

Pub. L. 108-36, title I, §121(c), June 25, 2003, 117 Stat. 814, substituted “COMMUNITY-BASED GRANTS FOR THE PREVENTION OF CHILD ABUSE AND NEGLECT” for “COMMUNITY-BASED FAMILY RESOURCE AND SUPPORT GRANTS” in subchapter heading.

§ 5116. Purpose and authority

(a) Purpose

It is the purpose of this subchapter—

(1) to support community-based efforts to develop, operate, expand, enhance, and coordinate initiatives, programs, and activities to prevent child abuse and neglect and to support the coordination of resources and activities, to better strengthen and support families to reduce the likelihood of child abuse and neglect; and

(2) to foster an understanding, appreciation, and knowledge of diverse populations in order to be effective in preventing and treating child abuse and neglect.

(b) Authority

The Secretary shall make grants under this subchapter on a formula basis to the entity designated by the State as the lead entity (referred to in this subchapter as the “lead entity”) under section 5116a(1) of this title for the purpose of—

(1) developing, operating, expanding, and enhancing community-based and prevention-focused programs and activities designed to strengthen and support families to prevent child abuse and neglect that are accessible, effective, culturally appropriate, and build upon existing strengths that—

(A) offer assistance to families;

(B) provide early, comprehensive support for parents;

(C) promote the development of parenting skills, especially in young parents and parents with very young children;

(D) increase family stability;

(E) improve family access to other formal and informal resources and opportunities for assistance available within communities, including access to such resources and opportunities for unaccompanied homeless youth;

(F) support the additional needs of families with children with disabilities through respite care and other services;

(G) demonstrate a commitment to involving parents in the planning and program implementation of the lead agency and entities carrying out local programs funded under this title, including involvement of parents of children with disabilities, parents who are individuals with disabilities, racial and ethnic minorities, and members of other underrepresented or underserved groups; and

(H) provide referrals to early health and developmental services;

(2) fostering the development of a continuum of preventive services for children and families, including unaccompanied homeless youth, through State and community-based collaborations and partnerships both public and private;

(3) financing the start-up, maintenance, expansion, or redesign of specific community-based child abuse and neglect prevention pro-

gram services (such as respite care services, child abuse and neglect prevention activities, disability services, mental health services, substance abuse treatment services, domestic violence services, housing services, transportation, adult education, home visiting and other similar services) identified by the inventory and description of current services required under section 5116d(3)¹ of this title as an unmet need, and integrated with the network of community-based child abuse and neglect prevention programs to the extent practicable given funding levels and community priorities;

(4) maximizing funding through leveraging of funds for the financing, planning, community mobilization, collaboration, assessment, information and referral, startup, training and technical assistance, information management and reporting, reporting and evaluation costs for establishing, operating, or expanding community-based and prevention-focused programs and activities designed to strengthen and support families to prevent child abuse and neglect; and

(5) financing public information activities that focus on the healthy and positive development of parents and children and the promotion of child abuse and neglect prevention activities.

§ 5116a. Eligibility

A State shall be eligible for a grant under this subchapter for a fiscal year if—

(1)(A) the Governor of the State has designated a lead entity to administer funds under this subchapter for the purposes identi-

fied under the authority of this subchapter, including to develop, implement, operate, enhance, or expand community-based and prevention-focused, programs and activities designed to strengthen and support families to prevent child abuse and neglect;

(B) such lead entity is an existing public, quasi-public, or nonprofit private entity (which may be an entity that has not been established pursuant to State legislation, executive order, or any other written authority of the State) that exists to strengthen and support families to prevent child abuse and neglect with a demonstrated ability to work with other State and community-based agencies to provide training and technical assistance, and that has the capacity and commitment to ensure the meaningful involvement of parents who are consumers and who can provide leadership in the planning, implementation, and evaluation of programs and policy decisions of the applicant agency in accomplishing the desired outcomes for such efforts;

(C) in determining which entity to designate under subparagraph (A), the Governor should give priority consideration equally to a trust fund advisory board of the State or to an existing entity that leverages Federal, State, and private funds for a broad range of child abuse and neglect prevention activities and family resource programs, and that is directed by an interdisciplinary, public-private structure, including participants from communities; and

(D) in the case of a State that has designated a State trust fund advisory board for purposes of administering funds under this subchapter (as such subchapter was in effect on October 3, 1996) and in which one or more entities that leverage Federal, State, and private funds (as described in subparagraph (C)) exist, the Governor shall designate the lead entity only after full consideration of the capacity and expertise of all entities desiring to be designated under subparagraph (A);

(2) the Governor of the State provides assurances that the lead entity will provide or will be responsible for providing—

(A) community-based and prevention-focused programs and activities designed to strengthen and support families to prevent child abuse and neglect composed of local, collaborative, public-private partnerships directed by interdisciplinary structures with balanced representation from private and public sector members, parents, adult former victims of child abuse or neglect, and public and private nonprofit service providers and individuals and organizations experienced in working in partnership with families with children with disabilities;

(B) direction through an interdisciplinary, collaborative, public-private structure with balanced representation from private and public sector members, parents, adult former victims of child abuse or neglect, and public sector and private nonprofit sector service providers, and parents with disabilities; and

(C) direction and oversight through identified goals and objectives, clear lines of com-
