

retary shall provide to the project beneficiaries written notice—

(A) describing the need for the site security measure and the process for identifying and implementing the site security measure; and

(B) summarizing the administrative and legal requirements relating to the site security measure.

**(3) Consultation**

The Secretary shall—

(A) provide project beneficiaries an opportunity to consult with the Bureau of Reclamation on the planning, design, and construction of the site security measure; and

(B) in consultation with project beneficiaries, develop and provide timeframes for the consultation described in subparagraph (A).

**(4) Response; notice**

Before incurring costs pursuant to activities described in subsection (b), the Secretary shall consider cost containment measures recommended by a project beneficiary that has elected to consult with the Bureau of Reclamation on such activities. The Secretary shall provide to the project beneficiary—

(A) a timely written response describing proposed actions, if any, to address the recommendation; and

(B) notice regarding the costs and status of such activities on a periodic basis.

**(5) Report**

The Secretary shall report annually to the Natural Resources Committee of the House of Representatives and the Energy and Natural Resources Committee of the Senate on site security actions and activities undertaken pursuant to this Act for each fiscal year. The report shall include a summary of Federal and non-Federal expenditures for the fiscal year and information relating to a 5-year planning horizon for the program, detailed to show pre-September 11, 2001, and post-September 11, 2001, costs for the site security activities.

**(d) Pre-September 11, 2001 security cost levels**

Reclamation project security costs at the levels of activity that existed prior to September 11, 2001, shall remain reimbursable.
