EXECUTIVE ORDER NO. 9845

Ex. Ord. No. 9845, Apr. 28, 1947, 12 F.R. 2799, which permitted Bureau of Reclamation employees to accept appointments as constables or deputy sheriffs under state or territorial laws, was revoked by Ex. Ord. No. 11408, Apr. 25, 1968, 33 F.R. 6459.

EX. ORD. NO. 12564. DRUG-FREE FEDERAL WORKPLACE

Ex. Ord. No. 12564, Sept. 15, 1986, 51 F.R. 32889, provided:

I, RONALD REAGAN, President of the United States of America, find that:

Drug use is having serious adverse effects upon a significant proportion of the national work force and results in billions of dollars of lost productivity each year;

The Federal government, as an employer, is concerned with the well-being of its employees, the successful accomplishment of agency missions, and the need to maintain employee productivity;

The Federal government, as the largest employer in the Nation, can and should show the way towards achieving drug-free workplaces through a program designed to offer drug users a helping hand and, at the same time, demonstrating to drug users and potential drug users that drugs will not be tolerated in the Federal workplace;

The profits from illegal drugs provide the single greatest source of income for organized crime, fuel violent street crime, and otherwise contribute to the breakdown of our society;

The use of illegal drugs, on or off duty, by Federal employees is inconsistent not only with the law-abiding behavior expected of all citizens, but also with the special trust placed in such employees as servants of the public;

Federal employees who use illegal drugs, on or off duty, tend to be less productive, less reliable, and prone to greater absenteeism than their fellow employees who do not use illegal drugs;

The use of illegal drugs, on or off duty, by Federal employees impairs the efficiency of Federal departments and agencies, undermines public confidence in them, and makes it more difficult for other employees who do not use illegal drugs to perform their jobs effectively. The use of illegal drugs, on or off duty, by Federal employees also can pose a serious health and safety threat to members of the public and to other Federal employees;

The use of illegal drugs, on or off duty, by Federal employees in certain positions evidences less than the complete reliability, stability, and good judgment that is consistent with access to sensitive information and creates the possibility of coercion, influence, and irresponsible action under pressure that may pose a serious risk to national security, the public safety, and the effective enforcement of the law; and

Federal employees who use illegal drugs must themselves be primarily responsible for changing their behavior and, if necessary, begin the process of rehabilitating themselves.

By the authority vested in me as President by the Constitution and laws of the United States of America, including section 3301(2) of Title 5 of the United States Code, section 7301 of Title 5 of the United States Code, section 290ee-1 of Title 42 of the United States Code, deeming such action in the best interests of national security, public health and safety, law enforcement and the efficiency of the Federal service, and in order to establish standards and procedures to ensure fairness in achieving a drug-free Federal workplace and to protect the privacy of Federal employees, it is hereby ordered as follows:

SECTION 1. Drug-Free Workplace. (a) Federal employees are required to refrain from the use of illegal drugs.

(b) The use of illegal drugs by Federal employees, whether on duty or off duty, is contrary to the efficiency of the service.

(c) Persons who use illegal drugs are not suitable for Federal employment.

SEC. 2. Agency Responsibilities. (a) The head of each Executive agency shall develop a plan for achieving the objective of a drug-free workplace with due consideration of the rights of the government, the employee, and the general public.

(b) Each agency plan shall include:

(1) A statement of policy setting forth the agency's expectations regarding drug use and the action to be anticipated in response to identified drug use;

(2) Employee Assistance Programs emphasizing high level direction, education, counseling, referral to rehabilitation, and coordination with available community resources;

(3) Supervisory training to assist in identifying and addressing illegal drug use by agency employees;

(4) Provision for self-referrals as well as supervisory referrals to treatment with maximum respect for individual confidentiality consistent with safety and security issues; and

(5) Provision for identifying illegal drug users, including testing on a controlled and carefully monitored basis in accordance with this Order.

SEC. 3. Drug Testing Programs. (a) The head of each Executive agency shall establish a program to test for the use of illegal drugs by employees in sensitive positions. The extent to which such employees are tested and the criteria for such testing shall be determined by

the head of each agency, based upon the nature of the agency's mission and its employees' duties, the efficient use of agency resources, and the danger to the public health and safety or national security that could result from the failure of an employee adequately to discharge his or her position.

