PILOT PROGRAM ON USE OF AGRICULTURAL COMMODITIES IN CONSTRUCTION AND CONSUMER PRODUCTS

Pub. L. 117-58, div. G, title V, §70501, Nov. 15, 2021, 135 Stat. 1266, provided that:

“(a) DEFINITIONS.—In this section:

“(1) CONSTRUCTION PRODUCT.—The term ‘construction product’ means any article, or component part thereof, produced or distributed for use during the construction, maintenance, or preservation of a highway, road, street, bridge, building, dam, port, or airport construction project.

“(2) CONSUMER PRODUCT.—The term ‘consumer product’ means—

“(A) any article, or component part thereof, produced or distributed—

“(i) for sale to a consumer for use in or around a permanent or temporary household or residence, a school, in recreation, or otherwise; or

“(ii) for the personal use, consumption or enjoyment of a consumer in or around a permanent or temporary household or residence, a school, in recreation, or otherwise; and

“(B) any product or product category described in subparagraphs (A) through (I) of section 3(a)(5) of the Consumer Product Safety Act (15 U.S.C. 2052(a)(5)).

“(3) COVERED AGRICULTURAL COMMODITY.—The term ‘covered agricultural commodity’ means any agricultural commodity, food, feed, fiber, livestock, oil, or a derivative thereof, that the Secretary determines to have been used in the production of materials that have demonstrated market viability and benefits (as described in paragraphs (1) through (7) of subsection (b)) as of the date of enactment of this Act.

“(4) QUALIFIED INSTITUTION.—The term ‘qualified institution’ means a bioproducts research facility that—

“(A) is funded, in part, by a State;

“(B) is located within a reasonable distance, not to exceed 3 miles, of the primary residence hall of an institution of higher education (as defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)));

“(C) provides students opportunities to engage in research activities; and

“(D) provides opportunities for an institution of higher education (as defined in section 101(a) of the

Higher Education Act of 1965 (20 U.S.C. 1001(a))) to collaborate with private enterprise.

“(5) SECRETARY.—The term ‘Secretary’ means the Secretary of Agriculture.

“(b) ESTABLISHMENT.—The Secretary shall carry out a pilot program under which the Secretary shall partner with not less than 1 qualified institution to study the benefits of using materials derived from covered agricultural commodities in the production of construction products and consumer products, including—

“(1) cost savings relative to other commonly used alternative materials;

“(2) greenhouse gas emission reductions and other environmental benefits relative to other commonly used alternative materials;

“(3) life-cycle and longevity-extending characteristics relative to other commonly used alternative materials;

“(4) life-cycle and longevity-reducing characteristics relative to other commonly used alternative materials;

“(5) landfill quantity and waste management cost reductions;

“(6) product development and production scale-up; and

“(7) any other benefits that the Secretary determines to be appropriate.

“(c) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary to carry out this section \$2,000,000 for each of fiscal years 2022 through 2023.”

§ 7625. National Food Safety Training, Education, Extension, Outreach, and Technical Assistance Program

(a) In general

The Secretary shall award grants under this section to carry out the competitive grant program established under section 399c(d)¹ of title 21, pursuant to any memoranda of understanding entered into under such section.

(b) Integrated approach

The grant program described under subsection (a) shall be carried out under this section in a manner that facilitates the integration of food safety standards and guidance with the variety of agricultural production systems, encompassing conventional, sustainable, organic, and conservation and environmental practices.

(c) Priority

In awarding grants under this section, the Secretary shall give priority to projects that target small and medium-sized farms, beginning farmers, socially disadvantaged farmers, veteran farmers or ranchers (as defined in section 2279(a) of this title), small processors, or small fresh fruit and vegetable merchant wholesalers.

(d) Program coordination

(1) In general

The Secretary shall coordinate implementation of the grant program under this section with the National Integrated Food Safety Initiative.

(2) Interaction

The Secretary shall—

(A) in carrying out the grant program under this section, take into consideration applied research, education, and extension results obtained from the National Integrated Food Safety Initiative; and

¹ See References in Text note below.

(B) in determining the applied research agenda for the National Integrated Food Safety Initiative, take into consideration the needs articulated by participants in projects funded by the program under this section.

(e) Grants

(1) In general

In carrying out this section, the Secretary shall make competitive grants to support training, education, extension, outreach, and technical assistance projects that will help improve public health by increasing the understanding and adoption of established food safety standards, guidance, and protocols.

(2) Encouraged features

The Secretary shall encourage projects carried out using grant funds under this section to include co-management of food safety, conservation systems, and ecological health.

(3) Term of grant

A grant under this section shall have a term that is not more than 3 years.

(f) Grant eligibility

(1) In general

To be eligible for a grant under this section, an entity shall be—

- (A) a State cooperative extension service;
- (B) a Federal, State, local, or tribal agency, a nonprofit community-based or non-governmental organization, or an organization representing owners and operators of farms, small food processors, or small fruit and vegetable merchant wholesalers that has a commitment to public health and expertise in administering programs that contribute to food safety;
- (C) an institution of higher education (as defined in section 1001(a) of title 20) or a foundation maintained by an institution of higher education;
- (D) a collaboration of 2 or more eligible entities described in this subsection; or
- (E) such other appropriate entity, as determined by the Secretary.

(2) Multistate partnerships

Grants under this section may be made for projects involving more than 1 State.

(g) Regional balance

In making grants under this section, the Secretary shall, to the maximum extent practicable, ensure—

- (1) geographic diversity; and
- (2) diversity of types of agricultural production.

(h) Technical assistance

The Secretary may use funds made available under this section to provide technical assistance to grant recipients to further the purposes of this section.

(i) Best practices and model programs

Based on evaluations of, and responses arising from, projects funded under this section, the Secretary may issue a set of recommended best practices and models for food safety training

programs for agricultural producers, small food processors, and small fresh fruit and vegetable merchant wholesalers.

(j) Authorization of appropriations

For the purposes of making grants under this section, there is authorized to be appropriated \$10,000,000 for each of fiscal years 2019 through 2023.
