(1) Except as provided in paragraph (2), in the case of any financial assistance under this subchapter for a biomass energy project, the Secretary concerned shall be—

(A) the Secretary of Agriculture, in the case of any biomass energy project which will have

an anticipated annual production capacity of less than 15,000,000 gallons of ethanol (or the energy equivalent of other forms of biomass energy) and which will use feedstocks other than aquatic plants; and

(B) the Secretary of Energy, in the case of any biomass energy project which will use aquatic plants as feedstocks or which will have an anticipated annual production capacity of 15,000,000 gallons or more of ethanol (or the energy equivalent of other forms of biomass energy).

(2)(A) Either the Secretary of Agriculture or the Secretary of Energy may be the Secretary concerned in the case of any biomass energy project which will have an anticipated annual production capacity of 15,000,000 gallons or more of ethanol (or the energy equivalent of other forms of biomass energy) and—

(i) which will use wood or wood wastes or residue, or

(ii) which is owned and operated by a cooperative and will use feedstocks other than aquatic plants.

(B) Financial assistance may not be provided by either Secretary under subparagraph (A) without the written concurrence of the other Secretary.
