§ 2655. Rural firefighters and emergency medical service assistance program

(a) Definition of emergency medical services

In this section:

(1) In general

The term “emergency medical services” means resources used by a public or nonprofit entity to deliver medical care outside of a medical facility under emergency conditions that occur as a result of—

(A) the condition of a patient; or

(B) a natural disaster or related condition.

(2) Inclusion

The term “emergency medical services” includes services (whether compensated or volunteer) delivered by an emergency medical services provider or other provider recognized by the State involved that is licensed or certified by the State as—

(A) an emergency medical technician or the equivalent (as determined by the State);

(B) a registered nurse;

(C) a physician assistant; or

(D) a physician that provides services similar to services provided by such an emergency medical services provider.

(b) Grants

The Secretary shall award grants to eligible entities—

(1) to enable the entities to provide for improved emergency medical services in rural areas; and

(2) to pay the cost of training firefighters and emergency medical personnel in firefighting, emergency medical practices, and responding to hazardous materials and bioagents in rural areas.

(c) Eligibility

To be eligible to receive a grant under this section, an entity shall—

(1) be—

(A) a State emergency medical services office;

(B) a State emergency medical services association;

(C) a State office of rural health or an equivalent agency;

(D) a local government entity;
