shall ensure that the fees are reasonably related to the Administration's costs, as determined by the Administrator, of providing the services rendered.

(2) **SERVICES FOR WHICH COSTS MAY BE RECOVERED.**—Services for which costs may be recovered under this section include the costs of air traffic control, navigation, weather services, training, and emergency services that are available to facilitate safe transportation over the United States and the costs of other services provided by the Administrator, or by programs financed by the Administrator, to flights that neither take off nor land in the United States.

(3) **LIMITATIONS ON JUDICIAL REVIEW.**—Notwithstanding section 702 of title 5 or any other provision of law, the following actions and other matters shall not be subject to judicial review:

Notwithstanding any other provision of law to the contrary, the Administrator may retain such experts under a contract awarded on a basis other than a competitive basis and without regard to any such provisions requiring competitive bidding or precluding sole source contract authority.