(b) The head of each Executive agency shall establish a program for voluntary employee drug testing.

(c) In addition to the testing authorized in subsections (a) and (b) of this section, the head of each Executive agency is authorized to test an employee for illegal drug use under the following circumstances:

(1) When there is a reasonable suspicion that any employee uses illegal drugs;

(2) In an examination authorized by the agency regarding an accident or unsafe practice; or

(3) As part of or as a follow-up to counseling or rehabilitation for illegal drug use through an Employee Assistance Program.

(d) The head of each Executive agency is authorized to test any applicant for illegal drug use.

SEC. 4. Drug Testing Procedures. (a) Sixty days prior to the implementation of a drug testing program pursuant to this Order, agencies shall notify employees that testing for use of illegal drugs is to be conducted and that they may seek counseling and rehabilitation and inform them of the procedures for obtaining such assistance through the agency's Employee Assistance Program. Agency drug testing programs already ongoing are exempted from the 60-day notice requirement. Agencies may take action under section 3(c) of this Order without reference to the 60-day notice period.

(b) Before conducting a drug test, the agency shall inform the employee to be tested of the opportunity to submit medical documentation that may support a legitimate use for a specific drug.

(c) Drug testing programs shall contain procedures for timely submission of requests for retention of records and specimens; procedures for retesting; and procedures, consistent with applicable law, to protect the confidentiality of test results and related medical and rehabilitation records. Procedures for providing urine specimens must allow individual privacy, unless the agency has reason to believe that a particular individual may alter or substitute the specimen to be provided.

(d) The Secretary of Health and Human Services is authorized to promulgate scientific and technical guidelines for drug testing programs, and agencies shall conduct their drug testing programs in accordance with these guidelines once promulgated.

SEC. 5. Personnel Actions. (a) Agencies shall, in addition to any appropriate personnel actions, refer any employee who is found to use illegal drugs to an Employee Assistance Program for assessment, counseling, and referral for treatment or rehabilitation as appropriate.

(b) Agencies shall initiate action to discipline any employee who is found to use illegal drugs, *provided* that such action is not required for an employee who:

(1) Voluntarily identifies himself as a user of illegal drugs or who volunteers for drug testing pursuant to section 3(b) of this Order, prior to being identified through other means;

(2) Obtains counseling or rehabilitation through an Employee Assistance Program; and

(3) Thereafter refrains from using illegal drugs.

(c) Agencies shall not allow any employee to remain on duty in a sensitive position who is found to use illegal drugs, prior to successful completion of rehabilitation through an Employee Assistance Program. However, as part of a rehabilitation or counseling program, the head of an Executive agency may, in his or her discretion, allow an employee to return to duty in a sensitive position if it is determined that this action would not pose a danger to public health or safety or the national security.

(d) Agencies shall initiate action to remove from the service any employee who is found to use illegal drugs and:

(1) Refuses to obtain counseling or rehabilitation through an Employee Assistance Program; or

(2) Does not thereafter refrain from using illegal drugs.

(e) The results of a drug test and information developed by the agency in the course of the drug testing of the employee may be considered in processing any adverse action against the employee or for other administrative purposes. Preliminary test results may not be used in an administrative proceeding unless they are confirmed by a second analysis of the same sample or unless the employee confirms the accuracy of the initial test by admitting the use of illegal drugs.

(f) The determination of an agency that an employee uses illegal drugs can be made on the basis of any appropriate evidence, including direct observation, a criminal conviction, administrative inquiry, or the results of an authorized testing program. Positive drug test results may be rebutted by other evidence that an employee has not used illegal drugs.

(g) Any action to discipline an employee who is using illegal drugs (including removal from the service, if appropriate) shall be taken in compliance with otherwise applicable procedures, including the Civil Service Reform Act [Pub. L. 95-454, see Tables for classification].

(h) Drug testing shall not be conducted pursuant to this Order for the purpose of gathering evidence for use in criminal proceedings. Agencies are not required to report to the Attorney General for investigation or prosecution any information, allegation, or evidence relating to violations of Title 21 of the United States Code received as a result of the operation of drug testing programs established pursuant to this Order.

