

title, excluding the Multistate Research Fund, State Agricultural Experiment Stations, shall be paid to each State agricultural experiment station in equal quarterly payments beginning on the first day of October of each fiscal year upon vouchers approved by the Secretary of Agriculture. Each such station authorized to receive allotted funds shall have a chief administrative officer known as a director, and a treasurer or other officer appointed by the governing board of the station. Such treasurer or other officer shall receive and account for all funds allotted to the State under the provisions of sections 361a to 361i of this title and shall report, with the approval of the director, to the Secretary of Agriculture on or before the first day of December of each year a detailed statement of the amount received under provisions of said sections during the preceding fiscal year, and of its disbursement on schedules prescribed by the Secretary of Agriculture. If any portion of the allotted moneys received by the authorized receiving officer of any State agricultural experiment station shall by any action or contingency be diminished, lost, or misapplied, it shall be replaced by the State concerned and until so replaced no subsequent appropriation shall be allotted or paid to such State.

§ 361g. Duties of Secretary; ascertainment of entitlement of State to funds; plans of work

(a) Duties of Secretary

The Secretary of Agriculture is charged with the responsibility for the proper administration of sections 361a to 361i of this title, and is authorized and directed to prescribe such rules and regulations as may be necessary to carry out its provisions. It shall be the duty of the Secretary to furnish such advice and assistance as will best promote the purposes of said sections, including participation in coordination of research initiated under said sections by the State agricultural experiment stations, from time to time to indicate such lines of inquiry as to him seem most important, and to encourage and assist in the establishment and maintenance of cooperation by and between the several State agricultural experiment stations, and between the stations and the United States Department of Agriculture.

(b) Ascertainment of entitlement

On or before the first day of October in each year after the passage of sections 361a to 361i of this title, the Secretary of Agriculture shall ascertain as to each State whether it is entitled to receive its share of the annual appropriations for agricultural experiment stations under said sections and the amount which thereupon each is entitled, respectively, to receive.
