

(iv) General Note 3(a)(iv) to the Harmonized Tariff Schedule.

(D) Quota entry period

When a quota is established under this subsection, cotton may be entered under the quota during the 90-day period beginning on the date the quota is established by the Secretary.

(3) No overlap

Notwithstanding paragraph (2), a quota period may not be established that overlaps an existing quota period or a special quota period established under subsection (a).

(c) Economic adjustment assistance for textile mills

(1) In general

Subject to paragraph (2), the Secretary shall, on a monthly basis, make economic adjustment assistance available to domestic users of upland cotton in the form of payments for all documented use of that upland cotton during the previous monthly period regardless of the origin of the upland cotton.

(2) Value of assistance

Effective beginning on August 1, 2013, the value of the assistance provided under paragraph (1) shall be 3 cents per pound.

(3) Allowable purposes

Economic adjustment assistance under this subsection shall be made available only to domestic users of upland cotton that certify that the assistance shall be used only to acquire, construct, install, modernize, develop, convert, or expand land, plant, buildings, equipment, facilities, or machinery.

(4) Review or audit

The Secretary may conduct such review or audit of the records of a domestic user under this subsection as the Secretary determines necessary to carry out this subsection.

(5) Improper use of assistance

If the Secretary determines, after a review or audit of the records of the domestic user, that economic adjustment assistance under this subsection was not used for the purposes specified in paragraph (3), the domestic user shall be—

(A) liable for the repayment of the assistance to the Secretary, plus interest, as determined by the Secretary; and

(B) ineligible to receive assistance under this subsection for a period of 1 year following the determination of the Secretary.

AMENDMENTS

2018—Subsec. (c). Pub. L. 115–334 substituted “Economic adjustment assistance for textile mills” for

“Economic adjustment assistance to users of upland cotton” in heading.

§ 9038. Special competitive provisions for extra long staple cotton

(a) Competitiveness program

Notwithstanding any other provision of law, during the period beginning on February 7, 2014, through July 31, 2024, the Secretary shall carry out a program—

(1) to maintain and expand the domestic use of extra long staple cotton produced in the United States;

(2) to increase exports of extra long staple cotton produced in the United States; and

(3) to ensure that extra long staple cotton produced in the United States remains competitive in world markets.

(b) Payments under program; trigger

Under the program, the Secretary shall make payments available under this section whenever—

(1) for a consecutive 4-week period, the world market price for the lowest priced competing growth of extra long staple cotton (adjusted to United States quality and location and for other factors affecting the competitiveness of such cotton), as determined by the Secretary, is below the prevailing United States price for a competing growth of extra long staple cotton; and

(2) the lowest priced competing growth of extra long staple cotton (adjusted to United States quality and location and for other factors affecting the competitiveness of such cotton), as determined by the Secretary, is less than 113 percent of the loan rate for extra long staple cotton.

(c) Eligible recipients

The Secretary shall make payments available under this section to domestic users of extra long staple cotton produced in the United States and exporters of extra long staple cotton produced in the United States that enter into an agreement with the Commodity Credit Corporation to participate in the program under this section.

(d) Payment amount

Payments under this section shall be based on the amount of the difference in the prices referred to in subsection (b)(1) during the fourth week of the consecutive 4-week period multiplied by the amount of documented purchases by domestic users and sales for export by exporters made in the week following such a consecutive 4-week period.

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–334, §1204(a), substituted “2024” for “2019” in introductory provisions.

Subsec. (b)(2). Pub. L. 115–334, §1204(b), substituted “113 percent” for “134 percent”.

§ 9039. Availability of recourse loans for high moisture feed grains and seed cotton

(a) High moisture feed grains

(1) Definition of high moisture state

In this subsection, the term “high moisture state” means corn or grain sorghum having a moisture content in excess of Commodity Credit Corporation standards for marketing assistance loans made by the Secretary under section 9031 of this title.

