§ 2021. Civil penalties and disqualification of retail food stores and wholesale food concerns

(a) Disqualification

(1) In general

An approved retail food store or wholesale food concern that violates a provision of this chapter or a regulation under this chapter may be—

- (A) disqualified for a specified period of time from further participation in the supplemental nutrition assistance program;
- (B) assessed a civil penalty of up to \$100,000 for each violation; or
- (C) both.

(2) Regulations

Regulations promulgated under this chapter shall provide criteria for the finding of a violation of, the suspension or disqualification of and the assessment of a civil penalty against a retail food store or wholesale food concern on the basis of evidence that may include facts established through on-site investigations, inconsistent redemption data, or evidence obtained through a transaction report under an electronic benefit transfer system.

(b) Period of disqualification

Subject to subsection (c), a disqualification under subsection (a) shall be—

(1) for a reasonable period of time, not to exceed 5 years, upon the first occasion of disqualification;

(2) for a reasonable period of time, not to exceed 10 years, upon the second occasion of disqualification;

(3) permanent upon—

(A) the third occasion of disqualification;

(B) the first occasion or any subsequent occasion of a disqualification based on the purchase of coupons or trafficking in coupons or authorization cards by a retail food store or wholesale food concern or a finding of the unauthorized redemption, use, transfer, acquisition, alteration, or possession of EBT cards, except that the Secretary shall have the discretion to impose a civil penalty of up to \$20,000 for each violation (except that the amount of civil penalties imposed for violations occurring during a single investigation may not exceed \$40,000) in lieu of disqualification under this subparagraph, for such purchase of coupons or trafficking in coupons or cards that constitutes a violation of the provisions of this chapter or the regulations issued pursuant to this chapter, if the Secretary determines that there is substantial evidence that such store or food concern had an effective policy and program in effect to prevent violations of the chapter and the regulations, including evidence that—

(i) the ownership of the store or food concern was not aware of, did not approve of, did not benefit from, and was not involved in the conduct of the violation; and

(ii)(I) the management of the store or food concern was not aware of, did not approve of, did not benefit from, and was not involved in the conduct of the violation; or

(II) the management was aware of, approved of, benefited from, or was involved in the conduct of no more than 1 previous violation by the store or food concern; or

(C) a finding of the sale of firearms, ammunition, explosives, or controlled substance (as defined in section 802 of title 21) for coupons, except that the Secretary shall have the discretion to impose a civil penalty of up to \$20,000 for each violation (except that the amount of civil penalties imposed for violations occurring during a single investigation may not exceed \$40,000) in lieu of disqualification under this subparagraph if the Secretary determines that there is substantial evidence (including evidence that neither the ownership nor management of the store or food concern was aware of, approved, benefited from, or was involved in the conduct or approval of the violation) that the store or food concern had an effective policy and program in effect to prevent violations of this chapter; and

(4) for a reasonable period of time to be determined by the Secretary, including permanent disqualification, on the knowing submission of an application for the approval or reauthorization to accept and redeem coupons that contains false information about a substantive matter that was a part of the application.

(c) Civil penalty and review of disqualification and penalty determinations

(1) Civil penalty

In addition to a disqualification under this section, the Secretary may assess a civil penalty in an amount not to exceed \$100,000 for each violation.

(2) Review

The action of disqualification or the imposition of a civil penalty shall be subject to review as provided in section 2023 of this title.

(d) Conditions of authorization

(1) In general

As a condition of authorization to accept and redeem benefits, the Secretary may require a retail food store or wholesale food concern that, pursuant to subsection (a), has been disqualified for more than 180 days, or has been subjected to a civil penalty in lieu of a disqualification period of more than 180 days, to furnish a collateral bond or irrevocable letter of credit for a period of not more than 5 years to cover the value of benefits that the store or concern may in the future accept and redeem in violation of this chapter.

(2) Collateral

The Secretary also may require a retail food store or wholesale food concern that has been sanctioned for a violation and incurs a subsequent sanction regardless of the length of the disqualification period to submit a collateral bond or irrevocable letter of credit.

(3) Bond requirements

The Secretary shall, by regulation, prescribe the amount, terms, and conditions of such bond.

(4) Forfeiture

If the Secretary finds that such store or concern has accepted and redeemed coupons in violation of this chapter after furnishing such bond, such store or concern shall forfeit to the Secretary an amount of such bond which is equal to the value of coupons accepted and redeemed by such store or concern in violation of this chapter.