(3) Develop a model Employee Assistance Program for Federal agencies and assist the agencies in putting programs in place;

(4) In consultation with the Secretary of Health and Human Services, develop and improve training programs for Federal supervisors and managers on illegal drug use; and

(5) In cooperation with the Secretary of Health and Human Services and heads of Executive agencies, mount an intensive drug awareness campaign throughout the Federal work force.

(b) The Attorney General shall render legal advice regarding the implementation of this Order and shall be consulted with regard to all guidelines, regulations, and policies proposed to be adopted pursuant to this Order.

(c) Nothing in this Order shall be deemed to limit the authorities of the Director of Central Intelligence under the National Security Act of 1947, as amended [50 U.S.C. 3001 et seq.], or the statutory authorities of the National Security Agency or the Defense Intelligence Agency. Implementation of this Order within the Intelligence Community, as defined in Executive Order No. 12333 [50 U.S.C. 3001 note], shall be subject to the approval of the head of the affected agency.

(l) Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those—such as Federal, State, or local taxes—that are imposed by law.

(m) Employees shall adhere to all laws and regulations that provide equal opportunity for all Americans regardless of race, color, religion, sex, national origin, age, or handicap.

(n) Employees shall endeavor to avoid any actions creating the appearance that they are violating the law or the ethical standards promulgated pursuant to this order.

By the authority vested in me as President by the Constitution and the laws of the United States of America and in order to protect Federal Government employees and members of the public from exposure to tobacco smoke in the Federal workplace, it is hereby ordered as follows:

SECTION 1. *Policy.* It is the policy of the executive branch to establish a smoke-free environment for Federal employees and members of the public visiting or using Federal facilities. The smoking of tobacco products is thus prohibited in all interior space owned, rented, or leased by the executive branch of the Federal Government, and in any outdoor areas under executive branch control in front of air intake ducts.

SEC. 2. *Exceptions.* The general policy established by this order is subject to the following exceptions: (a) The order does not apply in designated smoking areas that are enclosed and exhausted directly to the outside and away from air intake ducts, and are maintained under negative pressure (with respect to surrounding spaces) sufficient to contain tobacco smoke within the designated area. Agency officials shall not require workers to enter such areas during business hours while smoking is ongoing.

(b) The order does not extend to any residential accommodation for persons voluntarily or involuntarily residing, on a temporary or long-term basis, in a building owned, leased, or rented by the Federal Government.

(c) The order does not extend to those portions of federally owned buildings leased, rented, or otherwise provided in their entirety to nonfederal parties.

(d) The order does not extend to places of employment in the private sector or in other nonfederal governmental units that serve as the permanent or intermittent duty station of one or more Federal employees.

(e) The head of any agency may establish limited and narrow exceptions that are necessary to accomplish agency missions. Such exception shall be in writing, approved by the agency head, and to the fullest extent possible provide protection of nonsmokers from exposure to environmental tobacco smoke. Authority to establish such exceptions may not be delegated.

SEC. 3. *Other Locations.* The heads of agencies shall evaluate the need to restrict smoking at doorways and in courtyards under executive branch control in order to protect workers and visitors from environmental tobacco smoke, and may restrict smoking in these areas in light of this evaluation.

This 1 year phase-in period is designed to establish a fixed but reasonable time for implementing this policy. Agency heads are directed during this period to inform all employees and visitors to executive branch facilities about the requirements of this order, inform their employees of the health risks of exposure to environmental tobacco smoke, and undertake related activities as necessary.

SEC. 7. *Consistency with Other Laws.* The provisions of this order shall be implemented consistent with applicable law, including the Federal Service Labor-Management Relations Act (5 U.S.C. 7101 *et seq.*) and the National Labor Relations Act (29 U.S.C. 151 *et seq.*) [.] Provisions of existing collective bargaining agreements shall be honored and agencies shall consult with employee labor representatives about the implementation of this order. Nothing herein shall be construed to impair or alter the powers and duties of Federal agencies established under law. SEC. 3. OPM and Agency Authority.

