Pub. L. 115-232, div. A, title XI, §1107(b)(1), (d), Aug. 13, 2018, 132 Stat. 2005, provided that, effective on the date on which the Director of the Office of Personnel Management issues final regulations for implementation, with such regulations due not later than one year after Aug. 13, 2018, this section is amended—

(1) by amending the section heading to read as follows: “§ 3319. Competitive service; selection using category rating”; and

(2) in subsection (c), by striking paragraph (6), redesignating paragraph (7) as paragraph (6), and amending paragraph (6) (as so redesignated) to read as follows:

(6) Preference eligibles.—

(A) Satisfaction of certain requirements.—Notwithstanding paragraphs (1) and (2), an appointing official may not pass over a preference eligible in the same category from which selection is made, unless the requirements of sections 3317(b) and 3318(c), as applicable, are satisfied.

(B) Further consideration not required.—When a preference eligible, for reasons considered sufficient by the Director, or in the case of a preference eligible described in section 3318(c)(1), by the head of an agency, has been passed over in accordance with section 3318(c) for the same position, the appointing authority is not required to give further consideration to that preference eligible while selecting from the same list for a subsequent appointment to such position.

(C) List of eligibles issued from a standing register; discontinuation of certification.—In the case of lists of eligibles issued from a standing register, when an appointing authority, for reasons considered sufficient by the Director or the head of an agency, has three times considered and passed over a preference eligible who was certified from a register, certification of the preference eligible for appointment may be discontinued. However, the preference eligible is entitled to advance notice of discontinuance of certification in accordance with regulations prescribed by the Director.

HISTORICAL AND REVISION NOTES

Derivation	U.S. Code	Revised Statutes and Statutes at Large
.....	5 U.S.C. 858.	June 27, 1944, ch. 287, § 9, 58 Stat. 389.
.....	5 U.S.C. 869.	June 27, 1944, ch. 287, § 20, 58 Stat. 391.

Former sections 858 and 869 are combined and restated for clarity and to conform to section 3318(a). The word “authority” is substituted for “officer” in recognition of the several appointing authorities named in section 2105(a)(1). The words “shall select for appointment to each vacancy in the expected service in the executive branch and in the government of the District of Columbia from the qualified applicants in the same manner and under the same conditions required for the competitive service by sections 3308-3318 of this title” are substituted for “In the unclassified Federal, and District of Columbia, civil service, and in all other positions and employment hereinbefore referred to in (c) of section 851 of this title . . . shall make selection from the qualified applicants in accordance with the provisions of this chapter”. The reference to the excepted service “in the executive branch” is substituted for the exception of the legislative and judicial branches in former section 869. Former section 869 did not prohibit the application of those provisions of the Act of June 27, 1944, which relate to the competitive service in the legislative or judicial branch by reason of the specific provisions of section 311 of the Act of June 10, 1921, as amended (31 U.S.C. 52); 28 U.S.C. 602; and Executive Order No. 67 of June 13, 1895. The reference to appointments of postmasters is omitted from this section since those referred to are in the competitive service. The application of former section 869 to the remainder of the Act of June 27, 1944, is covered by the sections into which the remainder is carried (see Table I).

This section merely continues, and does not in any way change, the requirements in former section 858 relative to the selection of applicants for positions in the excepted service. Under this section, the Federal Bureau of Investigation and other agencies having positions in the excepted service will continue to fill those positions in the same manner that they have been filled under former section 858. Such excepted appointments are appointments authorized to be made without regard to the statutes, rules, and regulations governing appointments in the competitive service and this is not changed.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.