(5) Hearing

A store or concern described in paragraph (4) may obtain a hearing on such forfeiture pursuant to section 2023 of this title.

(e) Transfer of ownership; penalty in lieu of disqualification period; fines for acceptance of loose coupons; judicial action to recover penalty or fine

(1) In the event any retail food store or wholesale food concern that has been disqualified under subsection (a) is sold or the ownership thereof is otherwise transferred to a purchaser or transferee, the person or persons who sell or otherwise transfer ownership of the retail food store or wholesale food concern shall be subjected to a civil penalty in an amount established by the Secretary through regulations to reflect that portion of the disqualification period that has not yet expired. If the retail food store or wholesale food concern has been dis-

qualified permanently, the civil penalty shall be double the penalty for a ten-year disqualification period, as calculated under regulations issued by the Secretary. The disqualification period imposed under subsection (b) shall continue in effect as to the person or persons who sell or otherwise transfer ownership of the retail food store or wholesale food concern notwithstanding the imposition of a civil penalty under this subsection.

(2) At any time after a civil penalty imposed under paragraph (1) has become final under the provisions of section 2023(a) of this title, the Secretary may request the Attorney General to institute a civil action against the person or persons subject to the penalty in a district court of the United States for any district in which such person or persons are found, reside, or transact business to collect the penalty and such court shall have jurisdiction to hear and decide such action. In such action, the validity and amount of such penalty shall not be subject to review.

(3) The Secretary may impose a fine against any retail food store or wholesale food concern that accepts food coupons that are not accompanied by the corresponding book cover, other than the denomination of coupons used for making change as specified in regulations issued under this chapter. The amount of any such fine shall be established by the Secretary and may be assessed and collected in accordance with regulations issued under this chapter separately or in combination with any fiscal claim established by the Secretary. The Attorney General of the United States may institute judicial action in any court of competent jurisdiction against the store or concern to collect the fine.

(f) Fines for unauthorized acceptance

The Secretary may impose a fine against any person not approved by the Secretary to accept and redeem food coupons who violates any provision of this chapter or a regulation issued under this chapter, including violations concerning the acceptance of food coupons. The amount of any such fine shall be established by the Secretary and may be assessed and collected in accordance with regulations issued under this chapter separately or in combination with any fiscal claim established by the Secretary. The Attorney General of the United States may institute judicial action in any court of competent jurisdiction against the person to collect the fine.

(g) Disqualification of retailers who are disqualified under WIC program

(1) In general

The Secretary shall issue regulations providing criteria for the disqualification under this chapter of an approved retail food store or a wholesale food concern that is disqualified from accepting benefits under the special supplemental nutrition program for women, infants, and children established under section 1786 of title 42.

(2) Terms

A disqualification under paragraph (1)—

(A) shall be for the same length of time as the disqualification from the program referred to in paragraph (1);

(B) may begin at a later date than the disqualification from the program referred to in paragraph (1); and

(C) notwithstanding section 2023 of this title, shall not be subject to judicial or administrative review.

(h) Flagrant violations

(1) In general

The Secretary, in consultation with the Inspector General of the Department of Agriculture, shall establish procedures under which the processing of program benefit redemptions for a retail food store or wholesale food concern may be immediately suspended pending administrative action to disqualify the retail food store or wholesale food concern.

(2) Requirements

Under the procedures described in paragraph (1), if the Secretary, in consultation with the Inspector General, determines that a retail food store or wholesale food concern is engaged in flagrant violations of this chapter (including regulations promulgated under this chapter), unsettled program benefits that have been redeemed by the retail food store or wholesale food concern—

(A) may be suspended; and

(B)(i) if the program disqualification is upheld, may be subject to forfeiture pursuant to section 2024(g) of this title; or

(ii) if the program disqualification is not upheld, shall be released to the retail food store or wholesale food concern.

(3) No liability for interest

The Secretary shall not be liable for the value of any interest on funds suspended under this subsection.

(1) Pilot projects required

(A) In general

The Secretary shall carry out, under such terms and conditions as are determined by the Secretary, pilot projects to test innovative Federal-State partnerships to identify, investigate, and reduce fraud by retail food stores and wholesale food concerns in the supplemental nutrition assistance program, including allowing States to operate programs to investigate that fraud.

(B) Requirement

At least 1 pilot project described in subparagraph (A) shall be carried out in an urban area that is among the 10 largest urban areas in the United States (based on population), if—

(B) the costs associated with the pilot project.

(5) Funding
