(B) Conversion

If the owner of a project requests the use of the project for the direct benefit of very low-income persons with disabilities and, pursuant to such request the Secretary determines that a project is no longer needed for use as supportive housing for persons with disabilities, the Secretary may approve the request and authorize the owner to convert the project to such use.

(2) Contract terms

The initial term of a contract entered into under subsection (d)(2) shall be 240 months, except that, in the case of the sponsor of a project assisted with any low-income housing tax credit pursuant to section 42 of title 26 or with any tax-exempt housing bonds, the con-

(E) Under such delegated system, the Secretary shall retain the authority to approve rents and development costs and to execute a capital advance within 60 days of receipt of the commitment from the State or local agency. The Secretary shall provide to such agency and the project sponsor, in writing, the reasons for any reduction in capital advance amounts or project rental assistance and such reductions shall be subject to appeal.

(h) Development cost limitations

(1) Group homes

The Secretary shall periodically establish development cost limitations by market area for group homes of supportive housing for persons with disabilities by publishing a notice of the cost limitations in the Federal Register. The cost limitations shall reflect—

In establishing development cost limitations for a given market area, the Secretary shall use data that reflect currently prevailing costs of acquisition, construction, reconstruction, or rehabilitation, and land acquisition in the area. Neither this section nor any other provision of law may be construed as prohibiting or preventing the location and operation, in a project assisted under this section, of commercial facilities for the benefit of residents of the project and the community in which the project is located, except that assistance made available under this section may not be used to subsidize any such commercial facility.

(2) RTC properties
