(B) the proportion that the number of low-income children in the State bears to the total of such numbers of children for all the States.

#### (2) Other allotments

##### (A) Other entities

For the purpose described in subsection (b), the Secretary shall, for each of fiscal years 2018 through 2023, for any State which has not transmitted an application for the fiscal year under section 705(a) of this title, allot to one or more entities in the State the amount that would have been allotted to the State under paragraph (1) if the State had submitted such an application.

##### (B) Process

The Secretary shall select the recipients of allotments under subparagraph (A) by means of a competitive grant process under which—

(i) not later than 30 days after the deadline for the State involved to submit an application for the fiscal year under section 705(a) of this title, the Secretary publishes a notice soliciting grant applications; and

(ii) not later than 120 days after such deadline, all such applications must be submitted.

### (b) Purpose

#### (1) In general

Except for research under paragraph (5) and information collection and reporting under

paragraph (6), the purpose of an allotment under subsection (a) to a State (or to another entity in the State pursuant to subsection (a)(2)) is to enable the State or other entity to implement education exclusively on sexual risk avoidance (meaning voluntarily refraining from sexual activity).

### (2) Required components

Education on sexual risk avoidance pursuant to an allotment under this section shall—

(A) ensure that the unambiguous and primary emphasis and context for each topic described in paragraph (3) is a message to youth that normalizes the optimal health behavior of avoiding nonmarital sexual activity;

(B) be medically accurate and complete;

(C) be age-appropriate;

(D) be based on adolescent learning and developmental theories for the age group receiving the education; and

(E) be culturally appropriate, recognizing the experiences of youth from diverse communities, backgrounds, and experiences.

### (3) Topics

Education on sexual risk avoidance pursuant to an allotment under this section shall address each of the following topics:

(A) The holistic individual and societal benefits associated with personal responsibility, self-regulation, goal setting, healthy decisionmaking, and a focus on the future.

(B) The advantage of refraining from nonmarital sexual activity in order to improve the future prospects and physical and emotional health of youth.

(C) The increased likelihood of avoiding poverty when youth attain self-sufficiency and emotional maturity before engaging in sexual activity.

(D) The foundational components of healthy relationships and their impact on the formation of healthy marriages and safe and stable families.

(E) How other youth risk behaviors, such as drug and alcohol usage, increase the risk for teen sex.

(F) How to resist and avoid, and receive help regarding, sexual coercion and dating violence, recognizing that even with consent teen sex remains a youth risk behavior.

### (4) Contraception

Education on sexual risk avoidance pursuant to an allotment under this section shall ensure that—

(A) any information provided on contraception is medically accurate and complete and ensures that students understand that contraception offers physical risk reduction, but not risk elimination; and

(B) the education does not include demonstrations, simulations, or distribution of contraceptive devices.

### (5) Research

#### (A) In general

A State or other entity receiving an allotment pursuant to subsection (a) may use up to 20 percent of such allotment to build the

evidence base for sexual risk avoidance education by conducting or supporting research.

**(B) Requirements**

Any research conducted or supported pursuant to subparagraph (A) shall be—

- (i) rigorous;
- (ii) evidence-based; and

- (B) submit reports to the Secretary on the data from such programs and activities.

**(c) National evaluation**

**(1) In general**

**(2) Consultation**

In conducting the evaluations required by paragraph (1), including the establishment of rigorous evaluation methodologies, the Secretary shall consult with relevant stakeholders and evaluation experts.

**(d) Applicability of certain provisions**

(1) Sections 703, 707, and 708 of this title apply to allotments under subsection (a) to the same extent and in the same manner as such sections apply to allotments under section 702(c) of this title, except that section 703(a) of this title shall be applied by substituting “the total of the sums” for “four-sevenths of the total of the sums”.

(2) Sections 705 and 706 of this title apply to allotments under subsection (a) to the extent determined by the Secretary to be appropriate.

**(e) Definitions**

In this section:
