Biden must be executed for treason. Executed by any means necessary to save this country.

Biden is a walking target and that's why he said he's so scared that he wanted a new security detail.

This is not a rally and it's no longer a protest. This is a final stand where we are drawing the red line at Capitol Hill.

I trust the American people will take back USA with force and many are ready to die to take back #USA so remember this is not a party until they announce #Trump2020 a winner.

No body surrenders until #Trump2020 is declared the winner. And don't be surprised if we take the #capital building the same way the police stations in Minnesota and Detroit Michigan were taken except we won't burn down or disrespect our building.

Just my opinion 😊

That's why I'm wearing body armor. That's why I'm wearing dragon skin to protect myself from the #Antifa sissy's that stab and slash you from the back.

Know your enemy before you come. Stay together and never walk alone if possible. Antifa will only bother you when you are outnumbered.

[Redacted] Shows how much the #fakenews has sheltered you. I can show you videos of #Antifa , #BLM and is #Americans marching up and down streets with rifles.

People have been shot and stabbed in front of police and the police will only pick up the bodies if the protesters will allow the medics to get to you.

Where have you been? Peaceful protests have long gone lol. Why do you think democrats want to take your guns? So when war like this happens you can't defend your country.

Everyone is coming with weapons. They may be concealed at first but if congress does the wrong thing expect real chaos because Trump needs us to cause chaos to enact the #insurrectionact.
