§ 7141. Office of Minority Economic Impact

(a) Establishment; appointment of Director; compensation

There shall be established within the Department an Office of Minority Economic Impact. The Office shall be headed by a Director, who shall be appointed by the President, by and with the advice and consent of the Senate. The Director shall be compensated at the rate provided for level IV of the Executive Schedule under section 5315 of title 5.

(b) Advice to Secretary on effect of energy policies, regulations, and other actions of Department respecting minority participation in energy programs

The Director shall have the duty and responsibility to advise the Secretary on the effect of energy policies, regulations, and other actions of the Department and its components on minorities and minority business enterprises and on ways to insure that minorities are afforded an opportunity to participate fully in the energy programs of the Department.

(c) Research programs respecting effects of national energy programs, policies, and regulations of Department on minorities

The Director shall conduct an ongoing research program, with the assistance of the Administrator of the Energy Information Administration, and such other Federal agencies as the Director determines appropriate, to determine the effects (including the socio-economic and environmental effects) of national energy programs, policies, and regulations of the Department on minorities. In conducting such pro-

gram, the Director shall, from time to time, develop and recommend to the Secretary policies to assist, where appropriate, such minorities and minority business enterprises concerning such effects. In addition, the Director shall, to the greatest extent practicable—

(1) determine the average energy consumption and use patterns of minorities relative to other population categories;

(2) evaluate the percentage of disposable income spent on energy by minorities relative to other population categories; and

(3) determines¹ how programs, policies, and actions of the Department and its components affect such consumption and use patterns and such income.

(d) Management and technical assistance to minority educational institutions and business enterprises to foster participation in research, development, demonstration, and contract activities of Department

The Director may provide the management and any² technical assistance he considers appropriate to minority educational institutions and minority business enterprises to enable these enterprises and institutions to participate in the research, development, demonstration, and contract activities of the Department. In carrying out his functions under this section, the Director may enter into contracts, in accordance with section 7256 of this title and other applicable provisions of law, with any person, including minority educational institutions, minority business enterprises, and organizations the primary purpose of which is to assist the development of minority communities. The management and technical assistance may include—

(1) a national information clearinghouse which will develop and disseminate information on the aspects of energy programs to minority business enterprises, minority educational institutions and other appropriate minority organizations;

(2) market research, planning economic and business analysis, and feasibility studies to identify and define economic opportunities for minorities in energy research, production, conservation, and development;

(3) technical assistance programs to encourage, promote, and assist minority business enterprises in establishing and expanding energy-related business opportunities which are located in minority communities and that can provide jobs to workers in such communities; and

(4) programs to assist minority business enterprises in the commercial application of energy-related technologies.

(e) Loans to minority business enterprises; restriction on use of funds; interest; deposits into Treasury

(1) The Secretary, acting through the Office, may provide financial assistance in the form of loans to any minority business enterprise under such rules as he shall prescribe to assist such enterprises in participating fully in research, development, demonstration, and contract activi-
