**Editorial Notes****AMENDMENTS**

2005—Pub. L. 109-58 reenacted section catchline without change and amended text generally. Prior to amendment, text read as follows: “Each State energy conservation plan with respect to which assistance is made available under this part on or after October 1, 1991, shall contain a goal, consisting of an improvement of 10 percent or more in the efficiency of use of energy in the State concerned in the calendar year 2000 as compared to the calendar year 1990, and may contain interim goals.”

1990—Pub. L. 101-440 amended section generally. Prior to amendment, section read as follows: “Upon the basis of the reports submitted pursuant to this part and such other information as is available, the Secretary shall, at the earliest practicable date, set an energy conservation goal for each State for 1980 and may set interim goals. Such goal or goals shall consist of the maximum reduction in the consumption of energy during any year as a result of the implementation of the State energy conservation plan described in section 6322(b) of this title which is consistent with technological feasibility, financial resources, and economic objectives, by comparison with the projected energy consumption for such State in such year. The Secretary shall specify the assumptions used in the determination of the projected energy consumption in each State, taking into account population trends, economic growth, and the effects of national energy conservation programs.”

1978—Pub. L. 95-619 substituted “Secretary” for “Administrator”, meaning Administrator of the Federal Energy Administration, wherever appearing.

**§ 6325. General provisions****(a) Rules**

The Secretary may prescribe such rules as may be necessary or appropriate to carry out his authority under this part.

**(b) Departmental consultation**

In carrying out the provisions of sections 6322 and 6324 of this title and subsection (a) of section 6323 of this title, the Secretary shall consult with appropriate departments and Federal agencies.

**(c) Annual report**

The Secretary shall, as part of the report required under section 7267 of this title, report to the President and the Congress, and shall furnish copies of such report to the Governor of each State, on the operation of the program under this part. Such report shall include an estimate of the energy conservation achieved, the degree of State participation and achievement, a description of innovative conservation programs undertaken by individual States, and the recommendations of the Secretary, if any, for additional legislation.

**(d) Duty of Federal Trade Commission to prevent unfair or deceptive practices or acts relating to implementation of energy measures**

The Federal Trade Commission shall (1) cooperate with and assist State agencies which have primary responsibilities for the protection of consumers in activities aimed at preventing unfair and deceptive acts or practices affecting commerce which relate to the implementation of measures likely to conserve, or improve efficiency in the use of, energy, including energy conservation measures and renewable-resource energy measures, and (2) undertake its own program, pursuant to the Federal Trade Commission Act [15 U.S.C. 41 et seq.], to prevent unfair or deceptive acts or practices affecting commerce which relate to the implementation of any such measures.

**(e) List of energy measures eligible for financial assistance; designation of types and requirements of energy audits**

Within 90 days after August 14, 1976, the Secretary shall—

(1) develop, by rule after consultation with the Secretary of Housing and Urban Development, and publish a list of energy conservation measures and renewable-resource energy measures which are eligible (on a national or regional basis) for financial assistance pursuant to section 1701z-8 of title 12 or section 6881 of this title;

(2) designate, by rule, the types of, and requirements for, energy audits.

**(f) Authorization of appropriations****(1) In general**

There is authorized to be appropriated to carry out this part \$500,000,000 for the period of fiscal years 2022 through 2026.

**(2) Distribution**

Amounts made available under paragraph (1)—

(A) shall be distributed to the States in accordance with the applicable distribution formula in effect on January 1, 2021; and
