

§ 1728a. President's Emergency Food Assistance Fund

(a) Establishment; authority of President to furnish assistance from Fund

There is hereby established the President's Emergency Food Assistance Fund (hereafter in this subchapter referred to as the "Fund"). Whenever the President determines it to be in the national interest of the United States, he is authorized to furnish, in accordance with the provisions of this subchapter, and on such terms and conditions as he may determine, assistance from the Fund for the purpose of alleviating the human suffering of peoples outside the United States caused by acute food shortages. Such assistance may be provided through such governments or other entities, private or public, including intergovernmental and multilateral organizations, as the President deems appropriate.

(b) Types of assistance authorized

Because the effects of severe food shortages will vary with the country or region, assistance to alleviate human suffering may include the provision of food assistance or such activities as the provision of seed, animal fodder, animal vaccines, and transportation (including inland transportation) and distribution services.

(c) Authorization of appropriations

There are authorized to be appropriated to the President \$50,000,000 each for fiscal year 1985 and fiscal year 1986 to carry out the purposes of this subchapter, to remain available until expended.¹

(d) Authority of President

The President may make loans, advances, and grants to, make and perform agreements and contracts with, or enter into transactions with, any individual, corporation, or other body of persons, government or government agency, whether within or without the United States, and international and intergovernmental organizations in furtherance of the purposes and within the limitations of this subchapter.

AMENDMENTS

2008—Pub. L. 110-246 redesignated subsecs. (b) and (c) as (a) and (b), respectively, in subsec. (b), substituted "(a)(1)" for "(b)(1)", and struck out former subsec. (a). Prior to amendment, text read as follows: "No agricultural commodity shall be available for disposition under this chapter if the Secretary determines that the disposition would reduce the domestic supply of the commodity below the supply needed to meet domestic requirements and provide adequate carryover (as determined by the Secretary), unless the Secretary determines that some part of the supply should be used to carry out urgent humanitarian purposes under this chapter."

1996—Pub. L. 104-127 added subsec. (a) and struck out former subsec. (a) which authorized Secretary, after consultation with other affected Federal agencies, to determine agricultural commodities and quantities thereof available for disposition, redesignated subsec. (e) as (b) and struck out former subsec. (b) which provided for modification of determination by Secretary, redesignated subsec. (f) as (c) and substituted "(b)(1)" for "(e)(1)", struck out former subsec. (c) which provided for nonavailability of commodities if domestic supply of such commodities was adversely affected, and struck out subsec. (d) which outlined policies for distribution of commodities to developing countries.

1990—Pub. L. 101-624 amended section generally, substituting present provisions for provisions authorizing Secretary to determine types and quantities of commodities available for distribution, limiting distribution where domestic supply is threatened, and requiring available storage facilities in recipient country prior to making commodities available to such country as well as finding that distribution will not result in interference with production or marketing in that country.
