§ 4512. Administrative provisions

(a) Nothing in this subchapter may be construed to preempt or supersede any other program relating to dairy product promotion organized and operated under the laws of the United States or any State.

(b) The provisions of this subchapter applicable to orders shall be applicable to amendments to orders.

(Pub. L. 98-180, title I, § 121, Nov. 29, 1983, 97 Stat. 1143.)

§ 4513. Authorization of appropriations

There are hereby authorized to be appropriated such funds as are necessary to carry out the provisions of this subchapter. The funds so appropriated shall not be available for payment of the expenses or expenditures of the Board in administering any provisions of any order issued under the terms of this subchapter.

(Pub. L. 98-180, title I, § 122, Nov. 29, 1983, 97 Stat. 1143.)

§ 4514. Dairy reports

The Secretary of Agriculture shall submit to the House Committee on Agriculture and the Senate Committee on Agriculture, Nutrition, and Forestry the following reports:

(1) Not later than July 1, 1984, a report on the effect of applying, nationally, standards similar to the current California standards for fluid milk products in their final consumer form, as they would relate to—

(A) consumer acceptance, overall consumer consumption trends, and total per capita consumption;

(B) nutritional augmentation, particularly for young and older Americans;

(C) implementing improved interagency enforcement of minimum standards to prevent consumer fraud and deception;

(D) multiple component pricing for producer milk;

(E) reduced Commodity Credit Corporation purchases;

(F) consistency of product quality throughout the year and between marketing regions of the United States; and

(G) consumer prices.

(2) Not later than December 31, 1984, a report on (A) recommendations for changes in the ap-

plication of the parity formula to milk so as to make the formula more consistent with modern production methods and with special attention to the cost of producing milk as a result of changes in productivity, and (B) the feasibility of imposing a limitation on the total amount of payments and other assistance a producer of milk may receive during a year under section 1446(d) of this title.

(3) Not later than April 15, 1985, a report on the effectiveness of the paid diversion program carried out under section 1446(d) of this title.

(4) Not later than July 1, 1985, and July 1 of each year after the date of enactment of this title,¹ an annual report describing activities conducted under the dairy products promotion and research order issued under subtitle B of title I of this Act [7 U.S.C. 4501 et seq.], and accounting for the receipt and disbursement of all funds received by the National Dairy Promotion and Research Board under such order including an independent analysis of the effectiveness of the program.

EFFECTIVE DATE OF 2008 AMENDMENT

Amendment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as an Effective Date note under section 8701 of this title.

§ 4532. Establishment of National Dairy Research Endowment Institute

The Secretary of Agriculture may establish in the Department of Agriculture a National Dairy Research Endowment Institute whose function shall be to aid the dairy industry through the implementation of the dairy products research order, which its board of trustees shall administer, and the use of monies made available to its board of trustees from the Dairy Research Trust Fund to implement the order. In implementing the order, the Institute shall provide a permanent system for funding scientific research activities designed to facilitate the expansion of markets for milk and dairy products marketed in the United States. The Institute shall be headed by a board of trustees composed of the members of the National Dairy Promotion and Research Board. The board may appoint from among its members an executive committee whose membership shall reflect equally each of the different regions in the United States in which milk is produced. The

executive committee shall have such duties and powers as are delegated to it by the board. The members of the board shall serve without compensation. While away from their homes or regular places of business in the performance of services for the board, members of the board shall be allowed reasonable travel expenses, including a per diem allowance in lieu of subsistence, as recommended by the board and approved by the Secretary, except that there shall be no duplication of payment for such expenses.

(Pub. L. 98-180, title I, §131, as added Pub. L. 99-198, title I, §121, Dec. 23, 1985, 99 Stat. 1368.)

§ 4533. Issuance of order

(a) Publication in Federal Register; public comment; submission

After receipt of a proposed dairy products research order, the Secretary may publish such proposed order in the Federal Register and shall give notice and reasonable opportunity for public comment on such proposed order. Such proposed order may be submitted by an organization certified under section 4505 of this title or by any interested person affected by the provisions of subchapter I.

(b) Effective date of order

After the Secretary provides for such publication and a reasonable opportunity for a hearing under subsection (a), the Secretary may issue the dairy products research order. The order so issued shall become effective not later than 90 days after publication in the Federal Register of the order.

(c) Amendment of order

The Secretary may amend, from time to time, the dairy products research order issued under subsection (b).

(Pub. L. 98-180, title I, §132, as added Pub. L. 99-198, title I, §121, Dec. 23, 1985, 99 Stat. 1369.)

§ 4534. Required terms of order; agreements under order; records

(a) Required terms

The dairy products research order issued under section 4533(b) of this title shall—

(1) provide for the establishment and administration, by the Institute, of appropriate scientific research activities designed to facilitate the expansion of markets for dairy products marketed in the United States;

(2) specify the powers of the board, including the powers to—

(A) receive and evaluate, or on its own initiative develop and budget for, research plans or projects designed to—

(i) increase the knowledge of human nutritional needs and the relationship of milk and dairy products to these needs;

(ii) improve dairy processing technologies, particularly those appropriate to small- and medium-sized family farms;

(iii) develop new dairy products; and

(iv) appraise the effect of such research on the marketing of dairy products;

(B) make recommendations to the Secretary regarding such plans and projects;
