Such term also includes a State or a local public body or agency (as defined in section 4512¹ of this title), community association, or other entity, which is approved by the Secretary for the purpose of providing public facilities or services to a new community as part of a program meeting the eligibility standards of section 4513¹ of this title or title IV of the Housing and Urban Development Act of 1968 [42 U.S.C. 3901 et seq.].

(3) The term “metropolitan area” means a standard metropolitan statistical area as established by the Office of Management and Budget.

(4) The term “metropolitan city” means (A) a city within a metropolitan area which is the central city of such area, as defined and used by the Office of Management and Budget, or (B) any other city, within a metropolitan area, which has a population of fifty thousand or more. Any city that was classified as a metropolitan city for at least 2 years pursuant to the first sentence of this paragraph shall remain classified as a metropolitan city. Any

unit of general local government that becomes eligible to be classified as a metropolitan city, and was not classified as a metropolitan city in the immediately preceding fiscal year, may, upon submission of written notification to the Secretary, defer its classification as a metropolitan city for all purposes under this chapter, if it elects to have its population included in an urban county under subsection (d). Notwithstanding the second sentence of this paragraph, a city may elect not to retain its classification as a metropolitan city. Any city classified as a metropolitan city pursuant to this paragraph, and that no longer qualifies as a metropolitan city in a fiscal year beginning after fiscal year 1989, shall retain its classification as a metropolitan city for such fiscal year and the succeeding fiscal year, except that in such succeeding fiscal year (A) the amount of the grant to such city shall be 50 percent of the amount calculated under section 5306(b) of this title; and (B) the remaining 50 percent shall be added to the amount allocated under section 5306(d) of this title to the State in which the city is located and the city shall be eligible in such succeeding fiscal year to receive a distribution from the State allocation under section 5306(d) of this title as increased by this sentence. Any unit of general local government that was classified as a metropolitan city in any fiscal year, may, upon submission of written notification to the Secretary, relinquish such classification for all purposes under this chapter if it elects to have its population included with the population of a county for purposes of qualifying for assistance (for such following fiscal year) under section 5306 of this title as an urban county under paragraph (6)(D). Any metropolitan city that elects to relinquish its classification under the preceding sentence and whose port authority shipped at least 35,000,000 tons of cargo in 1988, of which iron ore made up at least half, shall not receive, in any fiscal year, a total amount of assistance under section 5306 of this title from the urban county recipient that is less than the city would have received if it had not relinquished the classification under the preceding sentence. Notwithstanding any other provision of this paragraph, with respect to any fiscal year beginning after September 30, 2007, the cities of Alton and Granite City, Illinois, shall be considered metropolitan cities for purposes of this chapter.

(5) The term “city” means (A) any unit of general local government which is classified as a municipality by the United States Bureau of the Census or (B) any other unit of general local government which is a town or township and which, in the determination of the Secretary, (i) possesses powers and performs functions comparable to those associated with municipalities, (ii) is closely settled, and (iii) contains within its boundaries no incorporated places as defined by the United States Bureau of the Census which have not entered into cooperation agreements with such town or township to undertake or to assist in the undertaking of essential community development and housing assistance activities.

(6)(A) The term “urban county” means any county within a metropolitan area which—

(II) has a population in excess of 100,000, a population density of at least 5,000 persons per square mile, and contains within its boundaries no incorporated places as defined by the United States Bureau of the Census.

(B) Any county that was classified as an urban county for at least 2 years pursuant to subparagraph (A), (C), or (D) shall remain classified as an urban county, unless it fails to qualify as an urban county pursuant to subparagraph (A) by reason of the election of any unit of general local government included in such county to have its population excluded under clause (ii)(I)(a) of subparagraph (A) or not to renew a cooperation agreement under clause (ii)(I)(b) of such subparagraph.

(C) Notwithstanding the combined population amount set forth in clause (ii) of subparagraph (A), a county shall also qualify as an urban county for purposes of assistance under section 5306 of this title if such county—

(iii) had a population between 180,000 and 200,000 on October 1, 1987, was eligible for assistance under section 5318 of this title in fiscal year 1986, and does not contain any metropolitan cities;

(iv) has entered into a local cooperation agreement with a metropolitan city that received assistance under section 5306 of this title because of such classification, and has elected under paragraph (4) to have its population included with the population of the county for purposes of qualifying as an urban county; except that to qualify as an urban county under this clause (I) the county must have a combined population of not less than 195,000, (II) more than 15 percent of the residents of the county shall be 60 years of age or older (according to the most recent decennial census data), (III) not less than 20 percent of the total personal income in the county shall be from pensions, social security, disability, and other transfer programs, and (IV) not less than 40 percent of the land within the county shall be publicly owned and not subject to property tax levies;

(vi) has entered into a local cooperation agreement with a metropolitan city that received assistance under section 5306 of this title because of such classification, and has elected under paragraph (4) to have its population included with the population of the county for the purposes of qualifying as an urban county, except that to qualify as an

(II) including any metropolitan cities located in the county, have had a decrease in population of 10,061 from 1992 to 1994, according to the estimates of the Bureau of the Census of the Department of Commerce; and

(E) Any county classified as an urban county pursuant to subparagraph (A), (B), or (C) of this paragraph, and that no longer qualifies as an urban county under such subparagraph in a fiscal year beginning after fiscal year 1989, shall retain its classification as an urban county for such fiscal year and the succeeding fiscal year, except that in such succeeding fiscal year (i) the amount of the grant to such an urban county shall be 50 percent of the amount calculated under section 5306(b) of this title; and (ii) the remaining 50 percent shall be added to the amount allocated under section 5306(d) of this title to the State in which the urban county is located and the urban county shall be eligible in such succeeding fiscal year to receive a distribution from the State allo-
