

In subsection (b)(1), the words “for foreign air transportation” are added because of 49 App.:1551(a)(4)(B). See the revision notes for subsection (a) of this section. The words “in the same way as required for a tariff under” are substituted for “in accordance with” for clarity. The words “proposed change in a passenger fare or a charge of another air carrier or foreign air carrier” are substituted for “fares or charges specified in another air carrier’s or foreign air carrier’s proposed tariff” for clarity and consistency in this section.

In subsection (b)(2), the words “not covered by” are substituted for “to which such range of fares does not apply” to eliminate unnecessary words. The words “subparagraphs (A) and (B) of section 1482(d)(4) of this Appendix . . . section 1482(d)(7) of this Appendix” are omitted because those sections related to interstate and overseas air transportation and the source provisions restated in this section relate to foreign air transportation. In addition, the text of 49 App.:1551(a)(5)(D) provides that 49 App.:1482(d) ceased to be in effect on January 1, 1985, except as related to foreign air transportation. The reference in the source provisions to “section 1482(j)(9) of this Appendix” has been restated as though it were a reference to 49 App.:1482(j)(10) to correct an apparent error in the International Air Transportation Competition Act of 1979 (Public Law 96-192, 94 Stat. 35). Section 24(b) of S. 1300 of the 96th Congress (the derivative source for the International Air Transportation Competition Act of 1979), as originally passed by both the Senate and the House of Representatives, restated section 403(c)(2) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 759) to read as it now does with a cross-reference to section 1002(j)(9) of the Federal Aviation Act of 1958. Also contained in those versions of S. 1300 in section 24(a) was an amendment to section 1002(j) of the Federal Aviation Act of 1958 to add a paragraph (9) that contained language identical to what is now section 1002(j)(10) of the Federal Aviation Act of 1958. When S. 1300 was reported by the conference committee and enacted into law as the International Air Transportation Competition Act of 1979, section 24(a) had been changed so that a different paragraph (9) was added and what had been paragraph (9) was now designated as a new paragraph (10) to be added. Apparently, when the conference committee redesignated section 1002(j)(9) as 1002(j)(10) it did not make a corresponding change in the cross-reference in section 403(c)(2). See 125 Cong. Rec. 26936, 32147, 36939.

§ 41505. Uniform methods for establishing joint prices, and divisions of joint prices, applicable to commuter air carriers

(a) DEFINITION.—In this section, “commuter air carrier” means an air carrier providing transportation under section 40109(f) of this title that provides at least 5 scheduled roundtrips a week between the same 2 places.

(b) GENERAL.—Except as provided in subsection (c) of this section, when the Secretary of Transportation prescribes under section 41508 or 41509 of this title a uniform method generally applicable to establishing joint prices and divisions of joint prices for and between air carriers holding certificates issued under section 41102 of this title, the Secretary shall make that uniform method apply to establishing joint prices and divisions of joint prices for and between air carriers and commuter air carriers.

(c) NOTICE REQUIRED BEFORE MODIFYING, SUSPENDING, OR ENDING TRANSPORTATION.—A commuter air carrier that has an agreement with an air carrier to provide transportation for passengers and property that includes through service by the commuter air carrier over the commuter air carrier’s routes and air transportation

provided by the air carrier shall give the air carrier and the Secretary at least 90 days’ notice before modifying, suspending, or ending the transportation. If the commuter air carrier does not give that notice, the uniform method of establishing joint prices and divisions of joint prices referred to in subsection (b) of this section does not apply to the commuter air carrier.

HISTORICAL AND REVISION NOTES

<i>Revised Section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
41505(a)	49 App.:1482a(2), (3).	Oct. 24, 1978, Pub. L. 95-504, §37(c), 92 Stat. 1742.
41505(b)	49 App.:1482a(1) (1st sentence). 49 App.:1551(b)(1)(E).	Aug. 23, 1958, Pub. L. 85-726, 72 Stat. 731, §1601(b)(1)(E); added Oct. 4, 1984, Pub. L. 98-443, §3(e), 98 Stat. 1704.
41505(c)	49 App.:1482a(1) (last sentence). 49 App.:1551(b)(1)(E).	

In subsection (a), the text of 49 App.:1482a(2)(A) is omitted as unnecessary because the definition of “air carrier” in 49 App.:1301(3) is restated in section 40102(a) of the revised title and applies to this section and because the functions of the Civil Aeronautics Board under 49 App.:1482a were transferred to the Secretary of Transportation by 49 App.:1551(b)(1)(E) and the complete name of the Secretary is used the first time the term appears in a section. The text of 49 App.:1482a(3) is omitted as executed. The reference in the source provisions to “section 416(b)(3) of the Federal Aviation Act of 1958 [49 App. U.S.C. 1336(b)(3)]” has been restated as though it were a reference to section 416(b)(4) to correct an apparent error in the Airline Deregulation Act of 1978 (Public Law 95-504, 92 Stat. 1705). Section 24 of H.R. 12611 of the 95th Congress (the derivative source for 416(b)(4)), added section 416(b)(3) to the Federal Aviation Act. Section 29(c) added provisions that eventually were classified as 49 App.:1482a. Those provisions contained a reference to section 416(b)(3). When S. 2493 (passed in lieu of the House bill after being amended to contain much of the text of the House bill) was reported by the conference committee and enacted into law, section 32 added what had been a new 416(b)(3) as a new 416(b)(4). However, the conference committee did not make a corresponding change in the cross-reference in section 37(c), that added 49 App.:1482a. See 124 Cong. Rec. 30714, 30716, 36521, 36524. The word “scheduled” is substituted for “pursuant to flight schedules” to eliminate unnecessary words. The words “the same 2 places” are substituted for “one pair of points” for consistency in the revised title and with other titles of the United States Code.

In subsection (b), the words “Except as provided in subsection (c) of this section” are added for clarity. The words “pursuant to its authority” are omitted as surplus.

In subsection (c), the word “passengers” is substituted for “persons” for consistency in the revised title and with other titles of the Code. The words “through service by the commuter air carrier over the commuter air carrier’s routes” are substituted for “transportation over its routes” for clarity. The words “between air carriers and commuter air carriers” are omitted as surplus.

§ 41506. Price division filing requirements for foreign air transportation

Every air carrier and foreign air carrier shall keep currently on file with the Secretary of Transportation, if the Secretary requires, the established divisions of all joint prices for foreign air transportation in which the carrier participates.
