 18 PAY RATES**

References in laws to the rates of pay for GS-16, 17, or 18, or to maximum rates of pay under the General Schedule, to be considered references to rates payable under specified sections of Title 5, Government Organization and Employees, see section 529 [title I, §101(c)(1)] of Pub. L. 101-509, set out in a note under section 5376 of Title 5.

**§ 4915. Judicial review****(a) Petition for review**

A petition for review of action of the Administrator of the Environmental Protection Agency in promulgating any standard or regulation under sections 4905, 4916, or 4917 of this title or any labeling regulation under section 4907 of this title may be filed only in the United States Court of Appeals for the District of Columbia Circuit, and a petition for review of action of the Administrator of the Federal Aviation Administration in promulgating any standard or regulation under section 44715 of title 49 may be filed only in such court. Any such petition shall be filed within ninety days from the date of such promulgation, or after such date if such petition is based solely on grounds arising after such ninetieth day. Action of either Administrator with respect to which review could have been obtained under this subsection shall not be sub-

ject to judicial review in civil or criminal proceedings for enforcement.

**(b) Additional evidence**

If a party seeking review under this chapter applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the information is material and was not available at the time of the proceeding before the Administrator of such Agency or Administration (as the case may be), the court may order such additional evidence (and evidence in rebuttal thereof) to be taken before such Administrator, and to be adduced upon the hearing, in such manner and upon such terms and conditions as the court may deem proper. Such Administrator may modify his findings as to the facts, or make new findings, by reason of the additional evidence so taken, and he shall file with the court such modified or new findings, and his recommendation, if any, for the modification or setting aside of his original order, with the return of such additional evidence.

**(c) Stay of agency action**

With respect to relief pending review of an action by either Administrator, no stay of an agency action may be granted unless the reviewing court determines that the party seeking such stay is (1) likely to prevail on the merits in the review proceeding and (2) will suffer irreparable harm pending such proceeding.

**(d) Subpenas**

For the purpose of obtaining information to carry out this chapter, the Administrator of the Environmental Protection Agency may issue subpenas for the attendance and testimony of witnesses and the production of relevant papers, books, and documents, and he may administer oaths. Witnesses summoned shall be paid the same fees and mileage that are paid witnesses in the courts of the United States. In cases of contumacy or refusal to obey a subpoena served upon any person under this subsection, the district court of the United States for any district in which such person is found or resides or transacts business, upon application by the United States and after notice to such person, shall have jurisdiction to issue an order requiring such person to appear and give testimony before the Administrator, to appear and produce papers, books, and documents before the Administrator, or both, and any failure to obey such order of the court may be punished by such court as a contempt thereof.

(Pub. L. 92-574, §16, Oct. 27, 1972, 86 Stat. 1247.)

**Editorial Notes****CODIFICATION**

In subsec. (a), “section 44715 of title 49” substituted for “section 611 of the Federal Aviation Act of 1958” on authority of Pub. L. 103-272, §6(b), July 5, 1994, 108 Stat. 1378, the first section of which enacted subtitles II, III, and V to X of Title 49, Transportation.

**§ 4916. Railroad noise emission standards****(a) Regulations; standards; consultation with Secretary of Transportation**

(1) Within nine months after October 27, 1972, the Administrator shall publish proposed noise

emission regulations for surface carriers engaged in interstate commerce by railroad. Such proposed regulations shall include noise emission standards setting such limits on noise emissions resulting from operation of the equipment and facilities of surface carriers engaged in interstate commerce by railroad which reflect the degree of noise reduction achievable through the application of the best available technology, taking into account the cost of compliance. These regulations shall be in addition to any regulations that may be proposed under section 4905 of this title.

(2) Within ninety days after the publication of such regulations as may be proposed under paragraph (1) of this subsection, and subject to the provisions of section 4915 of this title, the Administrator shall promulgate final regulations. Such regulations may be revised, from time to time, in accordance with this subsection.

(3) Any standard or regulation, or revision thereof, proposed under this subsection shall be promulgated only after consultation with the Secretary of Transportation in order to assure appropriate consideration for safety and technological availability.

