

completes a rehabilitation program established by a railroad carrier or approved by the Secretary, the individual may not be denied a license or certification under subsection (b)(4) of this section because of—

(A) a conviction for operating a motor vehicle when under the influence of, or impaired by, alcohol or a controlled substance; or

(B) the cancellation, revocation, or suspension of the individual's motor vehicle operator's license for operating a motor vehicle when under the influence of, or impaired by, alcohol or a controlled substance.

(d) OPPORTUNITY FOR HEARING.—An individual denied a license or certification or whose license or certification is conditioned on requirements prescribed under subsection (b)(4) of this section shall be entitled to a hearing under section 20103(e) of this title to decide whether the license has been properly denied or conditioned.

(e) OPPORTUNITY TO EXAMINE AND COMMENT ON INFORMATION.—The Secretary, employer, or prospective employer, as appropriate, shall make information obtained under subsection (b)(6) of this section available to the individual. The individual shall be given an opportunity to comment in writing about the information. Any comment shall be included in any record or file maintained by the Secretary, employer, or prospective employer that contains information to which the comment is related.

In subsection (a), the words "within 12 months after June 22, 1988" are omitted as executed. The words "including any locomotive engineer" are omitted as surplus. The words "after one year after" are substituted for "after the expiration of 12 months following" to eliminate unnecessary words.

In subsection (b)(5), the word "requirements" is substituted for "terms" for consistency in this section.

In subsection (c)(1), the words "In establishing the program under this subsection" are omitted as surplus.

§ 20136. Automatic train control and related systems

The Secretary of Transportation shall prescribe regulations and issue orders to require that—

(1) an individual performing a test of an automatic train stop, train control, or cab signal apparatus required by the Secretary to be performed before entering territory where the apparatus will be used shall certify in writing that the test was performed properly; and

(2) the certification required under clause (1) of this section shall be maintained in the same way and place as the daily inspection report for the locomotive.

AMENDMENTS

1994—Par. (2). Pub. L. 103-429 substituted "section" for "subsection".

Statutory Notes and Related Subsidiaries

EFFECTIVE DATE OF 1994 AMENDMENT

Amendment by Pub. L. 103-429 effective July 5, 1994, see section 9 of Pub. L. 103-429, set out as a note under section 321 of this title.

§ 20137. Event recorders

(a) DEFINITION.—In this section, "event recorder" means a device that—

(1) records train speed, hot box detection, throttle position, brake application, brake operations, and any other function the Secretary of Transportation considers necessary to record to assist in monitoring the safety of train operation, such as time and signal indication; and

(2) is designed to resist tampering.

(b) REGULATIONS AND ORDERS.—Not later than December 22, 1989, the Secretary shall prescribe regulations and issue orders that may be necessary to enhance safety by requiring that a train be equipped with an event recorder not later than one year after the regulations are prescribed and the orders are issued. However, if the Secretary finds it is impracticable to equip trains within that one-year period, the Secretary may extend the period to a date that is not later than 18 months after the regulations are prescribed and the orders are issued.

In subsection (b), the words "Not later than December 22, 1989" are substituted for "within 18 months after June 22, 1988" for clarity. The words "may extend the period to a date that is not later than 18 months after the regulations are prescribed and the orders are issued" are substituted for "may extend the deadline

for compliance with such requirement, but in no event shall such deadline be extended past 18 months after such rules, regulations, orders, and standards are issued" to eliminate unnecessary words.

The words "Not later than June 22, 1989" are substituted for "within one year after June 22, 1988" for clarity.

§ 20138. Tampering with safety and operational monitoring devices

§ 20140. Alcohol and controlled substances testing

(a) GENERAL.—The Secretary of Transportation shall prescribe regulations and issue orders to prohibit the willful tampering with, or disabling of, any specified railroad safety or operational monitoring device.

(a) DEFINITION.—In this section, "controlled substance" means any substance under section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802) specified by the Secretary of Transportation.

(b) PENALTIES.—(1) A railroad carrier operating a train on which a safety or operational monitoring device is tampered with or disabled in violation of a regulation prescribed or order issued under subsection (a) of this section is liable to the United States Government for a civil penalty under section 21301 of this title.

(b) GENERAL.—(1) In the interest of safety, the Secretary of Transportation shall prescribe regulations and issue orders, not later than October 28, 1992, related to alcohol and controlled substances use in railroad operations. The regulations shall establish a program requiring—

(2) An individual tampering with or disabling a safety or operational monitoring device in violation of a regulation prescribed or order issued under subsection (a) of this section, or knowingly operating or allowing to be operated a train on which such a device has been tampered with or disabled, is liable for penalties established by the Secretary. The penalties may include—

- (A) a railroad carrier to conduct preemployment, reasonable suspicion, random, and post-accident testing of all railroad employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of a controlled substance in violation of law or a United States Government regulation, and to conduct reasonable suspicion, random, and post-accident testing of such employees for the use of alcohol in violation of law or a United States Government regulation; the regulations shall permit such railroad carriers to conduct preemployment testing of such employees for the use of alcohol; and
- (B) when the Secretary considers it appropriate, disqualification for an established period of time or dismissal of any employee found—
 - (i) to have used or been impaired by alcohol when on duty; or
 - (ii) to have used a controlled substance, whether or not on duty, except as allowed for medical purposes by law or a regulation or order under this chapter.

- (A) a civil penalty under section 21301 of this title;
- (B) suspension from work; and
- (C) suspension or loss of a license or certification issued under section 20135 of this title.

§ 20139. Maintenance-of-way operations on railroad bridges

(2) When the Secretary of Transportation considers it appropriate in the interest of safety, the Secretary may prescribe regulations and issue orders requiring railroad carriers to conduct periodic recurring testing of railroad employees responsible for safety-sensitive functions (as decided by the Secretary) for the use of alcohol or a controlled substance in violation of law or a Government regulation.

Not later than June 22, 1989, the Secretary of Transportation shall prescribe regulations and issue orders for the safety of maintenance-of-way employees on railroad bridges. The Secretary at least shall provide in those regulations standards for bridge safety equipment, including nets, walkways, handrails, and safety lines, and requirements for the use of vessels when work is performed on bridges located over bodies of water.

(c) TESTING AND LABORATORY REQUIREMENTS.—In carrying out this section, the Secretary of Transportation shall develop requirements that shall—
