#### EX. ORD. NO. 14010. CREATING A COMPREHENSIVE REGIONAL FRAMEWORK TO ADDRESS THE CAUSES OF MIGRATION, TO MANAGE MIGRATION THROUGHOUT NORTH AND CENTRAL AMERICA, AND TO PROVIDE SAFE AND ORDERLY PROCESSING OF ASYLUM SEEKERS AT THE UNITED STATES BORDER

Ex. Ord. No. 14010, Feb. 2, 2021, 86 F.R. 8267, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, it is hereby ordered as follows:

SECTION 1. *Policy.* For generations, immigrants have come to the United States with little more than the clothes on their backs, hope in their hearts, and a desire to claim their own piece of the American Dream. These mothers, fathers, sons, and daughters have made our Nation better and stronger.

The United States is also a country with borders and with laws that must be enforced. Securing our borders does not require us to ignore the humanity of those who seek to cross them. The opposite is true. We cannot solve the humanitarian crisis at our border without addressing the violence, instability, and lack of opportunity that compel so many people to flee their homes. Nor is the United States safer when resources that should be invested in policies targeting actual threats, such as drug cartels and human traffickers, are squandered on efforts to stymie legitimate asylum seekers.

Consistent with these principles, my Administration will implement a multi-pronged approach toward managing migration throughout North and Central America that reflects the Nation's highest values. We will work closely with civil society, international organizations, and the governments in the region to: establish a comprehensive strategy for addressing the causes of migration in the region; build, strengthen, and expand Central and North American countries' asylum systems and resettlement capacity; and increase opportunities for vulnerable populations to apply for protection closer to home. At the same time, the United States will enhance lawful pathways for migration to this country and will restore and strengthen our own asylum system, which has been badly damaged by policies enacted over the last 4 years that contravened our values and caused needless human suffering.

SEC. 2. *United States Strategies for Addressing the Root Causes of Irregular Migration and for Collaboratively Managing Migration in the Region.* (a) The Assistant to the President for National Security Affairs (APNSA), in coordination with the Secretary of State, the Attorney

General, the Secretary of Homeland Security, and the heads of any other relevant executive departments and agencies, shall as soon as possible prepare:

(i) the United States Strategy for Addressing the Root Causes of Migration (the “Root Causes Strategy”); and

(ii) the United States Strategy for Collaboratively Managing Migration in the Region (the “Collaborative Management Strategy”).

(b) The Root Causes Strategy shall identify and prioritize actions to address the underlying factors leading to migration in the region and ensure coherence of United States Government positions. The Root Causes Strategy shall take into account, as appropriate, the views of bilateral, multilateral, and private sector partners, as well as civil society, and it shall include proposals to:

(i) coordinate place-based efforts in El Salvador, Guatemala, and Honduras (the “Northern Triangle”) to address the root causes of migration, including by:

(A) combating corruption, strengthening democratic governance, and advancing the rule of law;

(B) promoting respect for human rights, labor rights, and a free press;

(C) countering and preventing violence, extortion, and other crimes perpetrated by criminal gangs, trafficking networks, and other organized criminal organizations;

(D) combating sexual, gender-based, and domestic violence; and

(E) addressing economic insecurity and inequality;

(ii) consult and collaborate with the Office of the United States Trade Representative, the Secretary of Commerce, and the Secretary of Labor to evaluate compliance with the Dominican Republic-Central America Free Trade Agreement to ensure that unfair labor practices do not disadvantage competition; and

(iii) encourage the deployment of Northern Triangle domestic resources and the development of Northern Triangle domestic capacity to replicate and scale efforts to foster sustainable societies across the region.

(c) The Collaborative Management Strategy shall identify and prioritize actions to strengthen cooperative efforts to address migration flows, including by expanding and improving upon previous efforts to resettle throughout the region those migrants who qualify for humanitarian protection. The Collaborative Management Strategy should focus on programs and infrastructure that facilitate access to protection and other lawful immigration avenues, in both the United States and partner countries, as close to migrants’ homes as possible. Priorities should include support for expanding pathways through which individuals facing difficult or dangerous conditions in their home countries can find stability and safety in receiving countries throughout the region, not only through asylum and refugee resettlement, but also through labor and other non-protection-related programs. To support the development of the Collaborative Management Strategy, the United States Government shall promptly begin consultations with civil society, the private sector, international organizations, and governments in the region, including the Government of Mexico. These consultations should address:

(i) the continued development of asylum systems and resettlement capacities of receiving countries in the region, including through the provision of funding, training, and other support;

(ii) the development of internal relocation and integration programs for internally displaced persons, as well as return and reintegration programs for returnees in relevant countries of the region; and

(iii) humanitarian assistance, including through expansion of shelter networks, to address the immediate needs of individuals who have fled their homes to seek protection elsewhere in the region.

