To the greatest practical extent, the Secretary shall use information available from departments, agencies, and instrumentalities of the United States Government and other sources. To the extent practical, the Secretary shall make available to other Government departments, agencies, and instrumentalities and to the public the information collected under this subsection.

(b) The Secretary shall—

(1) collect and disseminate information on civil aeronautics (other than that collected and disseminated by the National Transportation Safety Board under chapter 11 of this title) including, at a minimum, information on (A) the origin and destination of passengers in interstate air transportation (as that term is used in part A of subtitle VII of this title), and (B) the number of passengers traveling by air between any two points in interstate air transportation; except that, if the Secretary requires air carriers to provide flight-specific information, the Secretary—

(A) shall not disseminate fare information for a specific flight to the general public for a period of at least 9 months following the date of the flight; and

(B) shall give due consideration to and address confidentiality concerns of carriers, including competitive implications, in any rulemaking prior to adoption of a rule requiring the dissemination to the general public of any flight-specific fare;

(2) study the possibilities of developing air commerce and the aeronautical industry; and

(3) exchange information on civil aeronautics with governments of foreign countries through appropriate departments, agencies, and instrumentalities of the Government.

In subsection (a), the word “information” is substituted for “data, statistics, and other information” in 49:1634 to eliminate unnecessary words. The words “in carrying out this activity” before “the Secretary shall” in 49:1634 are omitted as surplus. The words “departments, agencies, and instrumentalities of the United States Government” are substituted for “Federal agencies” in 49:1634 for clarity and consistency. Aviation Act of 1958 (49 U.S.C. 1441 et seq.) or the Civil Aeronautics Board under title IV of that Act (49 U.S.C. 1371 et seq.)” are substituted for “the Board under subchapter IV and VII of this chapter)” in 49:1352 because 49:1655(d) (1st sentence) transferred duties of the Civil Aeronautics Board under 49:ch. 20, subch. VII to the Secretary of Transportation to be carried out through the National Transportation Safety Board. The reference to the National Transportation Safety Board is to the independent Board established by section 303(a) of the Independent Safety Board Act of 1974 (Pub. L. 93-633, 88 Stat. 2167) outside the Department of Transportation and not to the prior Board that was a part of the Department. The word “payments” is substituted for “All moneys received by the Department in payment of the cost of work under paragraph (1)” to eliminate unnecessary words. The words “in the Treasury” are added for clarity and consistency. The words “The Secretary may use amounts in the account” are substituted for “These moneys may be used, in the discretion of the Secretary” for clarity and to eliminate unnecessary words. The words “to getting and providing the information” are substituted for “to the work and/or to secure in connection therewith the special services of persons who are neither officers nor employees of the United States” for clarity and to eliminate unnecessary words.

In subsection (d), the words “in carrying out duties and powers under the Federal Aviation Act of 1958 (49 U.S.C. 1301 et seq.)” are substituted for “in discharge of responsibilities under this chapter” in 49:1343(b) because of the transfer of aviation functions to the Secretary under 49:1655(c)(1) and for consistency. The words “directly related to carrying out that part” are substituted for “directly relating to such responsibilities” in 49:1343(b) because of the restatement of the source provisions.

PUB. L. 103-272

Section 4(j)(7) amends 49:329 to omit references to overseas air transportation because there no longer is a distinction between interstate air transportation and overseas air transportation.

PUB. L. 104-287

This amends 49:329 to make conforming amendments necessary because of the codification enacted by section 1 of the Act of July 5, 1994 (Public Law 103-272, 108 Stat. 745).