(a) *Adjudications for determining fitness for contractual or nonappropriated fund employment.* While the Office of Personnel Management establishes the minimum adjudicative criteria for suitability and fitness determinations for employment in the civil service pursuant to the Civil Service Rules, the heads of agencies retain the discretion to establish adjudicative criteria for determining fitness to perform work as a contractor employee or as a nonappropriated fund employee. Such discretion shall be exercised with due regard to the regulations and guidance prescribed by the Office of Personnel Management for the civil service and, for contractual work, subject to applicable regulations and directives of the Office of Management and Budget.

(b) *Investigations for determining fitness for contractual or nonappropriated fund employment.* Contractor employee fitness or nonappropriated fund employee fitness is subject to the same position designation requirements and investigative standards, policies, and procedures as fitness determinations for civil service employees, as prescribed by the Office of Personnel Management under the Civil Service Rules.

(c) *Reciprocity.* Fitness determinations and investigations for fitness determinations for contractor employees and for nonappropriated fund employees are subject to the same reciprocity requirements as those for employment in the civil service, as prescribed by the Office of Personnel Management under the Civil Service Rules.

SEC. 4. *Reinvestigation of Individuals in Positions of Public Trust.* Individuals in positions of public trust shall be subject to reinvestigation under standards (including but not limited to the frequency of such reinvestigation) as determined by the Director of the Office of Personnel Management, to ensure their suitability for continued employment.

SEC. 5. *Responsibilities.* (a) An agency shall report to the Office of Personnel Management the nature and results of the background investigation and fitness determination (or later changes to that determination) made on an individual, to the extent consistent with law.

(b) The Director of the Office of Personnel Management is delegated authority to implement this order, including the authority to issue regulations and guidance governing suitability, or guidance related to fitness, as the Director determines appropriate.

SEC. 6. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to a department or agency, or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budget, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order shall not suspend, impede, or otherwise affect Executive Order 10450 of April 27, 1953, as amended, or Executive Order 13467 of June 30, 2008;

(d) This order is intended only to improve the internal management of the executive branch and is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its agencies, instrumentalities, or entities, its officers, employees or agents, or any other person.

SEC. 7. *Effective Date and Applicability.* This order is effective upon issuance and is applicable to individuals newly appointed to excepted service positions or hired as contractor employees beginning 90 days from the effective date of this order.

EX. ORD. NO. 13989. ETHICS COMMITMENTS BY EXECUTIVE BRANCH PERSONNEL

Ex. Ord. No. 13989, Jan. 20, 2021, 86 F.R. 7029, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, including section 301 of title 3, United States Code, and sections 3301 and 7301 of title 5, United States Code, it is hereby ordered as follows:

SECTION 1. *Ethics Pledge.* Every appointee in every executive agency appointed on or after January 20, 2021, shall sign, and upon signing shall be contractually committed to, the following pledge upon becoming an appointee:

“I recognize that this pledge is part of a broader ethics in government plan designed to restore and maintain public trust in government, and I commit myself to conduct consistent with that plan. I commit to decision-making on the merits and exclusively in the public interest, without regard to private gain or personal benefit. I commit to conduct that upholds the independence of law enforcement and precludes improper interference with investigative or prosecutorial decisions of the Department of Justice. I commit to ethical choices of post-Government employment that do not raise the appearance that I have used my Government service for private gain, including by using confidential information acquired and relationships established for the benefit of future clients.

“Accordingly, as a condition, and in consideration, of my employment in the United States Government in a position invested with the public trust, I commit myself to the following obligations, which I understand are binding on me and are enforceable under law:

“1. *Lobbyist Gift Ban.* I will not accept gifts from registered lobbyists or lobbying organizations for the duration of my service as an appointee.

“2. *Revolving Door Ban—All Appointees Entering Government.* I will not for a period of 2 years from the date of my appointment participate in any particular matter involving specific parties that is directly and substantially related to my former employer or former clients, including regulations and contracts.

“3. *Revolving Door Ban—Lobbyists and Registered Agents Entering Government.* If I was registered under the Lobbying Disclosure Act, 2 U.S.C. 1601 et seq., or the Foreign Agents Registration Act (FARA), 22 U.S.C. 611 et seq., within the 2 years before the date of my appointment, in addition to abiding by the limitations of paragraph 2, I will not for a period of 2 years after the date of my appointment:

(a) participate in any particular matter on which I lobbied, or engaged in registrable activity under FARA, within the 2 years before the date of my appointment;

(b) participate in the specific issue area in which that particular matter falls; or

(c) seek or accept employment with any executive agency with respect to which I lobbied, or engaged in registrable activity under FARA, within the 2 years before the date of my appointment.

