

means of conveyance, plant, biological control organism, plant pest, noxious weed, or plant product in order—

- (1) to control a plant pest or noxious weed;
- (2) to eradicate a plant pest or noxious weed;
- or
- (3) prevent the introduction or dissemination of a biological control organism, plant pest, or noxious weed.

(b) Regulation of interstate commerce

(1) In general

Except as provided in paragraph (2), no State or political subdivision of a State may regulate the movement in interstate commerce of any article, means of conveyance, plant, biological control organism, plant pest, noxious weed, or plant product in order to control a plant pest or noxious weed, eradicate a plant pest or noxious weed, or prevent the introduction or dissemination of a biological control organism, plant pest, or noxious weed, if the Secretary has issued a regulation or order to prevent the dissemination of the biological control organism, plant pest, or noxious weed within the United States.

(2) Exceptions

(A) Regulations consistent with Federal regulations

A State or a political subdivision of a State may impose prohibitions or restrictions upon the movement in interstate commerce of articles, means of conveyance, plants, biological control organisms, plant pests, noxious weeds, or plant products that are consistent with and do not exceed the regulations or orders issued by the Secretary.

(B) Special need

A State or political subdivision of a State may impose prohibitions or restrictions upon the movement in interstate commerce of articles, means of conveyance, plants, plant products, biological control organisms, plant pests, or noxious weeds that are in addition to the prohibitions or restrictions imposed by the Secretary, if the State or political subdivision of a State demonstrates to the Secretary and the Secretary finds that there is a special need for additional prohibitions or restrictions based on sound scientific data or a thorough risk assessment.

TRANSFER OF FUNCTIONS

For transfer of functions of the Secretary of Agriculture relating to agricultural import and entry inspection activities under this chapter to the Secretary of Homeland Security, and for treatment of related references, see sections 231, 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 7759. Fees for inspection of plants for exporting or transiting

(a) to (e) Repealed. Pub. L. 106–224, title IV, § 438(a)(3), June 20, 2000, 114 Stat. 454

(f) Authorization of appropriations; fees, late payment penalties, and accrued interest

(1) Notwithstanding paragraph (2), there are authorized to be appropriated such sums as may be necessary to carry out the provisions of this section. Unless otherwise specifically authorized or provided for in appropriations Acts, no part of such sums shall be used to pay the cost or value of property injured or destroyed.

¹ See Codification note below.

(2) The Secretary of Agriculture is authorized to prescribe and collect fees to recover the costs of providing for the inspection of plants and plant products offered for export or transiting the United States and certifying to shippers and interested parties as to the freedom of such plants and plant products from plant pests according to the phytosanitary requirements of the foreign countries to which such plants and plant products may be exported, or to the freedom from exposure to plant pests while in transit through the United States. Any person for whom such an activity is performed shall be liable for payment of fees assessed. Upon failure to pay such fees when due, the Secretary of Agriculture shall assess a late payment penalty, and such overdue fees shall accrue interest, as required by section 3717 of title 31. All fees, late payment penalties, and accrued interest collected shall be credited to such accounts that incur the costs and shall remain available until expended without fiscal year limitation. The Secretary of Agriculture shall have a lien for the fees, any late payment penalty, and any accrued interest assessed against the plant or plant product for which services have been provided. In the case of any person who fails to make payment when due, the Secretary of Agriculture shall also have a lien against any plant or plant product thereafter attempted to be exported by such person. The Secretary of Agriculture may, in case of nonpayment of the fees, late payment penalty, or accrued interest, after giving reasonable notice of default to the person liable for payment of such assessments, sell at public sale after reasonable public notice, or otherwise dispose of, any such plant or plant product upon which the Secretary of Agriculture has a lien pursuant to this section. If the sale proceeds exceed the fees due, any late payment penalty assessed, any accrued interest and the expenses of the sale, the excess shall be paid, in accordance with regulations of the Secretary of Agriculture, to the owner of the plant or plant product sold upon the owner making application therefore with proof of ownership, within six months after such sale, and otherwise the excess shall be credited to accounts that incur the costs and shall remain available until expended. The Secretary of Agriculture shall, pursuant to regulations as prescribed by the Secretary of Agriculture, suspend performance of services to persons who have failed to pay such fees, late payment penalty and accrued interest.

CODIFICATION

Section was formerly classified to section 147a of this title.

Section was not enacted as part of the Plant Protection Act which comprises this chapter.

AMENDMENTS

2000—Subsecs. (a) to (e). Pub. L. 106-224 struck out subsecs. (a) to (e), which authorized measures for con-

trol and eradication of plant pests, set forth provisions relating to intergovernmental cooperation and responsibility of cooperating foreign agencies, defined terms as used in this section, and authorized rules and regulations to provide for inspection and certification of plants and plant products offered for export or transiting the United States.

1990—Subsec. (b). Pub. L. 101-624, § 2504, substituted “foreign countries” for “all countries of the Western Hemisphere” and inserted “foreign or” before “international”.

Subsec. (f). Pub. L. 101-624, § 2509(b), amended subsec. (f) generally. Prior to amendment, subsec. (f) read as follows: “There are hereby authorized to be appropriated such sums as the Congress may annually determine to be necessary to enable the Secretary of Agriculture to carry out the provisions of this section. Unless otherwise specifically authorized, or provided for in appropriations, no part of such sums shall be used to pay the cost or value of property injured or destroyed.”

1976—Subsecs. (a) to (d). Pub. L. 94-231 redesignated existing provisions of subsec. (a) as subsecs. (a) to (d) and broadened Secretary’s authority to control and eradicate plant pests and animal diseases, extended Secretary’s authority to cooperate with foreign governments, and inserted definitions for “plant pest” and “living stage”. Former subsecs. (b) and (c) redesignated (e) and (f), respectively.

Subsec. (e). Pub. L. 94-231 redesignated subsec. (b) as (e) and made discretionary the Secretary’s authority to provide phytosanitary inspection and certification service for domestic plants and plant products offered for export or transit in the United States.

Subsec. (f). Pub. L. 94-231 redesignated subsec. (c) as (f) and substituted provisions authorizing appropriations on a Congressional finding of necessity made “annually” for provisions authorizing appropriations on a Congressional finding of necessity made “from time to time”.

1957—Subsec. (a). Pub. L. 85-36 inserted “insect pests, plant diseases, and nematodes, such as imported fire ant, soybean cyst nematode, witchweed, spotted alfalfa aphid,” after “or to prevent or retard the spread of”.

1949—Subsec. (a). Act June 17, 1949, authorized the Secretary to carry out operations to combat the citrus blackfly, white-fringed beetle, and the Hall scale.

§ 7760. State terminal inspection; transmission of mailed packages for State inspection; non-mailable matter; punishment for violations; rules and regulations by United States Postal Service

When any State shall provide for terminal inspection of plants and plant products, and shall establish and maintain, at the sole expense of the State, such inspection at one or more places therein, the proper officials of said State may submit to the Secretary of Agriculture a list of plants and plant products and the plant pests transmitted thereby, that in the opinion of said officials should be subject to terminal inspection in order to prevent the introduction or dissemination in said State of pests injurious to agriculture. Upon his approval of said list, in whole or in part, the Secretary of Agriculture shall transmit the same to the United States Postal Service, and thereafter all packages containing any plants or plant products named in said approved lists shall, upon payment of postage therefor, be forwarded by the postmaster at the destination of said package to the proper State official at the nearest place where inspection is maintained. If the plants or plant products (including seed) are found upon inspection to be free from injurious pests and not in violation of a plant-quarantine law or plant-quar-
