(2) under regulations the Secretary prescribes authorizing air carriers to provide otherwise authorized air transportation with foreign registered aircraft under lease or charter to them without crew.

(d) PERMIT REQUIREMENTS NOT AFFECTED.—This section does not affect section 41301 or 41302 of this title. However, a foreign air carrier holding a permit under section 41302 does not need to obtain additional authorization under this section for an operation authorized by the permit.

(e) CARGO IN ALASKA.—

(1) IN GENERAL.—For the purposes of subsection (c), eligible cargo taken on or off any aircraft at a place in Alaska in the course of transportation of that cargo by any combination of 2 or more air carriers or foreign air carriers in either direction between a place in the United States and a place outside the United States shall not be deemed to have broken its international journey in, be taken on in, or be destined for Alaska.

(2) ELIGIBLE CARGO.—For purposes of paragraph (1), the term “eligible cargo” means cargo transported between Alaska and any other place in the United States on a foreign air carrier (having been transported from, or thereafter being transported to, a place outside the United States on a different air carrier or foreign air carrier) that is carried—

(A) under the code of a United States air carrier providing air transportation to Alaska;
