

ginning on the date that is 60 days after May 13, 2002, and ending on September 30, 2007.

(g) Duration of contract

(1) In general

Except as provided in paragraph (2), any contract entered into by producers on a dairy farm under this section shall cover eligible production marketed by the producers on the dairy farm during the period starting with the first day of month the producers on the dairy farm enter into the contract and ending on September 30, 2007.

(2) Violations

If a producer violates the contract, the Secretary may—

(A) terminate the contract and allow the producer to retain any payments received under the contract; or

(B) allow the contract to remain in effect and require the producer to repay a portion of the payments received under the contract based on the severity of the violation.

§ 7983. Study of national dairy policy

(a) Study required

The Secretary of Agriculture shall conduct a comprehensive economic evaluation of the potential direct and indirect effects of the various elements of the national dairy policy, including an examination of the effect of the national dairy policy on—

(1) farm price stability, farm profitability and viability, and local rural economies in the United States;

(2) child, senior, and low-income nutrition programs, including impacts on schools and institutions participating in the programs, on program recipients, and other factors; and

(3) the wholesale and retail cost of fluid milk, dairy farms, and milk utilization.

(b) Report

Not later than 1 year after May 13, 2002, the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report describing the results of the study required by this section.

(c) National dairy policy defined

In this section, the term “national dairy policy” means the dairy policy of the United States as evidenced by the following policies and programs:

(1) Federal milk marketing orders issued under section 608c of this title.

(2) Interstate dairy compacts (including proposed compacts described in H.R. 1827 and S. 1157, as introduced in the 107th Congress).

(3) Over-order premiums and State pricing programs.

(4) Direct payments to milk producers.

(5) Federal milk price support program established under section 7981 of this title.¹

(6) Export programs regarding milk and dairy products, such as the dairy export incentive program established under section 713a-14 of title 15.¹
