This section codifies the Joint Resolution of March 26, 1934 (ch. 90, 48 Stat. 500) (also commonly known as Public Resolution 17). The codification of this provision is not intended to change its status as a “Sense of Congress” provision in any way. The words “Reconstruction Finance Corporation or” are omitted as obsolete because the Reconstruction Finance Corporation was abolished by section 6 of Reorganization Plan No. 1 of 1957 (5 App. U.S.C.).

§ 55305. Cargoes procured, furnished, or financed by the United States Government

(a) **MINIMUM TONNAGE.**—When the United States Government procures, contracts for, or otherwise obtains for its own account, or furnishes to or for the account of a foreign country, organization, or persons without provision for reimbursement, any equipment, materials, or commodities, or provides financing in any way with Federal funds for the account of any persons unless otherwise exempted, within or with-

out the United States, or advances funds or credits, or guarantees the convertibility of foreign currencies in connection with the furnishing or obtaining of the equipment, materials, or commodities, the appropriate agencies shall take steps necessary and practicable to ensure that at least 50 percent of the gross tonnage of the equipment, materials, or commodities (computed separately for dry bulk carriers, dry cargo liners, and tankers) which may be transported on ocean vessels is transported on privately-owned commercial vessels of the United States, as provided under subsection (b), to the extent those vessels are available at fair and reasonable rates for commercial vessels of the United States, in a manner that will ensure a fair and reasonable participation of commercial vessels of the United States in those cargoes by geographic areas.

(b) **ELIGIBLE VESSELS.**—To be eligible to carry cargo as provided under subsection (a), a privately-owned commercial vessel shall be documented under the laws of the United States—

(1) for not less than three years; or

(2) after January 1, 2030, for less than three years, if the vessel owner signs an agreement with the Secretary providing that—

(A) the vessel shall remain documented under the laws of the United States for not less than three years; and

(B) the vessel owner shall, upon request of the Secretary, agree to enroll the vessel in an emergency preparedness agreement or voluntary agreement authorized under section 708 of the Defense Production Act of 1950 (50 U.S.C. 4558) and shall ensure the vessel remains so enrolled until the vessel ceases to be documented under the laws of the United States.

(c) **VIOLATION OF AGREEMENT.**—A vessel under an agreement executed pursuant to subsection (b)(2) may be seized by, and forfeited to, the United States if, in violation of that agreement—

(1) the vessel owner places the vessel under foreign registry; or

(2) a person operates the vessel under the authority of a foreign country.

(d) **WAIVERS.**—(1) Notwithstanding any other provision of law, when the President, the Secretary of Defense, or the Secretary of Transportation declares the existence of an emergency justifying a temporary waiver of this section or section 55314 of this title, the President, the Secretary of Defense, or the Secretary of Transportation, following a determination by the Maritime Administrator, acting in the Administrator’s capacity as Director, National Shipping Authority, of the non-availability of qualified United States flag capacity at fair and reasonable rates for commercial vessels of the United States to meet the requirements of this section or section 55314 of this title, may waive compliance with such section to the extent, in the manner, and on the terms the Maritime Administrator, acting in such capacity, prescribes, and no other waivers of the requirements of this section or section 55314 of this title shall be authorized.