SEC. 3. *Expansion of Lawful Pathways for Protection and Opportunity in the United States.* (a) The Secretary of State and the Secretary of Homeland Security shall promptly review mechanisms for better identifying and

processing individuals from the Northern Triangle who are eligible for refugee resettlement to the United States. Consideration shall be given to increasing access and processing efficiency. As part of this review, the Secretary of State and the Secretary of Homeland Security shall also identify and implement all legally available and appropriate forms of relief to complement the protection afforded through the United States Refugee Admissions Program. The Secretary of State and Secretary of Homeland Security shall submit a report to the President with the results of the review.

(b) As part of the review conducted pursuant to section 3(a) of this order, the Secretary of Homeland Security shall:

(i) consider taking all appropriate actions to reverse the 2017 decision rescinding the Central American Minors (CAM) parole policy and terminating the CAM Parole Program, see “Termination of the Central American Minors Parole Program,” 82 FR 38,926 (August 16, 2017), and consider initiating appropriate actions to reinstitute and improve upon the CAM Parole Program; and

(ii) consider promoting family unity by exercising the Secretary’s discretionary parole authority to permit certain nationals of the Northern Triangle who are the beneficiaries of approved family-sponsored immigrant visa petitions to join their family members in the United States, on a case-by-case basis.

(c) The Secretary of State and the Secretary of Homeland Security shall promptly evaluate and implement measures to enhance access for individuals from the Northern Triangle to visa programs, as appropriate and consistent with applicable law.

SEC. 4. *Restoring and Enhancing Asylum Processing at the Border.* (a) *Resuming the Safe and Orderly Processing of Asylum Claims at United States Land Borders.*

(i) The Secretary of Homeland Security and the Director of the Centers for Disease Control and Prevention (CDC), in coordination with the Secretary of State, shall promptly begin consultation and planning with international and non-governmental organizations to develop policies and procedures for the safe and orderly processing of asylum claims at United States land borders, consistent with public health and safety and capacity constraints.

(ii) The Secretary of Homeland Security, in consultation with the Attorney General, the Secretary of Health and Human Services (HHS), and the Director of CDC, shall promptly begin taking steps to reinstate the safe and orderly reception and processing of arriving asylum seekers, consistent with public health and safety and capacity constraints. Additionally, in furtherance of this goal, as appropriate and consistent with applicable law:

(A) The Secretary of HHS and the Director of CDC, in consultation with the Secretary of Homeland Security, shall promptly review and determine whether termination, rescission, or modification of the following actions is necessary and appropriate: “Order Suspending the Right To Introduce Certain Persons From Countries Where a Quarantinable Communicable Disease Exists,” 85 FR 65,806 (October 13, 2020); and “Control of Communicable Diseases; Foreign Quarantine: Suspension of the Right to Introduce and Prohibition of Introduction of Persons into United States from Designated Foreign Countries or Places for Public Health Purposes,” 85 FR 56,424 (September 11, 2020) (codified at 42 CFR 71.40).

(B) The Secretary of Homeland Security shall promptly review and determine whether to terminate or modify the program known as the Migrant Protection Protocols (MPP), including by considering whether to rescind the Memorandum of the Secretary of Homeland Security titled “Policy Guidance for Implementation of the Migrant Protection Protocols” (January 25, 2019), and any implementing guidance. In coordination with the Secretary of State, the Attorney General, and the Director of CDC, the Secretary of Homeland Security shall promptly consider a phased strategy for the safe and orderly entry into

the United States, consistent with public health and safety and capacity constraints, of those individuals who have been subjected to MPP for further processing of their asylum claims.

