§ 5853. Repealed. Pub. L. 107-171, title VII, § 7304(a), May 13, 2002, 116 Stat. 455

Section, Pub. L. 101–624, title XVI, \$1639, Nov. 28, 1990, 104 Stat. 3749; Pub. L. 102–237, title IV, \$407(7), Dec. 13, 1991, 105 Stat. 1865, related to establishment of National Advisory Board on Agricultural Weather.

§ 5854. State agricultural weather information systems

(a) Advisory program grants

(1) Grants required

With funds allocated to carry out this section, the Secretary of Agriculture shall make grants to not fewer than 10 eligible States to plan and administer, in cooperation with persons described in paragraph (2), advisory programs for State agricultural weather information systems.

(2) Persons described

The persons referred to in paragraph (1) are the Director of the Agricultural Weather Office, the Director of the National Institute of Food and Agriculture, and other persons as appropriate (such as the directors of the appropriate State agricultural experiment stations and State extension programs).

(b) Consultation

For purposes of selecting among applications submitted by States for grants under this section, the Secretary shall consult with the Director.

(c) Eligibility requirements

To be eligible to receive a grant under this section, the chief executive officer of a State shall submit to the Secretary an application that contains—

- (1) assurances that the State will expend such grant to plan and administer a State agricultural weather system that will—
 - (A) collect observational weather data throughout the State and provide such data to the National Weather Service and the Agricultural Weather Office;
 - (B) develop methods for packaging information received from the national system for use by agricultural producers (with State Cooperative Extension Services and the private sector to serve as the primary conduit of agricultural weather forecasts and climatic information to producers); and
 - (C) develop programs to educate agricultural producers on how to best use weather and climate information to improve management decisions; and
- (2) such other assurances and information as the Secretary may require by rule.

EFFECTIVE DATE OF 2008 AMENDMENT

Amendment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, except as otherwise provided, see section 4 of Pub. L. 110-246, set out as an Effective Date note under section 8701 of this title

Amendment by section 7511(c)(19) of Pub. L. 110-246 effective Oct. 1, 2009, see section 7511(c) of Pub. L. 110-246, set out as a note under section 1522 of this title.

§ 5855. Funding

(a) Allocation of funds

(1) Cooperative work

Not less than 15 percent and not more than 25 percent of the funds appropriated for a fiscal year to carry out this subchapter shall be used for cooperative work with the National Weather Service entered into under section 5852(b)(1) of this title.

(2) Competitive grants program

Not less than 15 percent and not more than 25 percent of such funds shall be used by the National Institute of Food and Agriculture for a competitive grants program under section 5852(c) of this title.

(3) Weather information systems

Not less than 25 percent and not more than 35 percent of such funds shall be divided equally between the participating States selected for that fiscal year under section 5854 of this title.

(4) Other purposes

The remaining funds shall be allocated for use by the Agricultural Weather Office and the National Institute of Food and Agriculture in carrying out generally the provisions of this subchapter.

(b) Limitations on use of funds

Funds provided under the authority of this subchapter shall not be used for the construction of facilities. Each State or agency receiving funds shall not use more than 30 percent of such funds for equipment purchases. Any use of the funds in facilitating the distribution of agricultural and climate information to producers shall be done with consideration for the role that the private meteorological sector can play in such information delivery.

(c) Authorization of appropriations

There are authorized to be appropriated to carry out this subchapter \$5,000,000 for each of the fiscal years 2008 through 2012 and \$1,000,000 for each of fiscal years 2014 through 2023.

§ 5856. Improvements to United States Drought Monitor

(a) In general

The Secretary shall coordinate with the Director of the National Drought Mitigation Center and the Administrator of the National Oceanic and Atmospheric Administration to enhance the collection of data to improve the accuracy of the United States Drought Monitor.

(b) Utilization

To the maximum extent practicable, the Secretary shall utilize a consistent source or sources of data for programs that are based on drought or precipitation indices, such as the livestock forage disaster program established under section 9081(c) of this title or policies or plans of insurance established under the Federal Crop Insurance Act (7 U.S.C. 1501 et seq.).

(c) Review

Not later than 1 year after December 20, 2018, the Secretary shall conduct a review of—

- (1) the types of data currently utilized by the United States Drought Monitor;
- (2) the geographic coverage and density of existing data collection sites; and
- (3) other meteorological or climatological data that is being collected by other Federal agencies, State and local governments, and non-Federal entities that could be utilized by the United States Drought Monitor.

(d) Improvements

(1) In general

Upon the completion of the review prescribed in subsection (c), the Secretary shall—

- (A) seek to expand the collection of relevant data in States or geographic areas where coverage is currently lacking as compared to other States or geographic areas; and
- (B) to the maximum extent practicable, develop standards to allow the integration of meteorological or climatological data into the United States Drought Monitor derived from—
