EFFECTIVE DATE OF REPEAL

Pub. L. 96-300, §1(c), July 2, 1980, 94 Stat. 831, provided that this section is repealed on date on which National Commission on Air Quality ceases to exist pursuant to provisions of former subsec. (g) of this section, which provided that not later than Mar. 1, 1981, a report be submitted containing results of all Commission studies and investigations and that Commission cease to exist on Mar. 1, 1981, if report is not submitted on Mar. 1, 1981, or Commission would cease to exist on such date, but not later than May 1, 1981, as determined and ordered by Commission if report is submitted on Mar. 1, 1981.

NATIONAL COMMISSION ON AIR QUALITY; EXTENSION PROHIBITION

Pub. L. 96-300, §1(d), July 2, 1980, 94 Stat. 831, provided that nothing in any other authority of law shall be construed to authorize or permit the extension of the National Commission on Air Quality pursuant to any Executive order or other Executive or agency action.

§ 7624. Cost of vapor recovery equipment

(a) Costs to be borne by owner of retail outlet

The regulations under this chapter applicable to vapor recovery with respect to mobile source fuels at retail outlets of such fuels shall provide that the cost of procurement and installation of such vapor recovery shall be borne by the owner of such outlet (as determined under such regulations). Except as provided in subsection (b), such regulations shall provide that no lease of a retail outlet by the owner thereof which is entered into or renewed after August 7, 1977, may provide for a payment by the lessee of the cost of procurement and installation of vapor recovery equipment. Such regulations shall also provide that the cost of procurement and installation of vapor recovery equipment may be recovered by the owner of such outlet by means of price increases in the cost of any product sold by such owner, notwithstanding any provision of law.

(b) Payment by lessee

The regulations of the Administrator referred to in subsection (a) shall permit a lease of a retail outlet to provide for payment by the lessee of the cost of procurement and installation of vapor recovery equipment over a reasonable period (as determined in accordance with such regulations), if the owner of such outlet does not sell, trade in, or otherwise dispense any product at wholesale or retail at such outlet.

Editorial Notes

PRIOR PROVISIONS

A prior section 323 of act July 14, 1955, was classified to section 7623 of this title prior to repeal by Pub. L. 96-300, §1(c), July 2, 1980, 94 Stat. 831.

AMENDMENTS

1980—Pub. L. 96-300, §1(b), which directed that last sentence of this section be struck out was probably intended to strike sentence purportedly added by Pub. L. 95-190. See 1977 Amendment note below and section 7623(i) of this title.

1977—Pub. L. 95-190 which purported to amend subsec. (j) of this section by inserting "The Commission may appoint and fix the pay of such staff as it deems necessary." after "(j)" was not executed to this section because it did not contain a subsec. (j). See 1980 Amendment note above.

EFFECTIVE DATE

Section effective Aug. 7, 1977, except as otherwise expressly provided, see section 406(d) of Pub. L. 95-95, set out as an Effective Date of 1977 Amendment note under section 7401 of this title.

§ 7625. Vapor recovery for small business marketers of petroleum products

(a) Marketers of gasoline

The regulations under this chapter applicable to vapor recovery from fueling of motor vehicles at retail outlets of gasoline shall not apply to any outlet owned by an independent small business marketer of gasoline having monthly sales of less than 50,000 gallons. In the case of any other outlet owned by an independent small business marketer, such regulations shall provide, with respect to independent small business marketers of gasoline, for a three-year phase-in period for the installation of such vapor recovery equipment at such outlets under which such marketers shall have—

(1) 33 percent of such outlets in compliance at the end of the first year during which such regulations apply to such marketers,

(2) 66 percent at the end of such second year, and

(3) 100 percent at the end of the third year.

(b) State requirements

Nothing in subsection (a) shall be construed to prohibit any State from adopting or enforcing, with respect to independent small business marketers of gasoline having monthly sales of less than 50,000 gallons, any vapor recovery requirements for mobile source fuels at retail outlets. Any vapor recovery requirement which is adopted by a State and submitted to the Administrator as part of its implementation plan may be approved and enforced by the Administrator as part of the applicable implementation plan for that State.

(c) Refiners

For purposes of this section, an independent small business marketer of gasoline is a person engaged in the marketing of gasoline who would be required to pay for procurement and installation of vapor recovery equipment under section 7624¹ of this title or under regulations of the Administrator, unless such person—
