##### EFFECTIVE DATE OF 2006 AMENDMENT

Pub. L. 109-171, title I, §1103(b), Feb. 8, 2006, 120 Stat. 5, provided that: “The amendments made by this section [amending this section] take effect on August 1, 2006.”

#### § 7938. Special competitive provisions for extra long staple cotton

##### (a) Competitiveness program

Notwithstanding any other provision of law, during the period beginning on May 13, 2002, through July 31, 2008, the Secretary shall carry out a program—

- (1) to maintain and expand the domestic use of extra long staple cotton produced in the United States;
- (2) to increase exports of extra long staple cotton produced in the United States; and
- (3) to ensure that extra long staple cotton produced in the United States remains competitive in world markets.

##### (b) Payments under program; trigger

Under the program, the Secretary shall make payments available under this section whenever—

- (1) for a consecutive 4-week period, the world market price for the lowest priced competing growth of extra long staple cotton (adjusted to United States quality and location and for other factors affecting the competitiveness of such cotton), as determined by the Secretary, is below the prevailing United States price for a competing growth of extra long staple cotton; and
- (2) the lowest priced competing growth of extra long staple cotton (adjusted to United States quality and location and for other factors affecting the competitiveness of such cotton), as determined by the Secretary, is less than 134 percent of the loan rate for extra long staple cotton.

##### (c) Eligible recipients

The Secretary shall make payments available under this section to domestic users of extra long staple cotton produced in the United States and exporters of extra long staple cotton produced in the United States that enter into an agreement with the Commodity Credit Corporation to participate in the program under this section.

##### (d) Payment amount

Payments under this section shall be based on the amount of the difference in the prices re-

ferred to in subsection (b)(1) during the fourth week of the consecutive 4-week period multiplied by the amount of documented purchases by domestic users and sales for export by exporters made in the week following such a consecutive 4-week period.

##### (e) Form of payment

Payments under this section shall be made through the issuance of cash or marketing certificates, at the option of eligible recipients of the payments.

(Pub. L. 107-171, title I, §1208, May 13, 2002, 116 Stat. 164.)

#### § 7939. Availability of recourse loans for high moisture feed grains and seed cotton

##### (a) High moisture feed grains

###### (1) Recourse loans available

For each of the 2002 through 2007 crops of corn and grain sorghum, the Secretary shall make available recourse loans, as determined by the Secretary, to producers on a farm that—

(A) normally harvest all or a portion of their crop of corn or grain sorghum in a high moisture state;

(B) present—

(i) certified scale tickets from an inspected, certified commercial scale, including a licensed warehouse, feedlot, feed mill, distillery, or other similar entity approved by the Secretary, pursuant to regulations issued by the Secretary; or

(ii) field or other physical measurements of the standing or stored crop in regions of the United States, as determined by the Secretary, that do not have certified commercial scales from which certified scale tickets may be obtained within reasonable proximity of harvest operation;

(C) certify that they were the owners of the feed grain at the time of delivery to, and that the quantity to be placed under loan under this subsection was in fact harvested on the farm and delivered to, a feedlot, feed mill, or commercial or on-farm high-moisture storage facility, or to a facility maintained by the users of corn and grain sorghum in a high moisture state; and

(D) comply with deadlines established by the Secretary for harvesting the corn or grain sorghum and submit applications for loans under this subsection within deadlines established by the Secretary.

###### (2) Eligibility of acquired feed grains

A loan under this subsection shall be made on a quantity of corn or grain sorghum of the same crop acquired by the producer equivalent to a quantity determined by multiplying—

(A) the acreage of the corn or grain sorghum in a high moisture state harvested on the producer's farm; by

(B) the lower of the farm program payment yield used to make counter-cyclical payments under subchapter I or the actual yield on a field, as determined by the Secretary, that is similar to the field from which the corn or grain sorghum was obtained.
