

§ 3044. Software licensing

(a) Requirement for inventories of software licenses

The chief information officer of each element of the intelligence community, in consultation with the Chief Information Officer of the Intelligence Community, shall biennially—

(1) conduct an inventory of all existing software licenses of such element, including utilized and unutilized licenses;

(2) assess the actions that could be carried out by such element to achieve the greatest possible economies of scale and associated cost savings in software procurement and usage, including—

(A) increasing the centralization of the management of software licenses;

(B) increasing the regular tracking and maintaining of comprehensive inventories of software licenses using automated discovery and inventory tools and metrics;

(C) analyzing software license data to inform investment decisions; and

(D) providing appropriate personnel with sufficient software licenses management training; and

(3) submit to the Chief Information Officer of the Intelligence Community each inventory required by paragraph (1) and each assessment required by paragraph (2).

(b) Inventories by the Chief Information Officer of the Intelligence Community

The Chief Information Officer of the Intelligence Community, based on the inventories and assessments required by subsection (a), shall biennially—

(1) compile an inventory of all existing software licenses of the intelligence community, including utilized and unutilized licenses;

(2) assess the actions that could be carried out by the intelligence community to achieve the greatest possible economies of scale and associated cost savings in software procurement and usage, including—

(A) increasing the centralization of the management of software licenses;

(B) increasing the regular tracking and maintaining of comprehensive inventories of software licenses using automated discovery and inventory tools and metrics;

(C) analyzing software license data to inform investment decisions; and

(D) providing appropriate personnel with sufficient software licenses management training; and

(3) based on the assessment required under paragraph (2), make such recommendations with respect to software procurement and usage to the Director of National Intelligence as the Chief Information Officer considers appropriate.

(c) Reports to Congress

The Chief Information Officer of the Intelligence Community shall submit to the congressional intelligence committees a copy of each inventory compiled under subsection (b)(1).

(d) Implementation of recommendations

Not later than 180 days after the date on which the Director of National Intelligence receives

recommendations from the Chief Information Officer of the Intelligence Community in accordance with subsection (b)(3), the Director of National Intelligence shall, to the extent practicable, issue guidelines for the intelligence community on software procurement and usage based on such recommendations.

RESEARCH PARTNERSHIP ON ACTIVITIES OF PEOPLE'S REPUBLIC OF CHINA

Pub. L. 116-260, div. W, title VI, § 612, Dec. 27, 2020, 134 Stat. 2395, provided that:

“(a) RESEARCH PARTNERSHIP.—

“(1) REQUIREMENT.—Not later than 180 days after the date of the enactment of this Act [Dec. 27, 2020], the Director of the National Geospatial-Intelligence Agency shall seek to enter into a partnership with an academic or non-profit research institution to—

“(A) carry out joint unclassified geospatial intelligence analyses of the activities of the People's Republic of China that pose risks to the national security interests of the United States; and

“(B) make available on a publicly available internet website unclassified geospatial intelligence products relating to such analyses.

“(2) ELEMENTS.—The Director shall ensure that the activities of China analyzed under paragraph (1)(A) include the following:

“(A) Any notable developments relating to the global activities of the People's Liberation Army Ground Force, the People's Liberation Army Navy, the People's Liberation Army Air Force, the People's Liberation Army Rocket Force, the People's Liberation Army Strategic Support Force, and the Chinese People's Armed Police Force Coast Guard Corps.

“(B) Infrastructure projects associated with the ‘One Belt, One Road’ Initiative.

“(C) Maritime land reclamation activities conducted by China in the South China Sea, the Indian Ocean region, and the broader maritime commons.

“(D) Matters relevant to global public health and climate security, including—

“(i) indications and warnings of disease outbreaks with pandemic potential;

“(ii) the activities of China likely contributing to climate change; and

“(iii) any environmental degradation directly resulting from the practices of China.

“(3) CONSORTIUM.—In carrying out paragraph (1), the Director may enter into a partnership with—

“(A) one research institution; or

“(B) a consortium of research institutions if the Director determines that the inclusion of multiple institutions will result in more effective research conducted pursuant to this section or improve the outcomes of such research.

“(4) DURATION.—The Director shall carry out a partnership under this section for a period that is not less than 10 years following the date of the enactment of this Act.

“(5) IMPROVEMENTS TO PARTNERSHIP.—The Director may modify the partnership under paragraph (1) or select a new research institution with which to enter into such a partnership if—

“(A) the Director consults with the congressional intelligence committees with respect to the proposed modified or new partnership;

“(B) the modified or new partnership is carried out in accordance with this section; and

“(C) the Director determines that the modified or new partnership will result in more effective research conducted pursuant to this section or improve the outcomes of such research.

“(b) OPEN-SOURCE DATA.—

“(1) IDENTIFICATION AND PUBLICATION.—During the life of the partnership under subsection (a), the Director shall regularly—

“(A) identify raw, unclassified geospatial data that could improve the research conducted under the partnership if the data was made publicly available; and

“(B) make such data publicly available.

“(2) CONSULTATION.—The Director shall carry out paragraph (1) in consultation with the research institution or consortium of research institutions involved with the partnership under subsection (a).

“(c) BRIEFINGS.—Not later than 270 days after the date of the enactment of this Act, and annually thereafter during the life of the partnership under subsection (a), the Director shall provide to the appropriate congressional committees a briefing on the partnership. Each such briefing shall include the following:

“(1) The outcomes of research conducted under the partnership.

“(2) Identification of the actions that have been taken to increase the quantity and quality of unclassified geospatial analysis products made publicly available under the partnership, including the quantity and types of raw data the partnership has made publicly available.

“(3) Identification of actual and projected costs to carry out the partnership.

“(d) APPROPRIATE CONGRESSIONAL COMMITTEES DEFINED.—In this section, the term ‘appropriate congressional committees’ means—

“(1) the congressional intelligence committees [Select Committee on Intelligence and Committee on Appropriations of the Senate and Permanent Select Committee on Intelligence and Committee on Appropriations of the House of Representatives];

“(2) Committee on Foreign Relations and the Subcommittee on Defense of the Committee on Appropriations of the Senate; and

“(3) Committee on Foreign Affairs and the Subcommittee on Defense of the Committee on Appropriations of the House of Representatives.”
