PART B—FOREIGN AGRICULTURAL SERVICE

§§ 5231 to 5233. Repealed. Pub. L. 101-624, title XV, § 1571, Nov. 28, 1990, 104 Stat. 3702

Section 5231, Pub. L. 100-418, title IV, § 4211, Aug. 23, 1988, 102 Stat. 1393, provided for staffing of Foreign Agricultural Service. See section 5694 of this title.

Section 5232, Pub. L. 100-418, title IV, § 4212, Aug. 23, 1988, 102 Stat. 1394, provided for an agricultural attaché educational program. See section 1749 of this title.

Section 5233, Pub. L. 100-418, title IV, § 4213, Aug. 23, 1988, 102 Stat. 1394, provided for the allocation of agricultural attaché resource time.

§ 5234. Cooperator organizations

(a) Sense of Congress

It is the sense of Congress that the foreign market development cooperator program of the Service, and the activities of individual foreign market cooperator organizations, have been among the most successful and cost-effective means to expand United States agricultural exports. Congress affirms its support for the program and the activities of the cooperator organizations. The Administrator and the private sector should work together to ensure that the program, and the activities of cooperator organizations, are expanded in the future.

(b) Commodities for cooperator organizations

The Secretary of Agriculture may make available to cooperator organizations agricultural commodities owned by the Commodity Credit Corporation, for use by such cooperators in projects designed to expand markets for United States agricultural commodities and products.

(c) Relation to funds

Commodities made available to cooperator organizations under this section shall be in addition to, and not in lieu of, funds appropriated for market development activities of such cooperator organizations.

(d) Conflicts of interest

The Secretary shall take appropriate action to prevent conflicts of interest among cooperator organizations participating in the cooperator program.

(e) Evaluation

It is the sense of Congress that the Secretary should establish a consistent, objective means for the evaluation of cooperator programs.

(Pub. L. 100-418, title IV, § 4214, Aug. 23, 1988, 102 Stat. 1394.)

§ 5235. Authorization of additional appropriations

There are authorized to be appropriated for the Service, in addition to any sums otherwise

authorized to be appropriated by any provision of law other than this section, \$20,000,000 for each of the fiscal years 1988, 1989, and 1990 for market development activities, including—

- (1) expansion of the agricultural attache service;
- (2) expansion of international trade policy activities of the Service;
- (3) enhancement of the Service worldwide market information system;
- (4) increasing the number of trade shows and exhibitions conducted by the Service and upgrading the quality of United States representation at trade shows and exhibitions; and
- (5) developing markets for value-added beef, pork, and poultry products.

§ 5301. Congressional statement of purposes

The purposes of this chapter are to—

(1) make more effective use of Federal and State expenditures for nutrition monitoring, and enhance the performance and benefits of current Federal nutrition monitoring and related research activities;

(2) establish and facilitate the timely implementation of a coordinated National Nutrition Monitoring and Related Research Program, and thereby provide a scientific basis for the maintenance and improvement of the nutritional status of the people of the United States and the nutritional quality (including, but not limited to, nutritive and nonnutritive content) of food consumed in the United States;

(3) establish and implement a comprehensive plan for the National Nutrition Monitoring and Related Research Program to assess, on a continuing basis, the dietary and nutritional status of the people of the United States and the trends with respect to such status, the state of the art with respect to nutrition mon-

itoring and related research, future monitoring and related research priorities, and the relevant policy implications;

(4) establish and improve the quality of national nutritional and health status data and related data bases and networks, and stimulate research necessary to develop uniform indicators, standards, methodologies, technologies, and procedures for nutrition monitoring;

(5) establish a central Federal focus for the coordination, management, and direction of Federal nutrition monitoring activities;

(6) establish mechanisms for addressing the nutrition monitoring needs of Federal, State, and local governments, the private sector, scientific and engineering communities, health care professionals, and the public in support of the foregoing purposes; and

(7) provide for the conduct of such scientific research and development as may be necessary or appropriate in support of such purposes.

SUBCHAPTER I—NUTRITION MONITORING AND RELATED RESEARCH

§ 5311. Establishment of coordinated program

(a) In general

There is established a ten-year coordinated program, to be known as the National Nutrition Monitoring and Related Research Program, to carry out the purposes of this chapter.

(b) Implementation responsibility

The Secretaries shall be responsible for the implementation of the coordinated program.

(c) Establishment of Board

To assist in implementing the coordinated program, there is established an Interagency Board for Nutrition Monitoring and Related Research, of which an Assistant Secretary in the Department of Agriculture (designated by the Secretary of Agriculture) and an Assistant Secretary in the Department of Health and Human Services (designated by the Secretary of Health and Human Services) shall be joint chairpersons. The remaining membership of the Board shall consist of additional representatives of Federal agencies, as determined appropriate by the joint chairpersons of the Board. The Board shall meet no less often than once every three months for the two-year period following October 22, 1990, and when appropriate thereafter.

(d) Administrator

To establish a central focus and coordinator for the coordinated program, the Secretaries may appoint an Administrator of Nutrition Monitoring and Related Research. The Administrator shall—

(1) be an individual who is eminent in the field of nutrition monitoring and related areas and be selected on the basis of the established record of expertise and distinguished service of such individual; and

(2) administer the coordinated program with the advice and counsel of the joint chairpersons of the Board, serve as the focal point for the coordinated program, and serve as the Executive Secretary for the National Nutrition Monitoring Advisory Council.
