**§ 7256c. Milestone-based demonstration projects****(a) In general**

Acting under section 7256(g) of this title, notwithstanding paragraph (10) of such section, the Secretary of Energy (in this section referred to as the “Secretary”) may carry out demonstration projects as a milestone-based demonstration project that requires particular technical and financial milestones to be met before a participant is awarded grants by the Department through a competitive award process.

**(b) Requirements**

In carrying out milestone-based demonstration projects under the authority in paragraph (1), the Secretary shall, for each relevant project—

(1) request proposals from eligible entities, as determined by the Secretary, including—

(A) a business plan, that may include a plan for scalable manufacturing and a plan for addressing supply chain gaps;

(B) a plan for raising private sector investment; and

(C) proposed technical and financial milestones, including estimated project timelines and total costs; and

(2) award funding of a predetermined amount to projects that successfully meet proposed milestones under paragraph (1)(C) or for expenses deemed reimbursable by the Secretary, in accordance with terms negotiated for an individual award;

(3) require cost sharing in accordance with section 16352 of this title; and

(4) communicate regularly with selected eligible entities and, if the Secretary deems appropriate, exercise small amounts of flexibility for technical and financial milestones as projects mature.

**(c) Awards**

For the program established under subsection (a)—

(1) an award recipient shall be responsible for all costs until milestones are achieved, or reimbursable expenses are reviewed and verified by the Department; and

(2) should an awardee not meet the milestones described in subsection (a), the Secretary or their designee may end the partnership with an award recipient and use the remaining funds in the ended agreement for new or existing projects carried out under this section.

**(d) Project management**

In carrying out projects under this program and assessing the completion of their milestones in accordance with subsection (b), the Secretary shall consult with experts that represent diverse perspectives and professional experiences, including those from the private sector, to ensure a complete and thorough review.

**(e) Report**

In accordance with section 16391a(a) of this title, the Secretary shall report annually on any demonstration projects carried out using the authorities under this section.

**Statutory Notes and Related Subsidiaries****PILOT PROGRAM FOR PROJECT MANAGEMENT OVERSIGHT REGARDING DEPARTMENT OF ENERGY CONSTRUCTION PROJECTS**

Pub. L. 106–65, div. C, title XXXI, §3175, Oct. 5, 1999, 113 Stat. 950, provided that:

“(a) REQUIREMENT.—(1) The Secretary of Energy shall carry out a pilot program on use of project management oversight services (in this section referred to as ‘PMO services’) for construction projects of the Department of Energy.

“(2) The purpose of the pilot program shall be to provide a basis for determining whether or not the use of competitively procured, external PMO services for those construction projects would permit the Department to control excessive costs and schedule delays associated with those construction projects that have large capital costs.

“(b) PROJECTS COVERED BY PROGRAM.—(1) Subject to paragraph (2), the Secretary shall carry out the pilot program at construction projects selected by the Secretary. The projects shall include one or more construction projects authorized pursuant to section 3101 [113 Stat. 915] and one construction project authorized pursuant to section 3102 [113 Stat. 917].

“(2) Each project selected by the Secretary shall be a project having capital construction costs anticipated to be not less than \$25,000,000.

“(c) SERVICES UNDER PROGRAM.—The PMO services used under the pilot program shall include the following services:

“(1) Monitoring the overall progress of a project.

“(2) Determining whether or not a project is on schedule.

“(3) Determining whether or not a project is within budget.

“(4) Determining whether or not a project conforms with plans and specifications approved by the Department.

“(5) Determining whether or not a project is being carried out efficiently and effectively.

“(6) Any other management oversight services that the Secretary considers appropriate for purposes of the pilot program.

“(d) PROCUREMENT OF SERVICES UNDER PROGRAM.—Any PMO services procured under the pilot program shall be acquired—

“(1) on a competitive basis; and

“(2) from among commercial entities that—

“(A) do not currently manage or operate facilities at a location where the pilot program is being conducted; and