“4. *Revolving Door Ban—Appointees Leaving Government.* If, upon my departure from the Government, I am covered by the post-employment restrictions on communicating with employees of my former executive agency set forth in section 207(c) of title 18, United States Code, and its implementing regulations, I agree that I will abide by those restrictions for a period of 2 years following the end of my appointment. I will abide by these same restrictions with respect to communicating with the senior White House staff.

“5. *Revolving Door Ban—Senior and Very Senior Appointees Leaving Government.* If, upon my departure from the Government, I am covered by the post-employment restrictions set forth in sections 207(c) or 207(d) of title 18, United States Code, and those sections’ implementing regulations, I agree that, in addition, for a period of 1 year following the end of my appointment, I will not materially assist others in making communications or appearances that I am prohibited from undertaking myself by (a) holding myself out as being available to engage in lobbying activities in support of any such communications or appearances; or (b) engaging in any such lobbying activities.

“6. *Revolving Door Ban—Appointees Leaving Government to Lobby.* In addition to abiding by the limitations of paragraph 4, I also agree, upon leaving Government service, not to lobby any covered executive branch official or non-career Senior Executive Service appointee, or engage in any activity on behalf of any foreign government or foreign political party which, were it undertaken on January 20, 2021, would require that I register under FARA, for the remainder of the Administration or 2 years following the end of my appointment, whichever is later.

“7. *Golden Parachute Ban.* I have not accepted and will not accept, including after entering Government, any salary or other cash payment from my former employer the eligibility for and payment of which is limited to individuals accepting a position in the United States Government. I also have not accepted and will not accept any non-cash benefit from my former employer that is provided in lieu of such a prohibited cash payment.

“8. *Employment Qualification Commitment.* I agree that any hiring or other employment decisions I make will be based on the candidate’s qualifications, competence, and experience.

“9. *Assent to Enforcement.* I acknowledge that the Executive Order entitled ‘Ethics Commitments by Executive Branch Personnel,’ issued by the President on January 20, 2021, which I have read before signing this document, defines certain of the terms applicable to the foregoing obligations and sets forth the methods for enforcing them. I expressly accept the provisions of that Executive Order as a part of this agreement and as binding on me. I understand that the terms of this pledge are in addition to any statutory or other legal restrictions applicable to me by virtue of Federal Government service.”

SEC. 3. *Waiver.* (a) The Director of the Office of Management and Budget (OMB), in consultation with the Counsel to the President, may grant to any current or former appointee a written waiver of any restrictions contained in the pledge signed by such appointee if, and to the extent that, the Director of OMB certifies in writing:

(i) that the literal application of the restriction is inconsistent with the purposes of the restriction; or

(ii) that it is in the public interest to grant the waiver. Any such written waiver should reflect the basis for the waiver and, in the case of a waiver of the restrictions set forth in paragraphs 3(b) and (c) of the pledge, a discussion of the findings with respect to the factors set forth in subsection (b) of this section.

(b) A waiver shall take effect when the certification is signed by the Director of OMB and shall be made public within 10 days thereafter.

(c) The public interest shall include, but not be limited to, exigent circumstances relating to national security, the economy, public health, or the environment. In determining whether it is in the public interest to grant a waiver of the restrictions contained in paragraphs 3(b) and (c) of the pledge, the responsible official may consider the following factors:

(i) the government's need for the individual's services, including the existence of special circumstances related to national security, the economy, public health, or the environment;

(ii) the uniqueness of the individual's qualifications to meet the government's needs;

(iii) the scope and nature of the individual's prior lobbying activities, including whether such activities were de minimis or rendered on behalf of a nonprofit organization; and

(iv) the extent to which the purposes of the restriction may be satisfied through other limitations on the individual's services, such as those required by paragraph 3(a) of the pledge.

