

MINIMUM REQUIREMENTS

Pub. L. 106–159, title II, §210(b), Dec. 9, 1999, 113 Stat. 1765, as amended by Pub. L. 112–141, div. C, title II, §32101(c), July 6, 2012, 126 Stat. 777, provided that: “The Secretary shall initiate a rulemaking to establish minimum requirements for applicant motor carriers, including foreign motor carriers, seeking Federal interstate operating authority to ensure applicant carriers are knowledgeable about applicable Federal motor carrier safety standards. As part of that rulemaking, the Secretary shall establish a proficiency examination for applicant motor carriers as well as other requirements to ensure such applicants understand applicable safety regulations, commercial regulations, and provisions of subpart H of part 37 of title 49, Code of Federal Regulations, or successor regulations before being granted operating authority.”

§ 31145. Coordination of Governmental activities and paperwork

The Secretary of Transportation shall coordinate the activities of departments, agencies, and instrumentalities of the United States Government to ensure adequate protection of the safety and health of operators of commercial motor vehicles. The Secretary shall attempt to minimize paperwork burdens to ensure maximum coordination and to avoid overlap and the imposition of unreasonable burdens on persons subject to regulations under this subchapter.

§ 31148. Certified motor carrier safety auditors

(a) **IN GENERAL.**—Not later than 1 year after the date of the enactment of this section, the Secretary of Transportation shall complete a rulemaking to improve training and provide for the certification of motor carrier safety auditors, including private contractors, to conduct safety inspection audits and reviews described in subsection (b).

(b) **CERTIFIED INSPECTION AUDIT REQUIREMENT.**—Not later than 1 year after completion of the rulemaking required by subsection (a), any safety inspection audit or review required by, or based on the authority of, this chapter or chapter 5, 313, or 315 of this title and performed after December 31, 2002, shall be conducted by—

(1) a motor carrier safety auditor certified under subsection (a); or

(2) a Federal or State employee who, on the date of the enactment of this section, was qualified to perform such an audit or review.

(c) **EXTENSION.**—If the Secretary determines that subsection (b) cannot be implemented within the 1-year period established by that subsection and notifies the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives of the determination and the reasons therefor, the Secretary may extend the deadline for compliance with subsection (b) by not more than 12 months.

(d) **APPLICATION WITH OTHER AUTHORITY.**—The Secretary may not delegate the Secretary’s authority to private contractors to issue ratings or operating authority, and nothing in this section authorizes any private contractor to issue ratings or operating authority.

(e) **OVERSIGHT RESPONSIBILITY.**—The Secretary shall have authority over any motor carrier safety auditor certified under subsection (a), including the authority to decertify a motor carrier safety auditor.

INSPECTOR STANDARDS

Pub. L. 114–94, div. A, title V, §5205, Dec. 4, 2015, 129 Stat. 1537, provided that: “Not later than 90 days after the date of enactment of this Act [Dec. 4, 2015], the Ad-

ministrator of the Federal Motor Carrier Safety Administration shall revise the regulations under part 385 of title 49, Code of Federal Regulations, as necessary, to incorporate by reference the certification standards for roadside inspectors issued by the Commercial Vehicle Safety Alliance.”

§ 31149. Medical program

(a) MEDICAL REVIEW BOARD.—

(1) ESTABLISHMENT AND FUNCTION.—The Secretary of Transportation shall establish a Medical Review Board to provide the Federal Motor Carrier Safety Administration with medical advice and recommendations on medical standards and guidelines for the physical qualifications of operators of commercial motor vehicles, medical examiner education, and medical research.

(2) COMPOSITION.—The Medical Review Board shall be appointed by the Secretary and shall consist of 5 members selected from medical institutions and private practice. The membership shall reflect expertise in a variety of medical specialties relevant to the driver fitness requirements of the Federal Motor Carrier Safety Administration.

(b) CHIEF MEDICAL EXAMINER.—The Secretary shall appoint a chief medical examiner who shall be an employee of the Federal Motor Carrier Safety Administration and who shall hold a position under section 3104 of title 5, United States Code, relating to employment of specially qualified scientific and professional personnel, and shall be paid under section 5376 of title 5, United States Code, relating to pay for certain senior-level positions.

(c) MEDICAL STANDARDS AND REQUIREMENTS.—

(1) IN GENERAL.—The Secretary, with the advice of the Medical Review Board and the chief medical examiner, shall—

(A) establish, review, and revise—

(i) medical standards for operators of commercial motor vehicles that will ensure that the physical condition of operators of commercial motor vehicles is adequate to enable them to operate the vehicles safely; and

(ii) requirements for periodic physical examinations of such operators performed by medical examiners who have, at a minimum, self-certified that they have completed training in physical and medical examination standards and are listed on a national registry maintained by the Department of Transportation;

(B) require each such operator to have a current valid medical certificate;

(C) conduct periodic reviews of a select number of medical examiners on the national registry to ensure that proper examinations of such operators are being conducted;

(D) not later than 1 year after enactment of the Commercial Motor Vehicle Safety Enhancement Act of 2012, develop requirements for a medical examiner to be listed in the national registry under this section, including—

(i) the completion of specific courses and materials;

(ii) certification, including, at a minimum, self-certification, if the Secretary determines that self-certification is necessary for sufficient participation in the national registry, to verify that a medical examiner completed specific training, including refresher courses, that the Secretary determines necessary to be listed in the national registry;

(iii) an examination that requires a passing grade; and

(iv) demonstration of a medical examiner's willingness to meet the reporting requirements established by the Secretary;

(E) require medical examiners to transmit electronically, on a monthly basis, the name of the applicant, a numerical identifier, and additional information contained on the medical examiner's certificate for any completed medical examination report required under section 391.43 of title 49, Code of Federal Regulations, to the chief medical examiner;

(F) periodically review a representative sample of the medical examination reports associated with the name and numerical identifiers of applicants transmitted under subparagraph (E) for errors, omissions, or other indications of improper certification; and

(G) annually review the implementation of commercial driver's license requirements by not fewer than 10 States to assess the accuracy, validity, and timeliness of—

(i) the submission of physical examination reports and medical certificates to State licensing agencies; and

(ii) the processing of the submissions by State licensing agencies.

(2) MONITORING PERFORMANCE.—The Secretary shall investigate patterns of errors or improper certification by a medical examiner. If the Secretary finds that a medical examiner has issued a medical certificate to an operator of a commercial motor vehicle who fails to meet the applicable standards at the time of the examination or that a medical examiner has falsely claimed to have completed training in physical and medical examination standards as required by this section, the Secretary may remove such medical examiner from the registry and may void the medical certificate of the applicant or holder.

(d) NATIONAL REGISTRY OF MEDICAL EXAMINERS.—The Secretary, acting through the Federal Motor Carrier Safety Administration—

(1) shall establish and maintain a current national registry of medical examiners who are qualified to perform examinations and issue medical certificates;

(2) shall remove from the registry the name of any medical examiner that fails to meet or maintain the qualifications established by the Secretary for being listed in the registry or otherwise does not meet the requirements of this section or regulation issued under this section;

(3) shall accept as valid only medical certificates issued by persons on the national registry of medical examiners; and
