§ 1001. Congressional findings

Congress hereby finds that—

(1) uninterrupted continuation of services over Rock Island lines is dependent on adequate employee protection provisions covering Rock Island Railroad employees who are not hired by other railroads;

(2) for those Rock Island Railroad employees not hired by other rail carriers, there is no other practicable means of obtaining funds to meet the necessary costs of such employee protection that are assumed by the Rock Island Railroad;

(3) a cessation of necessary operations of the Rock Island Railroad would have serious repercussions on the economies of the States in which such railroad principally operates; and

(4) premature cessation of services over lines which are the subject of pending purchase application would result in harm to the shipping public and could imperil continuation of vital commuter service.

AMENDMENTS

1980—Par. (5). Pub. L. 96-448 inserted "the estate of such Company in its reorganization proceeding, or the trustee appointed in such proceeding" after "Railroad Company". The amendment was executed by inserting amendatory text preceding the semicolon instead of the period at end of par. (5) as directed to reflect the probable intent of Congress, in view of par. (5) being enacted without a closing period.
