§ 1901. Congressional findings and declaration of policy

(a) The Congress finds and declares that—

(1) vast segments of the public rangelands are producing less than their potential for livestock, wildlife habitat, recreation, forage, and water and soil conservation benefits, and for that reason are in an unsatisfactory condition;

(2) such rangelands will remain in an unsatisfactory condition and some areas may decline further under present levels of, and funding for, management;

(3) unsatisfactory conditions on public rangelands present a high risk of soil loss,