(2) Recourse loans available

For each of the 2014 through 2023 crops of corn and grain sorghum, the Secretary shall make available recourse loans, as determined by the Secretary, to producers on a farm that—

(A) normally harvest all or a portion of their crop of corn or grain sorghum in a high moisture state;

(B) present—

(i) certified scale tickets from an inspected, certified commercial scale, including a licensed warehouse, feedlot, feed mill, distillery, or other similar entity approved by the Secretary, pursuant to regulations issued by the Secretary; or

(ii) field or other physical measurements of the standing or stored crop in regions of the United States, as determined by the Secretary, that do not have certified commercial scales from which certified scale tickets may be obtained within reasonable proximity of harvest operation;

(C) certify that the producers on the farm were the owners of the feed grain at the time of delivery to, and that the quantity to be placed under loan under this subsection was in fact harvested on the farm and delivered to, a feedlot, feed mill, or commercial or on-farm high-moisture storage facility, or to a facility maintained by the users of corn and grain sorghum in a high moisture state; and

(D) comply with deadlines established by the Secretary for harvesting the corn or grain sorghum and submit applications for loans under this subsection within deadlines established by the Secretary.

(3) Eligibility of acquired feed grains

A loan under this subsection shall be made on a quantity of corn or grain sorghum of the same crop acquired by the producer equivalent to a quantity determined by multiplying—

(A) the acreage of the corn or grain sorghum in a high moisture state harvested on the farm of the producer; by

(B) the lower of—

(i) the payment yield in effect for the calculation of price loss coverage under section 9015 of this title, or the payment yield deemed to be in effect or established under subclause (II) or (III) of section 9036(b)(1)(B)(ii) of this title, with respect to corn or grain sorghum on a field that is similar to the field from which the corn or grain sorghum referred to in subparagraph (A) was obtained; or

(ii) the actual yield of corn or grain sorghum on a field, as determined by the Sec-

retary, that is similar to the field from which the corn or grain sorghum referred to in subparagraph (A) was obtained.

(b) Recourse loans available for seed cotton

For each of the 2014 through 2023 crops of upland cotton and extra long staple cotton, the Secretary shall make available recourse seed cotton loans, as determined by the Secretary, on any production.

(c) Recourse loans available for contaminated commodities

In the case of a loan commodity that is ineligible for 100 percent of the nonrecourse marketing loan rate in the county due to a determination that the commodity is contaminated yet still merchantable, for each of the 2019 through 2023 crops of such loan commodity, the Secretary shall make available recourse commodity loans, at the rate provided under section 9032 of this title, on any production.

(d) Repayment rates

Repayment of a recourse loan made under this section shall be at the loan rate established for the commodity by the Secretary, plus interest (determined in accordance with section 7283 of this title).

(Pub. L. 113-79, title I, § 1209, Feb. 7, 2014, 128 Stat. 685; Pub. L. 115-334, title I, § 1205, Dec. 20, 2018, 132 Stat. 4510.)

AMENDMENTS

2018—Subsecs. (a)(2), (b). Pub. L. 115-334, § 1205(a), substituted “2023” for “2018”.

Subsecs. (c), (d). Pub. L. 115-334, § 1205(b), added subsec. (c) and redesignated former subsec. (c) as (d).

§ 9040. Adjustments of loans

(a) Adjustment authority

Subject to subsection (e), the Secretary may make appropriate adjustments in the loan rates for any loan commodity (other than cotton) for differences in grade, type, quality, location, and other factors.

(b) Manner of adjustment

The adjustments under subsection (a) shall, to the maximum extent practicable, be made in such a manner that the average loan level for the commodity will, on the basis of the anticipated incidence of the factors, be equal to the level of support determined in accordance with this subchapter and subtitle C.

(c) Adjustment on county basis

(1) In general

The Secretary may establish loan rates for a crop for producers in individual counties in a manner that results in the lowest loan rate being 95 percent of the national average loan rate, if those loan rates do not result in an increase in outlays.

(2) Prohibition

Adjustments under this subsection shall not result in an increase in the national average loan rate for any year.