SEC. 4. *Administration.* (a) The head of every executive agency shall, in consultation with the Director of the Office of Government Ethics, establish such rules or procedures (conforming as nearly as practicable to the agency's general ethics rules and procedures, including those relating to designated agency ethics officers) as are necessary or appropriate to ensure:

(i) that every appointee in the agency signs the pledge upon assuming the appointed office or otherwise becoming an appointee;

(ii) that compliance with paragraph 3 of the pledge is addressed in a written ethics agreement with each appointee to whom it applies, which agreement shall also be approved by the Counsel to the President prior to the appointee commencing work;

(iii) that spousal employment issues and other conflicts not expressly addressed by the pledge are addressed in ethics agreements with appointees or, where no such agreements are required, through ethics counseling; and

(iv) that the agency generally complies with this order.

(b) With respect to the Executive Office of the President, the duties set forth in section 4(a) of this order shall be the responsibility of the Counsel to the President.

(c) The Director of the Office of Government Ethics shall:

(i) ensure that the pledge and a copy of this order are made available for use by agencies in fulfilling their duties under section 4(a) of this order;

(ii) in consultation with the Attorney General or the Counsel to the President, when appropriate, assist designated agency ethics officers in providing advice to current or former appointees regarding the application of the pledge; and

(iii) in consultation with the Attorney General and the Counsel to the President, adopt such rules or procedures as are necessary or appropriate:

(B) to authorize limited exceptions to the lobbyist gift ban for circumstances that do not implicate the purposes of the ban;

(C) to make clear that no person shall have violated the lobbyist gift ban if the person properly disposes of a gift as provided by section 2635.206 of title 5, Code of Federal Regulations;

(D) to ensure that existing rules and procedures for Government employees engaged in negotiations for future employment with private businesses that are affected by the employees' official actions do not affect the integrity of the Government's programs and operations;

(E) to ensure, in consultation with the Director of the Office of Personnel Management, that the requirement set forth in paragraph 6 of the pledge is honored by every employee of the executive branch;

(iv) in consultation with the Director of OMB, report to the President on whether full compliance is being achieved with existing laws and regulations governing executive branch procurement lobbying disclosure. This report shall include recommendations on steps the executive branch can take to expand, to the fullest extent practicable, disclosure of both executive branch procurement lobbying and of lobbying for Presidential pardons. These recommendations shall include both immediate actions the executive branch can take and, if necessary, recommendations for legislation; and

(v) provide an annual public report on the administration of the pledge and this order.

(d) The Director of the Office of Government Ethics shall, in consultation with the Attorney General, the Counsel to the President, and the Director of the Office of Personnel Management, report to the President on steps the executive branch can take to expand to the fullest extent practicable the revolving door ban set forth in paragraph 5 of the pledge to all executive branch employees who are involved in the procurement process such that they may not for 2 years after leaving Government service lobby any Government official regarding a Government contract that was under their official responsibility in the last 2 years of their Government service. This report shall include both immediate actions the executive branch can take and, if necessary, recommendations for legislation.

(e) All pledges signed by appointees, and all waiver certifications with respect thereto, shall be filed with the head of the appointee's agency for permanent retention in the appointee's official personnel folder or equivalent folder.

SEC. 5. *Enforcement.* (a) The contractual, fiduciary, and ethical commitments in the pledge provided for herein are solely enforceable by the United States pursuant to this section by any legally available means, including debarment proceedings within any affected executive agency or judicial civil proceedings for declaratory, injunctive, or monetary relief.

(b) Any former appointee who is determined, after notice and hearing, by the duly designated authority within any agency, to have violated his or her pledge may be barred from lobbying any officer or employee of that agency for up to 5 years in addition to the time period covered by the pledge. The head of every executive agency shall, in consultation with the Director of the Office of Government Ethics, establish procedures to implement this subsection, which procedures shall include (but not be limited to) providing for fact-finding and investigation of possible violations of this order and for referrals to the Attorney General for consideration pursuant to subsection (c) of this order.

(c) The Attorney General is authorized:

(i) upon receiving information regarding the possible breach of any commitment in a signed pledge, to request any appropriate Federal investigative authority to conduct such investigations as may be appropriate; and

(ii) upon determining that there is a reasonable basis to believe that a breach of a commitment has occurred or will occur or continue, if not enjoined, to commence

a civil action against the former employee in any United States District Court with jurisdiction to consider the matter.

