1967 ACT

This section amends 5 U.S.C. 8502 to eliminate certain provisions that are now obsolete. The obsolete provisions were based on section 542(b)(1)(A) of the act of September 13, 1960, 74 Stat. 985, that amended section 1502(b) of the Social Security Act effective January 1, 1961, but only in the case of weeks of unemployment beginning before January 1, 1966. Any existing rights are preserved by section 7 of this bill.

§ 8503. Compensation absent State agreement

(a) In the case of a Federal employee whose Federal service and Federal wages are assigned under section 8504 of this title to a State which does not have an agreement with the Secretary of Labor, the Secretary, under regulations prescribed by him, shall, on the filing by the Federal employee of a claim for compensation under this subsection, pay compensation to him in the same amount, on the same terms, and subject to the same conditions as would be paid to him under the unemployment compensation law of the State if his Federal service and Federal wages had been included as employment and wages under that State law. However, if the Federal employee, without regard to his Federal service and Federal wages, has employment or wages sufficient to qualify for compensation during the benefit year under that State law, then payments of compensation under this subsection may be made only on the basis of his Federal service and Federal wages.

(b) A Federal employee whose claim for compensation under subsection (a) of this section is denied is entitled to a fair hearing under regulations prescribed by the Secretary. A final determination by the Secretary with respect to entitlement to compensation under this section is subject to review by the courts in the same manner and to the same extent as is provided by section 405(g) of title 42.