(4) Any regulation or revision thereof promulgated under this subsection shall take effect after such period as the Administrator finds necessary, after consultation with the Secretary of Transportation, to permit the development and application of the requisite technology, giving appropriate consideration to the cost of compliance within such period.

**(b) Regulations to insure compliance with noise emission standards**

The Secretary of Transportation, after consultation with the Administrator, shall promulgate regulations to insure compliance with all standards promulgated by the Administrator under this section. The Secretary of Transportation shall carry out such regulations through the use of his powers and duties of enforcement and inspection authorized by subtitle V of title 49. Regulations promulgated under this section shall be subject to the provisions of sections 4909, 4910, 4911, and 4915 of this title.

**(c) High-speed train noise emissions**

**(1) In general**

The Secretary of Transportation, in consultation with the Administrator, may prescribe regulations governing railroad-related noise emission standards for trains operating on the general railroad system of transportation at speeds exceeding 160 miles per hour, including noise related to magnetic levitation systems and other new technologies not traditionally associated with railroads.

**(2) Factors in rulemaking**

The regulations prescribed pursuant to paragraph (1) may—

- (A) consider variances in maximum pass-by noise with respect to the speed of the equipment;
- (B) account for current engineering best practices; and
- (C) encourage the use of noise mitigation techniques to the extent reasonable if the benefits exceed the costs.

**(3) Conventional-speed trains**

Railroad-related noise regulations prescribed under subsection (a) shall continue to govern noise emissions from the operation of trains, including locomotives and rail cars, when operating at speeds not exceeding 160 miles per hour.

**(d) State and local standards and controls**

(1) Subject to paragraph (2) but notwithstanding any other provision of this chapter, after the effective date of a regulation under this section applicable to noise emissions resulting from the operation of any equipment or facility of a surface carrier engaged in interstate commerce by railroad, no State or political subdivision thereof may adopt or enforce any standard applicable to noise emissions resulting from the operation of the same equipment or facility of such carrier unless such standard is identical to a standard applicable to noise emissions resulting from such operation prescribed by any regulation under this section.

(2) Nothing in this section shall diminish or enhance the rights of any State or political subdivision thereof to establish and enforce standards or controls on levels of environmental noise, or to control, license, regulate, or restrict the use, operation, or movement of any product if the Administrator, after consultation with the Secretary of Transportation, determines that such standard, control, license, regulation, or restriction is necessitated by special local conditions and is not in conflict with regulations promulgated under this section.

**(e) “Carrier” and “railroad” defined**

The terms “carrier” and “railroad” as used in this section shall have the same meaning as the term “railroad carrier” has in section 20102 of title 49.

(Pub. L. 92-574, §17, Oct. 27, 1972, 86 Stat. 1248; Pub. L. 104-287, §6(i), Oct. 11, 1996, 110 Stat. 3399; Pub. L. 117-58, div. B, title II, §22423, Nov. 15, 2021, 135 Stat. 752.)

**Editorial Notes**

**AMENDMENTS**

2021—Subsec. (b). Pub. L. 117-58, §22423(b), substituted “subtitle V of title 49” for “the Safety Appliance Acts, subtitle IV of title 49, and the Department of Transportation Act”.

Subsecs. (c) to (e). Pub. L. 117-58, §22423(a), added subsec. (c) and redesignated former subsecs. (c) and (d) as (d) and (e), respectively.

1996—Subsec. (d). Pub. L. 104-287 substituted “the term ‘railroad carrier’ has in section 20102 of title 49” for “such terms have under the first section of the Act of February 17, 1911 (45 U.S.C. 22)”.

**§ 4917. Motor carrier noise emission standards**

**(a) Regulations; standards; consultation with Secretary of Transportation**

(1) Within nine months after October 27, 1972, the Administrator shall publish proposed noise emission regulations for motor carriers engaged in interstate commerce. Such proposed regulations shall include noise emission standards setting such limits on noise emissions resulting from operation of motor carriers engaged in