(C) The Attorney General and the Secretary of Homeland Security shall promptly review and determine whether to rescind the interim final rule titled “Aliens Subject to a Bar on Entry Under Certain Presidential Proclamations; Procedures for Protection Claims,” 83 FR 55,934 (November 9, 2018), and the final rule titled “Asylum Eligibility and Procedural Modifications,” 85 FR 82,260 (December 17, 2020), as well as any agency memoranda or guidance that were issued in reliance on those rules.

(D) The Attorney General and the Secretary of Homeland Security shall promptly review and determine whether to rescind the interim final rule titled “Implementing Bilateral and Multilateral Asylum Cooperative Agreements Under the Immigration and Nationality Act,” 84 FR 63,994 (November 19, 2019), as well as any agency memoranda or guidance issued in reliance on that rule. In the interim, the Secretary of State shall promptly consider whether to notify the governments of the Northern Triangle that, as efforts to establish a cooperative, mutually respectful approach to managing migration across the region begin, the United States intends to suspend and terminate the following agreements:

(1) “Agreement Between the Government of the United States of America and the Government of the Republic of Guatemala on Cooperation Regarding the Examination of Protection Claims,” 84 FR 64,095 (July 26, 2019).

(2) “Agreement Between the Government of the United States of America and the Government of the Republic of El Salvador for Cooperation in the Examination of Protection Claims,” 85 FR 83,597 (September 20, 2019).

(3) “Agreement Between the Government of the United States of America and the Government of the Republic of Honduras for Cooperation in the Examination of Protection Claims,” 85 FR 25,462 (September 25, 2019).

(E) The Secretary of Homeland Security shall promptly cease implementing the “Prompt Asylum Case Review” program and the “Humanitarian Asylum Review Program” and consider rescinding any orders, rules, regulations, guidelines or policies implementing those programs.

(F) The following Presidential documents are revoked:

(1) Executive Order 13767 of January 25, 2017 (Border Security and Immigration Enforcement Improvements) [formerly set out above].

Within 120 days of the date of this order [Feb. 2, 2021], the

Secretary of Homeland Security shall submit a report to the President with the results of this review and recommendations for creating a more efficient and orderly process that facilitates timely adjudications and adherence to standards of fairness and due process.

(ii) The Secretary of Homeland Security shall promptly review and consider whether to modify, revoke, or rescind the designation titled “Designating Aliens for Expedited Removal,” 84 FR 35,409 (July 23, 2019), regarding the geographic scope of expedited removal pursuant to INA section 235(b)(1), 8 U.S.C. 1225(b)(1), consistent with applicable law. The review shall consider our legal and humanitarian obligations, constitutional principles of due process and other applicable law, enforcement resources, the public interest, and any other factors consistent with this order that the Secretary deems appropriate. EX. ORD. NO. 14012. RESTORING FAITH IN OUR LEGAL IMMIGRATION SYSTEMS AND STRENGTHENING INTEGRATION AND INCLUSION EFFORTS FOR NEW AMERICANS

Ex. Ord. No. 14012, Feb. 2, 2021, 86 F.R. 8277, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Policy.* Over 40 million foreign-born individuals live in the United States today. Millions more Americans have immigrants in their families or ancestry. New Americans and their children fuel our economy, working in every industry, including healthcare, construction, caregiving, manufacturing, service, and agriculture. They open and successfully run businesses at high rates, creating jobs for millions, and they contribute to our arts, culture, and government, providing new traditions, customs, and viewpoints. They are essential workers helping to keep our economy afloat and providing important services to Americans during a global pandemic. They have helped the United States lead the world in science, technology, and innovation. And they are on the frontlines of research to develop coronavirus disease 2019 (COVID-19) vaccines and treatments for those afflicted with the deadly disease.

Consistent with our character as a Nation of opportunity and of welcome, it is essential to ensure that our laws and policies encourage full participation by immigrants, including refugees, in our civic life; that immigration processes and other benefits are delivered effectively and efficiently; and that the Federal Government eliminates sources of fear and other barriers that prevent immigrants from accessing government services available to them. Our Nation is enriched socially and economically by the presence of immigrants,

and we celebrate with them as they take the important step of becoming United States citizens. The Federal Government should develop welcoming strategies that promote integration, inclusion, and citizenship, and it should embrace the full participation of the newest Americans in our democracy.

