(3) Barrow

The term “barrow” means a neutered male swine.

(4) Base market hog

The term “base market hog” means a barrow or gilt for which no discounts are subtracted from and no premiums are added to the base price.

(5) Boar

The term “boar” means a sexually-intact male swine.

(6) Formula price

The term “formula price” means a price determined by a mathematical formula under which the price established for a specified market serves as the basis for the formula.

(7) Gilt

The term “gilt” means a young female swine that has not produced a litter.

(8) Hog class

The term “hog class” means, as applicable—

(A) barrows or gilts;

(B) sows; or

(C) boars or stags.

(9) Negotiated formula purchase

The term “negotiated formula purchase” means a swine or pork market formula purchase under which—

(A) the formula is determined by negotiation on a lot-by-lot basis; and

(B) the swine are scheduled for delivery to the packer not later than 14 days after the date on which the formula is negotiated and swine are committed to the packer.

(10) Noncarcass merit premium

The term “noncarcass merit premium” means an increase in the base price of the swine offered by an individual packer or packing plant, based on any factor other than the characteristics of the carcass, if the actual
