§ 100502. General management plans

General management plans for the preservation and use of each System unit, including areas within the national capital area, shall be prepared and revised in a timely manner by the Director. On January 1 of each year, the Secretary shall submit to Congress a list indicating the current status of completion or revision of general management plans for each System unit. General management plans for each System unit shall include—

- (1) measures for the preservation of the area’s resources;
- (2) indications of types and general intensities of development (including visitor circulation and transportation patterns, systems, and modes) associated with public enjoyment and use of the area, including general locations, timing of implementation, and anticipated costs;
- (3) identification of and implementation commitments for visitor carrying capacities for all areas of the System unit; and
- (4) indications of potential modifications to the external boundaries of the System unit, and the reasons for the modifications.

§ 100503. Five-year strategic plans

(a) STRATEGIC AND PERFORMANCE PLANS.—Each System unit shall prepare and make available to the public a 5-year strategic plan and an annual performance plan. The plans shall reflect the Service policies, goals, and outcomes represented in the Service-wide strategic plan prepared pursuant to section 306 of title 5.

(b) ANNUAL BUDGET.—

(1) IN GENERAL.—As a part of the annual performance plan for a System unit prepared pursuant to subsection (a), following receipt of the appropriation for the unit from the Operations of the National Park System account (but not later than January 1 of each year), the superintendent of the System unit shall develop and make available to the public the budget for the current fiscal year for that System unit.

(2) CONTENTS.—The budget shall include—

- (A) funding allocations for resource preservation (including resource management), visitor services (including maintenance, interpretation, law enforcement, and search and rescue), and administration; and
- (B) allocations into each of the categories in subparagraph (A) of all funds retained from fees collected for that year, including special use permits, concession franchise fees, and recreation use and entrance fees.

§ 100504. Study and planning of park, parkway, and recreational-area facilities

(a) IN GENERAL.—

(1) DEFINITION.—In this subsection, the term “State” means a State, the District of Columbia, Puerto Rico, Guam, and the Virgin Islands.

(2) STUDY.—The Secretary shall cause the Service to make a comprehensive study, other than on land under the jurisdiction of the Secretary of Agriculture, of the public park, parkway, and recreational area programs of the United States, States, and political subdivisions of States and of areas of land throughout the United States that are or may be chiefly valuable as public park, parkway, or recreational areas. A study shall not be made in any State without the consent and approval of the State officials, boards, or departments having jurisdiction over the land. The study shall be such as, in the judgment of the Secretary, will provide data helpful in developing a plan for coordinated and adequate public park, parkway, and recreational-area facilities for the people of the United States.

(3) COOPERATION AND AGREEMENTS WITH OTHER ENTITIES.—In making the study and to accomplish the purposes of this section, the Secretary, acting through the Director—

(A) shall seek and accept the cooperation and assistance of Federal departments or agencies having jurisdiction of land belonging to the United States; and

(B) may cooperate and make agreements with and seek and accept the assistance of—

- (i) other Federal agencies and instrumentalities; and
- (ii) States, political subdivisions of States, and agencies and instrumentalities of either of them.

(4) STATE PLANNING.—For the purpose of developing coordinated and adequate public park, parkway, and recreational-area facilities for the people of the United States, the Secretary may aid States and political subdivisions of States in planning public park, parkway, and recreational areas and in cooperating with one another to accomplish these ends. Aid shall be made available through the Service acting in cooperation with such State
