§ 3319i. Capacity building grants for NLGCA Institutions**(a) Grant program****(1) In general**

The Secretary shall make competitive grants to NLGCA Institutions to assist the NLGCA Institutions in maintaining and expanding the capacity of the NLGCA Institutions to conduct education, research, and outreach activities relating to—

- (A) agriculture;
- (B) renewable resources; and
- (C) other similar disciplines.

(2) Use of funds

An NLGCA Institution that receives a grant under paragraph (1) may use the funds made available through the grant to maintain and expand the capacity of the NLGCA Institution—

- (A) to successfully compete for funds from Federal grants and other sources to carry out educational, research, and outreach activities that address priority concerns of national, regional, State, and local interest;
- (B) to disseminate information relating to priority concerns to—

- (i) interested members of the agriculture, renewable resources, and other relevant communities;
- (ii) the public; and
- (iii) any other interested entity;

- (C) to encourage members of the agriculture, renewable resources, and other relevant communities to participate in priority

education, research, and outreach activities by providing matching funding to leverage grant funds; and

(D) through—

(i) the purchase or other acquisition of equipment and other infrastructure (not including alteration, repair, renovation, or construction of buildings);

(ii) the professional growth and development of the faculty of the NLGCA Institution; and

(iii) the development of graduate assistantships.

(b) Authorization of appropriations

There are authorized to be appropriated to carry out this section such sums as are necessary for each of fiscal years 2008 through 2023.

§ 3319j. Borlaug International Agricultural Science and Technology Fellowship Program

(a) Fellowship program

(1) In general

The Secretary shall establish a fellowship program, to be known as the “Borlaug International Agricultural Science and Technology Fellowship Program,” to provide fellowships for scientific training and study in the United States to individuals from eligible countries (as described in subsection (b)) who specialize in agricultural education, research, and extension.

(2) Programs

The Secretary shall carry out the fellowship program by implementing 3 programs designed to assist individual fellowship recipients, including—

(A) a graduate studies program in agriculture to assist individuals who participate in graduate agricultural degree training at a United States institution;

(B) an individual career improvement program to assist agricultural scientists from

developing countries in upgrading skills and understanding in agricultural science and technology; and

(C) a Borlaug agricultural policy executive leadership course to assist senior agricultural policy makers from eligible countries, with an initial focus on individuals from sub-Saharan Africa and the independent states of the former Soviet Union.

(b) Eligible countries

An eligible country is a developing country, as determined by the Secretary using a gross national income per capita test selected by the Secretary.

(c) Purpose of fellowships

A fellowship provided under this section shall—

(1) promote food security and economic growth in eligible countries by—

(A) educating a new generation of agricultural scientists;

(B) increasing scientific knowledge and collaborative research to improve agricultural productivity; and

(C) extending that knowledge to users and intermediaries in the marketplace; and

(2) support—

(A) training and collaborative research opportunities through exchanges for entry level international agricultural research scientists, faculty, and policymakers from eligible countries;

(B) collaborative research to improve agricultural productivity;

(C) the transfer of new science and agricultural technologies to strengthen agricultural practice;

(D) the reduction of barriers to technology adoption; and

(E) the development of agricultural extension services in eligible countries.

(d) Fellowship recipients

(1) Eligible candidates

The Secretary may provide fellowships under this section to individuals from eligible countries who specialize or have experience in agricultural education, research, extension, or related fields, including—

(A) individuals from the public and private sectors; and

(B) private agricultural producers.

(2) Candidate identification

The Secretary shall use the expertise of United States land-grant colleges and universities and similar universities, international organizations working in agricultural research and outreach, and national agricultural research organizations to help identify program candidates for fellowships under this section from the public and private sectors of eligible countries.

(e) Use of fellowships

A fellowship provided under this section shall be used—

(1) to promote collaborative programs among agricultural professionals of eligible countries, agricultural professionals of the
