**§ 1631. Protection for purchasers of farm products**

**(a) Congressional findings**

Congress finds that—

(1) certain State laws permit a secured lender to enforce liens against a purchaser of farm products even if the purchaser does not know that the sale of the products violates the lender’s security interest in the products, lacks any practical method for discovering the existence of the security interest, and has no reasonable means to ensure that the seller uses the sales proceeds to repay the lender;

(2) these laws subject the purchaser of farm products to double payment for the products, once at the time of purchase, and again when the seller fails to repay the lender;

(3) the exposure of purchasers of farm products to double payment inhibits free competition in the market for farm products; and

(4) this exposure constitutes a burden on and an obstruction to interstate commerce in farm products.

**(b) Declaration of purpose**

The purpose of this section is to remove such burden on and obstruction to interstate commerce in farm products.

**(c) Definitions**

For the purposes of this section—

(1) The term “buyer in the ordinary course of business” means a person who, in the ordinary course of business, buys farm products from a person engaged in farming operations who is in the business of selling farm products.

(2) The term “central filing system” means a system for filing effective financing statements or notice of such financing statements on a statewide basis and which has been certified by the Secretary of the United States Department of Agriculture; the Secretary shall certify such system if the system complies with the requirements of this section; specifically under such system—

(A) effective financing statements or notice of such financing statements are filed with the office of the Secretary of State of a State;

(B) the Secretary of State records the date and hour of the filing of such statements;

(C) the Secretary of State compiles all such statements into a master list—

(i) organized according to farm products;

(ii) arranged within each such product—

(I) in alphabetical order according to the last name of the individual debtors, or, in the case of debtors doing business other than as individuals, the first word in the name of such debtors; and

(II) in numerical order according to the social security number, or other approved unique identifier, of the individual debtors or, in the case of debtors doing business other than as individuals, the Internal Revenue Service taxpayer identification number, or other approved unique identifier, of such debtors, except that the numerical list containing social security or taxpayer identification numbers may be encrypted for security purposes if the Secretary of State provides a method by which an effective search of the encrypted numbers may be conducted to determine whether the farm product at issue is subject to 1 or more liens; and

(III) geographically by county or parish; and

(IV) by crop year;

(iii) containing the information referred to in paragraph (4)(D);

(D) the Secretary of State maintains a list of all buyers of farm products, commission merchants, and selling agents who register with the Secretary of State, on a form indicating—

(i) the name and address of each buyer, commission merchant and selling agent;

(ii) the interest of each buyer, commission merchant, and selling agent in receiving the lists described in subparagraph (E); and

(iii) the farm products in which each buyer, commission merchant, and selling agent has an interest;

(E) the Secretary of State distributes regularly as prescribed by the State to each buyer, commission merchant, and selling agent on the list described in subparagraph (D) a copy in written or printed form of those portions of the master list described in subparagraph (C) that cover the farm products in which such buyer, commission merchant, or selling agent has registered an interest except that—

(i) the distribution of the portion of the master list may be in electronic, written, or printed form; and

(ii) if social security or taxpayer identification numbers on the master list are encrypted, the Secretary of State may distribute the master list only—

(I) by compact disc or other electronic media that contains—

(aa) the recorded list of debtor names; and

(bb) an encryption program that enables the buyer, commission merchant, and selling agent to enter a social security number for matching against the recorded list of encrypted social security or taxpayer identification numbers; and

(II) on the written request of the buyer, commission merchant, or selling agent, by paper copy of the list to the requestor;

(F) the Secretary of State furnishes to those who are not registered pursuant to (2)(D) of this section<sup>1</sup> oral confirmation within 24 hours of any effective financing statement on request followed by written confirmation to any buyer of farm products buying from a debtor, or commission merchant or selling agent selling for a seller covered by such statement.

(3) The term “commission merchant” means any person engaged in the business of receiving any farm product for sale, on commission, or for or on behalf of another person.

(4) The term “effective financing statement” means a statement that—

(A) is an original or reproduced copy of the statement, or, in the case of a State which (under the applicable State law provisions of the Uniform Commercial Code) allows the electronic filing of financing statements without the signature of the debtor, is an electronically reproduced copy of the statement;

(B) other than in the case of an electronically reproduced copy of the statement, is signed, authorized, or otherwise authenticated by the debtor, and filed with the Secretary of State of a State by the secured party;

(C) contains,

(i) the name and address of the secured party;

(ii) the name and address of the person indebted to the secured party;

(iii) the social security number, or other approved unique identifier, of the debtor or, in the case of a debtor doing business other than as an individual, the Internal Revenue Service taxpayer identification number, or other approved unique identifier, of such debtor; and

(iv) a description of the farm products subject to the security interest created by the debtor, including the amount of such products where applicable, and the name of each county or parish in which the farm products are produced or located;

(D) must be amended in writing, within 3 months, similarly signed, authorized, or otherwise authenticated by the debtor and filed, to reflect material changes;

(E) remains effective for a period of 5 years from the date of filing, subject to extensions for additional periods of 5 years each by re-filing or filing a continuation statement within 6 months before the expiration of the initial 5 year period;

(F) lapses on either the expiration of the effective period of the statement or the filing of a notice signed, authorized, or otherwise authenticated by the secured party that the statement has lapsed, whichever occurs first;

(G) is accompanied by the requisite filing fee set by the Secretary of State; and

(H) substantially complies with the requirements of this subparagraph even though it contains minor errors that are not seriously misleading.