**SEC. 2. *Role of the Domestic Policy Council.*** The role of the White House Domestic Policy Council (DPC) is to convene executive departments and agencies (agencies) to coordinate the formulation and implementation of my Administration's domestic policy objectives. Consistent with that role, the DPC shall coordinate the Federal Government's efforts to welcome and support immigrants, including refugees, and to catalyze State and local integration and inclusion efforts. In furtherance of these goals, the DPC shall convene a Task Force on New Americans, which shall include members of agencies that implement policies that impact immigrant communities.

**SEC. 3. *Restoring Trust in our Legal Immigration System.*** The Secretary of State, the Attorney General, and the Secretary of Homeland Security shall review existing regulations, orders, guidance documents, policies, and any other similar agency actions (collectively, agency actions) that may be inconsistent with the policy set forth in section 1 of this order.

(a) In conducting this review, the Secretary of State, the Attorney General, and the Secretary of Homeland Security shall:

(i) identify barriers that impede access to immigration benefits and fair, efficient adjudications of these benefits and make recommendations on how to remove these barriers, as appropriate and consistent with applicable law; and

(ii) identify any agency actions that fail to promote access to the legal immigration system—such as the final rule entitled, “U.S. Citizenship and Immigration Services Fee Schedule and Changes to Certain Other Immigration Benefit Request Requirements,” 85 Fed. Reg. 46788 (Aug. 3, 2020), in light of the Emergency Stopgap USCIS Stabilization Act (title I of division D of Public Law 116-159)—and recommend steps, as appropriate and consistent with applicable law, to revise or rescind those agency actions.

(b) Within 90 days of the date of this order [Feb. 2, 2021], the Secretary of State, the Attorney General, and the Secretary of Homeland Security shall each submit a plan to the President describing the steps their respective agencies will take to advance the policy set forth in section 1 of this order.

(c) Within 180 days of submitting the plan described in subsection (b) of this section, the Secretary of State, the Attorney General, and the Secretary of Homeland Security shall each submit a report to the President describing the progress of their respective agencies towards implementing the plan developed pursuant to subsection (b) of this section and recognizing any areas of concern or barriers to implementing the plan.

**SEC. 4. *Immediate Review of Agency Actions on Public Charge Inadmissibility.*** The Secretary of State, the Attorney General, the Secretary of Homeland Security, and the heads of other relevant agencies, as appropriate, shall review all agency actions related to implementation of the public charge ground of inadmissibility in section 212(a)(4) of the Immigration and Nationality Act (INA), 8 U.S.C. 1182(a)(4), and the related ground of deportability in section 237(a)(5) of the INA, 8 U.S.C. 1227(a)(5). They shall, in considering the effects and implications of public charge policies, consult with the heads of relevant agencies, including the Secretary of Agriculture, the Secretary of Health and Human Services, and the Secretary of Housing and Urban Development.

(a) This review should:

(i) consider and evaluate the current effects of these agency actions and the implications of their continued implementation in light of the policy set forth in section 1 of this order;

(ii) identify appropriate agency actions, if any, to address concerns about the current public charge policies'

effect on the integrity of the Nation's immigration system and public health; and

(iii) recommend steps that relevant agencies should take to clearly communicate current public charge policies and proposed changes, if any, to reduce fear and confusion among impacted communities.

(b) Within 60 days of the date of this order, the Secretary of State, the Attorney General, and the Secretary of Homeland Security shall each submit a report to the President describing any agency actions identified pursuant to subsection (a)(ii) of this section and any steps their agencies intend to take or have taken, consistent with subsection (a)(iii) of this section.

**SEC. 5. *Promoting Naturalization.***

(a) *Improving the naturalization process.* The Secretary of State, the Attorney General, and the Secretary of Homeland Security shall, within 60 days of the date of this order, develop a plan describing any agency actions, in furtherance of the policy set forth in section 1 of this order, that they will take to:

(i) eliminate barriers in and otherwise improve the existing naturalization process, including by conducting a comprehensive review of that process with particular emphasis on the N-400 application, fingerprinting, background and security checks, interviews, civics and English language tests, and the oath of allegiance;

(ii) substantially reduce current naturalization processing times;

(iii) make the naturalization process more accessible to all eligible individuals, including through a potential reduction of the naturalization fee and restoration of the fee waiver process;

(iv) facilitate naturalization for eligible candidates born abroad and members of the military, in consultation with the Department of Defense; and

(v) review policies and practices regarding denaturalization and passport revocation to ensure that these authorities are not used excessively or inappropriately.

