§ 8837. Commercialization demonstration program pursuant to Federal nonnuclear energy research and development

(a) Establishment and conduct pursuant to other Federal statutory authorities; required undertakings subsequent to consultations

(1) The Secretary of Energy shall establish and conduct, pursuant to the authorities contained in the Federal Nonnuclear Energy Research and Development Act of 1974 [42 U.S.C. 5901 et seq.], an accelerated research, development, and demonstration program for promoting the commercial viability of processes for the recovery of energy from municipal wastes.

(2) The provisions of subsections (d), (m), and (x)(2) of section 19 of such Act¹ shall not apply with respect to the program established under this section.

(3) As part of the program established under this section, the Secretary, after consulting

with the Administrator of the Environmental Protection Agency and the Secretary of Commerce, shall undertake—

(A) the research, development, and demonstration of technologies to recover energy from municipal wastes;

(B) the development and application of new municipal waste-to-energy recovery technologies;

(C) the assessment, evaluation, demonstration, and improvement of the performance of existing municipal waste-to-energy recovery technologies with respect to capital costs, operating and maintenance costs, total project financing, recovery efficiency, and the quality of recovered energy and energy intensive materials;

(D) the evaluation of municipal waste energy projects for the purpose of developing a base of engineering data that can be used in the design of future municipal waste energy projects to recover energy from municipal wastes; and

(E) research studies on the size and other significant characteristics of potential markets for municipal waste-to-energy recovery technologies, and recovered energy, and energy intensive materials.

(b) Financial assistance

Under such program, the Secretary of Energy may provide financial assistance consisting of price supports, loans, and loan guarantees, for the cost of planning, designing, constructing, operating, and maintaining demonstration facilities, and, in the case of existing facilities, modifications of such facilities solely for demonstration purposes, for the conversion of municipal wastes into energy or the recovery of materials.

(c) Priority for funding

Priority for funding of activities under subsection (a) and financial assistance under subsection (b) shall be provided for any activity or project for the demonstration of technologies for the production of liquid fuels or biomass energy which substitute for petroleum or natural gas.

(d) Obligation and expenditure of funds

The Secretary of Energy may not obligate or expend any funds authorized under this chapter in carrying out subsection (b) of this section until the plan required under section 8831(a) of this title has been prepared and submitted to the Congress.

(e) Deposit of moneys received

All amounts received by the Secretary of Energy as fees, interest, repayment of principal, and any other moneys received by the Secretary from operations under this section shall be deposited in the general fund of the Treasury of the United States as miscellaneous receipts.

§ 8839. Office of Energy from Municipal Waste

(a) Establishment in Department of Energy; appointment of Director

There is hereby established within the Department of Energy an Office of Energy from Municipal Waste (hereinafter in this section referred to as the "Office") to be headed by a Director, who shall be appointed by the Secretary of Energy.

(b) Functions

It shall be the function of the Office to perform—

- (1) the research, development, demonstration, and commercialization activities authorized under this subchapter (including those authorized under section 8837 of this title), and
- (2) such other duties relating to the production of energy from municipal waste as the Secretary of Energy may assign to the Office.

(c) Consultations respecting implementation of functions

In carrying out functions transferred¹ or assigned to the Office, the Secretary of Energy shall consult with the Administrator of the Environmental Protection Agency, the Secretary of Commerce, and the heads of such other Federal agencies, as appropriate.

(d) Transfer of related functions and personnel from Department of Energy

The Secretary shall provide for the transfer to the Office of the functions relating to, and personnel of the Department who are responsible

for the administration of, programs in existence on June 30, 1980, which relate to the research, development, demonstration, and commercialization of technologies for the recovery of energy from municipal waste.

SUBCHAPTER III—RURAL, AGRICULTURAL, AND FORESTRY BIOMASS ENERGY

§ 8851. Model demonstration biomass energy facilities; establishment, public inspection, etc.; authorization of appropriations

(a) The Secretary of Agriculture shall establish not more than ten model demonstration biomass energy facilities for purposes of exhibiting the most advanced technology available for producing biomass energy. Such facilities and information regarding the operation of such facilities shall be available for public inspection, and, to the extent practicable, such facilities shall be established in various regions in the United States. Such facilities may be established in cooperation with appropriate departments or agencies of the States, or appropriate in various regions in the United States. Such facilities may be established in cooperation with appropriate departments or agencies of the States, or appropriate departments, agencies, or other instrumentalities of the United States.

(b) For purposes of carrying out subsection (a), there is authorized to be appropriated \$5,000,000 for each of the fiscal years 1981, 1982, 1983, and 1984.

(Pub. L. 96-294, title II, §251, June 30, 1980, 94 Stat. 705.)

§ 8852. Coordination of research and extension activities; consultative requirements

(a) The Secretary of Agriculture shall coordinate the applied research and extension programs conducted under this subchapter¹ and under the amendments made by this subchapter to section 1419 [7 U.S.C. 3154]¹ and subtitle B of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 [7 U.S.C. 3129],¹ section 1 of the Bankhead-Jones Act [7 U.S.C. 3104], section 3 of the Forest and Rangeland Renewable Resources Research Act of 1978 [16 U.S.C. 1642], and sections 1 and 2 of the Smith-Lever Act [7 U.S.C. 341, 342] with the programs of the Department of Energy.

(b) In carrying out this subchapter and the amendments made by this subchapter, the Secretary of Agriculture shall consult on a continuing basis with—