(5)<sup>2</sup> The term “farm product” means an agricultural commodity such as wheat, corn, soybeans, or a species of livestock such as cattle, hogs, sheep, horses, or poultry used or produced in farming operations, or a product of such crop or livestock in its unmanufactured state (such as ginned cotton, wool-clip, maple syrup, milk, and eggs), that is in the possession of a person engaged in farming operations.

(6) The term “knows” or “knowledge” means actual knowledge.

(7) The term “security interest” means an interest in farm products that secures payment or performance of an obligation.

<sup>1</sup> So in original. Probably should be “pursuant to subparagraph (D)”.

<sup>2</sup> So in original. Another par. (5) follows par. (11).

(8) The term “selling agent” means any person, other than a commission merchant, who is engaged in the business of negotiating the sale and purchase of any farm product on behalf of a person engaged in farming operations.

(9) The term “State” means each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands of the United States, American Samoa, the Commonwealth of the Northern Mariana Islands, or the Trust Territory of the Pacific Islands.

(10) The term “person” means any individual, partnership, corporation, trust, or any other business entity.

(11) The term “Secretary of State” means the Secretary of State or the designee of the State.

(5)<sup>3</sup> The term “approved unique identifier” means a number, combination of numbers and letters, or other identifier selected by the Secretary of State using a selection system or method approved by the Secretary of Agriculture.

**(d) Purchases free of security interest**

Except as provided in subsection (e) and notwithstanding any other provision of Federal, State, or local law, a buyer who in the ordinary course of business buys a farm product from a seller engaged in farming operations shall take free of a security interest created by the seller, even though the security interest is perfected; and the buyer knows of the existence of such interest.

**(e) Purchases subject to security interest**

A buyer of farm products takes subject to a security interest created by the seller if—

(1)(A) within 1 year before the sale of the farm products, the buyer has received from the secured party or the seller written notice of the security interest organized according to farm products that—

(i) is an original or reproduced copy thereof;

(ii) contains,

(I) the name and address of the secured party;

(II) the name and address of the person indebted to the secured party;

(III) the social security number, or other approved unique identifier, of the debtor or, in the case of a debtor doing business other than as an individual, the Internal Revenue Service taxpayer identification number, or other approved unique identifier, of such debtor; and

(IV) a description of the farm products subject to the security interest created by the debtor, including the amount of such products where applicable, crop year, and the name of each county or parish in which the farm products are produced or located;

(iii) must be amended in writing, within 3 months, similarly signed, authorized, or otherwise authenticated and transmitted, to reflect material changes;

(iv) will lapse on either the expiration period of the statement or the transmission of a notice signed, authorized, or otherwise authenticated by the secured party that the statement has lapsed, whichever occurs first; and

(v) contains any payment obligations imposed on the buyer by the secured party as conditions for waiver or release of the security interest; and

(B) the buyer has failed to perform the payment obligations, or

(2) in the case of a farm product produced in a State that has established a central filing system—

(A) the buyer has failed to register with the Secretary of State of such State prior to the purchase of farm products; and

(B) the secured party has filed an effective financing statement or notice that covers the farm products being sold; or

(3) in the case of a farm product produced in a State that has established a central filing system, the buyer—

(A) receives from the Secretary of State of such State written notice as provided in subsection (c)(2)(E) or (c)(2)(F) that specifies both the seller and the farm product being sold by such seller as being subject to an effective financing statement or notice; and

(B) does not secure a waiver or release of the security interest specified in such effective financing statement or notice from the secured party by performing any payment obligation or otherwise.

**(f) Law governing “receipt”**

What constitutes receipt, as used in this section, shall be determined by the law of the State in which the buyer resides.

**(g) Commission merchants or selling agents: sales free of or subject to security interest; law governing “receipt”**

(2) A commission merchant or selling agent who sells a farm product for others shall be subject to a security interest created by the seller in such farm product if—

(A) within 1 year before the sale of such farm product the commission merchant or selling agent has received from the secured party or the seller written notice of the security interest; organized according to farm products, that—

(i) is an original or reproduced copy thereof;