(b) *Implementing improvements to the naturalization process.* Within 180 days of the issuance of the plan developed pursuant to subsection (a) of this section, the Secretary of State, the Attorney General, and the Secretary of Homeland Security shall each submit a report to the President describing the progress in implementing the plan, any barriers to implementing the plan, and any additional areas of concern that should be addressed to ensure that eligible individuals are able to apply for naturalization in a fair and efficient manner.

(c) *Strategy to promote naturalization.* There is established an Interagency Working Group on Promoting Naturalization (Naturalization Working Group) to develop a national strategy to promote naturalization. The Naturalization Working Group shall be chaired by the Secretary of Homeland Security, or the Secretary's designee, and it shall include the heads of the following agencies, or senior-level officials designated by the head of each agency:

(i) the Secretary of Labor;

(ii) the Secretary of Health and Human Services;

(iii) the Secretary of Housing and Urban Development;

(iv) the Secretary of Education;

(v) the Secretary of Homeland Security;

(vi) the Commissioner of Social Security; and

(vii) the heads of other agencies invited to participate by the Working Group chair.

(d) Within 90 days of the date of this order, the Naturalization Working Group shall submit a strategy to the President outlining steps the Federal Government should take to promote naturalization, including the potential development of a public awareness campaign.

**SEC. 6. *Revocation.*** The Presidential Memorandum of May 23, 2019 (Enforcing the Legal Responsibilities of Sponsors of Aliens), is revoked. The heads of relevant agencies shall review any investigations or compliance actions initiated pursuant to that memorandum and shall determine whether to suspend, as appropriate,

any investigations or compliance actions inconsistent with the policy set forth in section 1 of this order. The heads of relevant agencies shall review any agency actions developed pursuant to that memorandum and, as appropriate, issue revised guidance consistent with the policy set forth in section 1 of this order.

SEC. 7. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

#### CREATING WELCOMING COMMUNITIES AND FULLY INTEGRATING IMMIGRANTS AND REFUGEES

Memorandum of President of the United States, Nov. 21, 2014, 79 F.R. 70765, provided:

Memorandum for the Heads of Executive Departments and Agencies

Our country has long been a beacon of hope and opportunity for people from around the world. Nearly 40 million foreign-born residents nationwide contribute to their communities every day, including 3 million refugees who have resettled here since 1975. These new Americans significantly improve our economy. They make up 13 percent of the population, but are over 16 percent of the labor force and start 28 percent of all new businesses. Moreover, immigrants or their children have founded more than 40 percent of Fortune 500 companies, which collectively employ over 10 million people worldwide and generate annual revenues of \$4.2 trillion.

By focusing on the civic, economic, and linguistic integration of new Americans, we can help immigrants and refugees in the United States contribute fully to our economy and their communities. Civic integration provides new Americans with security in their rights and liberties. Economic integration empowers immigrants to be self-sufficient and allows them to give back to their communities and contribute to economic growth. English language acquisition allows new Americans to attain employment or career advancement and be more active civic participants.

Our success as a Nation of immigrants is rooted in our ongoing commitment to welcoming and integrating newcomers into the fabric of our country. It is important that we develop a Federal immigrant integration strategy that is innovative and competitive with those of other industrialized nations and supports mechanisms to ensure that our Nation's diverse people are contributing to society to their fullest potential.

Therefore, I am establishing a White House Task Force on New Americans, an interagency effort to identify and support State and local efforts at integration that are working and to consider how to expand and replicate successful models. The Task Force, which will engage with community, business, and faith leaders, as well as State and local elected officials, will help determine additional steps the Federal Government can take to ensure its programs and policies are serving diverse communities that include new Americans.