(d) In any such civil action, the Attorney General is authorized to request any and all relief authorized by law, including but not limited to:

(i) such temporary restraining orders and preliminary and permanent injunctions as may be appropriate to restrain future, recurring, or continuing conduct by the former employee in breach of the commitments in the pledge he or she signed; and

(ii) establishment of a constructive trust for the benefit of the United States, requiring an accounting and payment to the United States Treasury of all money and other things of value received by, or payable to, the former employee arising out of any breach or attempted breach of the pledge signed by the former employee.

SEC. 6. *General Provisions.* (a) If any provision of this order or the application of such provision is held to be invalid, the remainder of this order and other dissimilar applications of such provision shall not be affected.

(b) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

EX. ORD. NO. 14043. REQUIRING CORONAVIRUS DISEASE 2019 VACCINATION FOR FEDERAL EMPLOYEES

Ex. Ord. No. 14043, Sept. 9, 2021, 86 F.R. 50989, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including sections 3301, 3302, and 7301 of title 5, United States Code, it is hereby ordered as follows:

SECTION 1. *Policy.* It is the policy of my Administration to halt the spread of coronavirus disease 2019 (COVID-19), including the B.1.617.2 (Delta) variant, by relying on the best available data and science-based public health measures. The Delta variant, currently the predominant variant of the virus in the United States, is highly contagious and has led to a rapid rise in cases and hospitalizations. The nationwide public health emergency, first declared by the Secretary of Health and Human Services on January 31, 2020, remains in effect, as does the National Emergency Concerning the Coronavirus Disease 2019 (COVID-19) declared pursuant to the National Emergencies Act in Proclamation 9994 of March 13, 2020 (Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak) [50 U.S.C. 1621 note]. The Centers for Disease Control and Prevention (CDC) within the Department of Health and Human Services has determined that the best way to slow the spread of COVID-19 and to prevent infection by the Delta variant or other variants is to be vaccinated.

COVID-19 vaccines are widely available in the United States. They protect people from getting infected and severely ill, and they significantly reduce the likelihood of hospitalization and death. As of the date of this order [Sept. 9, 2021], one of the COVID-19 vaccines, the Pfizer-BioNTech COVID-19 Vaccine, also known as Comirnaty, has received approval from the Food and Drug Administration (FDA), and two others, the Moderna COVID-19 Vaccine and the Janssen COVID-19 Vaccine, have been authorized by the FDA for emergency use. The FDA has determined that all three vaccines meet its rigorous standards for safety, effectiveness, and manufacturing quality.

The health and safety of the Federal workforce, and the health and safety of members of the public with whom they interact, are foundational to the efficiency of the civil service. I have determined that ensuring the health and safety of the Federal workforce and the efficiency of the civil service requires immediate action to protect the Federal workforce and individuals interacting with the Federal workforce. It is essential that Federal employees take all available steps to protect themselves and avoid spreading COVID-19 to their coworkers and members of the public. The CDC has found that the best way to do so is to be vaccinated.

The Safer Federal Workforce Task Force (Task Force), established by Executive Order 13991 of January 20, 2021 (Protecting the Federal Workforce and Requiring Mask-Wearing) [42 U.S.C. 247d note], has issued important guidance to protect the Federal workforce and individuals interacting with the Federal workforce. Agencies have also taken important actions, including in some cases requiring COVID-19 vaccination for members of their workforce.

Accordingly, building on these actions, and in light of the public health guidance regarding the most effective and necessary defenses against COVID-19, I have determined that to promote the health and safety of the Federal workforce and the efficiency of the civil service, it is necessary to require COVID-19 vaccination for all Federal employees, subject to such exceptions as required by law.

SEC. 2. *Mandatory Coronavirus Disease 2019 Vaccination for Federal Employees.* Each agency shall implement, to the extent consistent with applicable law, a program to require COVID-19 vaccination for all of its Federal employees, with exceptions only as required by law. The Task Force shall issue guidance within 7 days of the date of this order on agency implementation of this requirement for all agencies covered by this order.

