“(a) OBJECTIVES.—The Secretary shall conduct a comprehensive study to determine the causes of, and contributing factors to, crashes that involve commercial motor vehicles. The study shall also identify data requirements and collection procedures, reports, and other measures that will improve the Department of Transportation’s and States’ ability to—

As practicable, the study shall rank such activities and measures by the reductions each would likely achieve, if implemented.

“(c) CONSULTATION.—In designing and conducting the study, the Secretary shall consult with persons with expertise on—

“(2) commercial motor vehicles, drivers, and carriers, including passenger carriers;
“(3) highways and noncommercial motor vehicles and drivers;