By the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby order as follows:

#### SECTION 1. *White House Task Force on New Americans.*

(a) There is established a White House Task Force on New Americans (Task Force) to develop a coordinated Federal strategy to better integrate new Americans into communities and support State and local efforts to

do the same. It shall be co-chaired by the Director of the Domestic Policy Council and Secretary of Homeland Security, or their designees. In addition to the Co-Chairs, the Task Force shall consist of the following members:

(i) the Secretary of State;

(ii) the Attorney General;

(iii) the Secretary of Agriculture;

(iv) the Secretary of Commerce;

(v) the Secretary of Labor;

(vi) the Secretary of Health and Human Services;

(vii) the Secretary of Housing and Urban Development;

(viii) the Secretary of Transportation;

(ix) the Secretary of Education;

(x) the Chief Executive Officer of the Corporation for National and Community Service;

(xi) the Director of the Office of Management and Budget;

(xii) the Administrator of the Small Business Administration;

(xiii) the Senior Advisor and Assistant to the President for Intergovernmental Affairs and Public Engagement;

(xiv) the Director of the National Economic Council;

(xv) the Assistant to the President for Homeland Security and Counterterrorism; and

(xvi) the Director of the Office of Science and Technology Policy.

(b) A member of the Task Force may designate a senior-level official who is from the member's department, agency, or office, and is a full-time officer or employee of the Federal Government, to perform day-to-day Task Force functions of the member. At the direction of the Co-Chairs, the Task Force may establish subgroups consisting exclusively of Task Force members or their designees under this subsection, as appropriate.

(c) The Secretary of Homeland Security shall appoint an Executive Director who will determine the Task Force's agenda, convene regular meetings of the Task Force, and supervise work under the direction of the Co-Chairs. The Department of Homeland Security shall provide funding and administrative support for the Task Force to the extent permitted by law and subject to the availability of appropriations. Each executive department or agency shall bear its own expenses for participating in the Task Force.

SEC. 2. *Mission and Function of the Task Force.* (a) The Task Force shall, consistent with applicable law, work across executive departments and agencies to:

(i) review the policies and programs of all relevant executive departments and agencies to ensure they are responsive to the needs of new Americans and the receiving communities in which they reside, and identify ways in which such programs can be used to increase meaningful engagement between new Americans and the receiving community;

(ii) identify and disseminate best practices at the State and local level;

(iii) provide technical assistance, training, or other support to existing Federal grantees to increase their coordination and capacity to improve long-term integration and foster welcoming community climates;

(iv) collect and disseminate immigrant integration data, policies, and programs that affect numerous executive departments and agencies, as well as State and local governments and nongovernmental actors;

(v) conduct outreach to representatives of nonprofit organizations, State and local government agencies, elected officials, and other interested persons that can assist with the Task Force's development of recommendations;

(vi) work with Federal, State, and local entities to measure and strengthen equitable access to services and programs for new Americans, consistent with applicable law; and

(vii) share information with and communicate to the American public regarding the benefits that result from integrating new Americans into communities.

dent an Integration Plan with recommendations for agency actions to further the integration of new Americans. The Integration Plan shall include:

(i) an assessment by each Task Force member of the status and scope of the efforts by the member's department, agency, or office to further the civic, economic, and linguistic integration of new Americans, including a report on the status of any offices or programs that have been created to develop, implement, or monitor targeted initiatives concerning immigrant integration; and

(ii) recommendations for issues, programs, or initiatives that should be further evaluated, studied, and implemented, as appropriate.

(c) The Task Force shall provide, within 1 year of the date of this memorandum, a status report to the President regarding the implementation of this memorandum. The Task Force shall review and update the Integration Plan periodically, as appropriate, and shall present to the President any updated recommendations or findings.

SEC. 3. *General Provisions.* (a) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department, agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This memorandum shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) The Secretary of Homeland Security is hereby authorized and directed to publish this memorandum in the Federal Register.

#### COMBATING HIGH NONIMMIGRANT OVERSTAY RATES

Memorandum of President of the United States, Apr. 22, 2019, 84 F.R. 19853, provided:

Memorandum for the Secretary of State[,] the Attorney General[, and] the Secretary of Homeland Security

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Immigration and Nationality Act (INA), 8 U.S.C. 1101 *et seq.*, and section 301 of title 3, United States Code, it is hereby ordered as follows:

SECTION 1. *Policy.* (a) My Administration is committed to securing the borders of the United States and fostering respect for the laws of our country, both of which are cornerstones of our Republic. Nonimmigrant visa (visa) overstay rates are unacceptably high for nationals of certain countries. Aliens must abide by the terms and conditions of their visas for our immigration system to function as intended. Although the United States benefits from legitimate nonimmigrant entry, individuals who abuse the visa process and decline to abide by the terms and conditions of their visas, including their visa departure dates, undermine the integrity of our immigration system and harm the national interest.

