

PART C—WORKER SAFETY

§ 2731. Worker protection at nuclear weapons facilities**(a) Training grant program**

(1) The Secretary of Energy is authorized to award grants to organizations referred to in paragraph (2) in order for such organizations—

(A) to provide training and education to persons who are or may be engaged in hazardous substance response or emergency response at Department of Energy nuclear weapons facilities; and

(B) to develop curricula for such training and education.

(2)(A) Subject to subparagraph (B), the Secretary is authorized to award grants under paragraph (1) to non-profit organizations that have demonstrated (as determined by the Secretary) capabilities in—

(i) implementing and conducting effective training and education programs relating to the general health and safety of workers; and

(ii) identifying, and involving in training, groups of workers whose duties include hazardous substance response or emergency response.

(B) The Secretary shall give preference in the award of grants under this section to employee organizations and joint labor-management training programs that are grant recipients under section 9660a of title 42.

(3) An organization awarded a grant under paragraph (1) shall carry out training, education, or curricula development pursuant to Department of Energy orders relating to employee safety training, including orders numbered 5480.4 and 5480.11.

(b) Enforcement of employee safety standards

(1) Subject to paragraph (2), the Secretary shall assess civil penalties against any contractor of the Department of Energy who (as determined by the Secretary)—

(A) employs individuals who are engaged in hazardous substance response or emergency response at Department of Energy nuclear weapons facilities; and

(B) fails (i) to provide for the training of such individuals to carry out such hazardous substance response or emergency response, or (ii) to certify to the Department of Energy that such employees are adequately trained for such response pursuant to orders issued by the Department of Energy relating to employee safety training (including orders numbered 5480.4 and 5480.11).

(2) Civil penalties assessed under this subsection may not exceed \$5,000 for each day in which a failure referred to in paragraph (1)(B) occurs.

(c) Regulations

The Secretary shall prescribe regulations to carry out this section.

(d) Definitions

For the purposes of this section, the term “hazardous substance” includes radioactive waste and mixed radioactive and hazardous waste.

§ 2732. Safety oversight and enforcement at defense nuclear facilities

The Secretary of Energy shall take appropriate actions to ensure that—

(1) officials of the Department of Energy who are responsible for independent oversight of matters relating to nuclear safety at defense nuclear facilities and enforcement of nuclear safety standards at such facilities maintain independence from officials who are engaged in, or who are advising persons who are engaged in, management of such facilities;

(2) the independent, internal oversight functions carried out by the Department include activities relating to—

(A) the assessment of the safety of defense nuclear facilities;

(B) the assessment of the effectiveness of Department program offices in carrying out programs relating to the environment, safety, health, and security at defense nuclear facilities;

(C) the provision to the Secretary of oversight reports that—

(i) contain validated technical information; and

(ii) provide a clear analysis of the extent to which line programs governing defense nuclear facilities meet applicable goals for the environment, safety, health, and security at such facilities; and

(D) the development of clear performance standards to be used in assessing the adequacy of the programs referred to in subparagraph (C)(ii);

(3) the Department has a system for bringing issues relating to nuclear safety at defense nuclear facilities to the attention of the officials of the Department (including the Secretary of Energy) who have authority to resolve such issues in an adequate and timely manner; and

(4) an adequate number of qualified personnel of the Department are assigned to over-
