

grated standard operating procedures for a unified Federal approach for identifying and responding to risks in chemical facilities (including during pre-inspection, inspection execution, post-inspection, and post-accident investigation activities), incident reporting and response procedures, enforcement, and collection, storage, and use of facility information. This effort shall reflect best practices and shall include agency-to-agency referrals and joint inspection procedures where possible and appropriate, as well as consultation with the Federal Emergency Management Agency on post-accident response activities.

(c) Within 90 days of the date of this order, the Working Group shall consult with the Chemical Safety Board (CSB) and determine what, if any, changes are required to existing memorandums of understanding (MOUs) and processes between EPA and CSB, ATF and CSB, and the Occupational Safety and Health Administration and CSB for timely and full disclosure of information. To the extent appropriate, the Working Group may develop a single model MOU with CSB in lieu of existing agreements.

SEC. 5. *Enhanced Information Collection and Sharing.* In order to enhance information collection by and sharing across agencies to support more informed decision-making, streamline reporting requirements, and reduce duplicative efforts:

(a) Within 90 days of the date of this order, the Working Group shall develop an analysis, including recommendations, on the potential to improve information collection by and sharing between agencies to help identify chemical facilities which may not have provided all required information or may be non-compliant with Federal requirements to ensure chemical facility safety. This analysis should consider ongoing data-sharing efforts, other federally collected information, and chemical facility reporting among agencies (including information shared with State, local, and tribal governments).

(b) Within 180 days of the date of this order, the Working Group shall produce a proposal for a coordinated, flexible data-sharing process which can be utilized to track data submitted to agencies for federally regulated chemical facilities, including locations, chemicals, regulated entities, previous infractions, and other relevant information. The proposal shall allow for the sharing of information with and by State, local, and tribal entities where possible, consistent with section 3 of this order, and shall address computer-based and non-computer-based means for improving the process in the short-term, if they exist.

(c) Within 180 days of the date of this order, the Working Group shall identify and recommend possible changes to streamline and otherwise improve data collection to meet the needs of the public and Federal, State, local, and tribal agencies (including those charged with protecting workers and the public), consistent with the Paperwork Reduction Act and other relevant authorities, including opportunities to lessen the reporting burden on regulated industries. To the extent feasible, efforts shall minimize the duplicative collection of information while ensuring that pertinent information is shared with all key entities.

SEC. 6. *Policy, Regulation, and Standards Modernization.* (a) In order to enhance safety and security in chemical facilities by modernizing key policies, regulations, and standards, the Working Group shall:

(i) within 90 days of the date of this order, develop options for improved chemical facility safety and security that identifies improvements to existing risk management practices through agency programs, private sector initiatives, Government guidance, outreach, standards, and regulations;

(ii) within 90 days of developing the options described in subsection (a)(i) of this section, engage key stakeholders to discuss the options and other means to improve chemical risk management that may be available; and

(iii) within 90 days of completing the outreach and consultation effort described in subsection (a)(ii) of

this section, develop a plan for implementing practical and effective improvements to chemical risk management identified pursuant to subsections (a)(i) and (ii) of this section.

(b) Within 90 days of the date of this order, the Secretary of Homeland Security, the Secretary of Labor, and the Secretary of Agriculture shall develop a list of potential regulatory and legislative proposals to improve the safe and secure storage, handling, and sale of ammonium nitrate and identify ways in which ammonium nitrate safety and security can be enhanced under existing authorities.

(c) Within 90 days of the date of this order, the Administrator of EPA and the Secretary of Labor shall review the chemical hazards covered by the Risk Management Program (RMP) and the Process Safety Management Standard (PSM) and determine if the RMP or PSM can and should be expanded to address additional regulated substances and types of hazards. In addition, the EPA and the Department of Labor shall develop a plan, including a timeline and resource requirements, to expand, implement, and enforce the RMP and PSM in a manner that addresses the additional regulated substances and types of hazards.

(d) Within 90 days of the date of this order, the Secretary of Homeland Security shall identify a list of chemicals, including poisons and reactive substances, that should be considered for addition to the CFATS Chemicals of Interest list.

(e) Within 90 days of the date of this order, the Secretary of Labor shall:

(i) identify any changes that need to be made in the retail and commercial grade exemptions in the PSM Standard; and

(ii) issue a Request for Information designed to identify issues related to modernization of the PSM Standard and related standards necessary to meet the goal of preventing major chemical accidents.

SEC. 7. *Identification of Best Practices.* The Working Group shall convene stakeholders, including chemical producers, chemical storage companies, agricultural supply companies, State and local regulators, chemical critical infrastructure owners and operators, first responders, labor organizations representing affected workers, environmental and community groups, and consensus standards organizations, in order to identify and share successes to date and best practices to reduce safety risks and security risks in the production and storage of potentially harmful chemicals, including through the use of safer alternatives, adoption of best practices, and potential public-private partnerships.

SEC. 8. *General Provisions.* (a) This order shall be implemented consistent with applicable law, including international trade obligations, and subject to the availability of appropriations.

(b) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to a department, agency, or the head thereof; or

(ii) the functions of the Director of OMB relating to budgetary, administrative, or legislative proposals.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

This subchapter, referred to in text, was in the original “this title”, meaning title IX of Pub. L. 114–22, which is classified principally to this subchapter. For complete classification of title IX to the Code, see Tables.

Paragraphs (9) and (10) of section 7102 of title 22, referred to in par. (2), were redesignated pars. (11) and (12), respectively, of section 7102 of title 22 by Pub. L. 115–427, §2(1), Jan. 9, 2019, 132 Stat. 5503.

CODIFICATION

Section was enacted as part of the Justice for Victims of Trafficking Act of 2015, and not as part of the Homeland Security Act of 2002 which comprises this chapter.

§ 642. Training for Department personnel to identify human trafficking**(a) In general**

Not later than 180 days after May 29, 2015, the Secretary shall implement a program to—

(1) train and periodically retrain relevant Transportation Security Administration, U.S. Customs and Border Protection, and other Department personnel that the Secretary considers appropriate, with respect to how to effectively deter, detect, and disrupt human trafficking, and, where appropriate, interdict a suspected perpetrator of human trafficking, during the course of their primary roles and responsibilities; and

(2) ensure that the personnel referred to in paragraph (1) regularly receive current information on matters related to the detection of human trafficking, including information that becomes available outside of the Department’s initial or periodic retraining schedule, to the extent relevant to their official duties and consistent with applicable information and privacy laws.

(b) Training described

The training referred to in subsection (a) may be conducted through in-class or virtual learning capabilities, and shall include—

(1) methods for identifying suspected victims of human trafficking and, where appropriate, perpetrators of human trafficking;

(2) for appropriate personnel, methods to approach a suspected victim of human trafficking, where appropriate, in a manner that is sensitive to the suspected victim and is not

likely to alert a suspected perpetrator of human trafficking;

(3) training that is most appropriate for a particular location or environment in which the personnel receiving such training perform their official duties;

(4) other topics determined by the Secretary to be appropriate; and

(5) a post-training evaluation for personnel receiving the training.

(c) Training curriculum review

The Secretary shall annually reassess the training program established under subsection (a) to ensure it is consistent with current techniques, patterns, and trends associated with human trafficking.