(b) The large numbers of aliens who overstay their period of lawful admission, failing to comply with the terms of a visa or the Visa Waiver Program, place significant strain on Department of Justice and Department of Homeland Security resources, which are currently needed to address the national emergency on our southern border.

SEC. 2. *Addressing High Visa Overstay Rates.* (a) The Secretary of State shall engage with the governments of countries with a total overstay rate greater than 10 percent in the combined B-1 and B-2 nonimmigrant visa category based on the Department of Homeland

Security Fiscal Year 2018 Entry/Exit Overstay Report. This engagement should identify conditions contributing to high overstay rates among nationals of those countries and methods to address those conditions.

(b) Within 120 days of the date of this memorandum [Apr. 22, 2019], the Secretary of State, in consultation with the Attorney General and the Secretary of Homeland Security, shall provide to the President recommendations to reduce B-1 and B-2 nonimmigrant visa overstay rates from the identified countries. With respect to any of the identified countries, the recommendations may include, as appropriate and to the extent consistent with applicable law, a proclamation, relying on authorities such as sections 212(f) and 215(a) of the INA (8 U.S.C. 1182(f) and 1185(a)), suspending or limiting entry of nationals of those countries who hold B-1 or B-2 visas; targeted suspension of visa issuance for certain nationals; limits to duration of admission, to be implemented by the Department of Homeland Security; and additional documentary requirements.

(c) The Secretary of State and the Secretary of Homeland Security shall immediately begin taking all appropriate actions that are within the scope of their respective authorities to reduce overstay rates for all classes of nonimmigrant visas.

(d) Within 180 days of the date of this memorandum, the Secretary of Homeland Security shall provide to the President a summary of the Department of Homeland Security's ongoing efforts to reduce overstays from countries participating in the Visa Waiver Program, to include any recommendations for additional action necessary and appropriate to ensure the integrity and security of that Program.

SEC. 3. *Admission Bonds.* The Secretary of State and the Secretary of Homeland Security shall take steps to develop measures required for imposing admission bonds as a means for improving compliance with the terms and conditions of nonimmigrant visas. The Secretaries shall provide a status report to the President within 120 days of the date of this memorandum.

SEC. 4. *General Provisions.* (a) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof;

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals; or

(iii) existing rights or obligations under international agreements.

(b) This memorandum shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

SEC. 5. The Secretary of State is hereby authorized and directed to publish this memorandum in the Federal Register.

DONALD J. TRUMP.

#### PRESERVING AND FORTIFYING DEFERRED ACTION FOR CHILDHOOD ARRIVALS (DACA)

Memorandum of President of the United States, Jan. 20, 2021, 86 F.R. 7053, provided:

Memorandum for the Attorney General [and] the Secretary of Homeland Security

By the authority vested in me as President by the Constitution and the laws of the United States, it is hereby ordered as follows:

SECTION 1. *Policy.* In 2012, during the Obama-Biden Administration, the Secretary of Homeland Security issued a memorandum outlining how, in the exercise of prosecutorial discretion, the Department of Homeland Security should enforce the Nation's immigration laws

against certain young people. This memorandum, known as the Deferred Action for Childhood Arrivals (DACA) guidance, deferred the removal of certain undocumented immigrants who were brought to the United States as children, have obeyed the law, and stayed in school or enlisted in the military. DACA and associated regulations permit eligible individuals who pass a background check to request temporary relief from removal and to apply for temporary work permits. DACA reflects a judgment that these immigrants should not be a priority for removal based on humanitarian concerns and other considerations, and that work authorization will enable them to support themselves and their families, and to contribute to our economy, while they remain.

**SEC. 2. Preserving and Fortifying DACA.** The Secretary of Homeland Security, in consultation with the Attorney General, shall take all actions he deems appropriate, consistent with applicable law, to preserve and fortify DACA.

**SEC. 3. General Provisions.** (a) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department, agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This memorandum shall be implemented consistent with applicable law.

(c) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) The Secretary of Homeland Security is authorized and directed to publish this memorandum in the Federal Register.

J.R. BIDEN, JR.