SEC. 3. *Definitions.* For the purposes of this order:

(a) The term “agency” means an Executive agency as defined in 5 U.S.C. 105 (excluding the Government Accountability Office).

(b) The term “employee” means an employee as defined in 5 U.S.C. 2105 (including an employee paid from nonappropriated funds as referenced in 5 U.S.C. 2105(c)).

SEC. 4. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) If any provision of this order, or the application of any provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of any of its other provisions to any other persons or circumstances shall not be affected thereby.

ESTABLISHING POLICIES FOR ADDRESSING DOMESTIC
VIOLENCE IN THE FEDERAL WORKFORCE

Memorandum of President of the United States, Apr. 18, 2012, 77 F.R. 24339, provided:

Memorandum for the Heads of Executive Departments and Agencies

Despite the considerable progress made since the initial passage of the Violence Against Women Act in 1994 ([title IV of] Public Law 103-322), domestic violence remains a significant problem facing individuals, families, and communities. Domestic violence causes two million injuries each year, and an average of three women in the United States die each day as a result of domestic violence. While a disproportionate number of victims are women, domestic violence can affect anyone.

The effects of domestic violence spill over into the workplace. The Centers for Disease Control and Prevention estimate that domestic violence costs our Nation \$8 billion a year in lost productivity and health care costs alone, and other studies have suggested that the full economic impact is even higher. Moreover, many victims of domestic violence report being harassed in the workplace or experiencing other employment-related effects.

As the Nation's largest employer, the Federal Government should act as a model in responding to the effects of domestic violence on its workforce. Executive departments and agencies (agencies) have taken steps to address this issue, including by enhancing the quality and effectiveness of security in Federal facilities and by linking victims of domestic violence with Employee Assistance Programs. By building on these important efforts and existing policies, the Federal Government can further address the effects of domestic violence on its workforce.

It is the policy of the Federal Government to promote the health and safety of its employees by acting to prevent domestic violence within the workplace and by providing support and assistance to Federal employees whose working lives are affected by such violence. Therefore, by the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby direct the following:

SECTION 1. *Government-wide Guidance to Address the Effects of Domestic Violence on the Federal Workforce.* Within 240 days of the date of this memorandum, the Director of the Office of Personnel Management (OPM) shall, in consultation with the Attorney General, the Secretary of Health and Human Services, the Secretary of Labor, the Secretary of Homeland Security, and other interested heads of agencies:

(a) issue guidance to agencies on the content of agency-specific policies, as required by section 2 of this memorandum, to prevent domestic violence and address its effects on the Federal workforce. The guidance shall include recommended steps agencies can take as employers for early intervention in and prevention of domestic violence committed against or by employees, guidelines for assisting employee victims,

leave policies relating to domestic violence situations, general guidelines on when it may be appropriate to take disciplinary action against employees who commit or threaten acts of domestic violence, measures to improve workplace safety related to domestic violence, and resources for identifying relevant best practices related to domestic violence;

(b) establish a process for providing technical assistance to agencies in developing agency-specific policies, consistent with the guidance created pursuant to subsection (a) of this section, that meet the needs of their workforce; and

(c) consider whether issuing further guidance is warranted with respect to sexual assault and stalking and, if so, issue such guidance.

SEC. 2. *Agency-Specific Actions and Policies.* (a) Within 90 days from the date of this memorandum, each agency shall make available to the Director of OPM any existing agency-specific policies and practices for addressing the effects of domestic violence on its workforce.

(b) Within 120 days from the issuance of the guidance created pursuant to section 1 of this memorandum, each agency shall develop or modify, as appropriate, agency-specific policies for addressing the effects of domestic violence on its workforce, consistent with OPM guidance. Each agency shall submit for review and comment to the Director of OPM, a draft new or modified agency-specific policy. In reviewing the draft agency-specific policies, the Director of OPM shall consult with the Attorney General, the Secretary of Health and Human Services, the Secretary of Labor, the Secretary of Homeland Security, and other interested agency heads. Each agency shall issue a final agency-specific policy within 180 days after submission of its draft policy to the Director of OPM.

SEC. 3. *General Provisions.* (a) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This memorandum shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of OPM is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

§ 7302. Post-employment notification
